NSBE Vision, Mission & Objectives

**NSBE Vision:**
- Stimulate interest in Science, Technology, Engineering and Mathematics fields.
- The pursuit of higher education in technical fields.
- Be positive stewards in the community.
- Have a family vibe within the organization.
- Expand NSBE’s identity throughout North High and the community.

**NSBE Mission & Objectives**

The mission of the National Society of Black Engineers is "to increase the number of culturally responsible Black Engineers who excel academically, succeed professionally and positively impact the community."
Goals 2016-2017

We want to:

◦ Impact the community through service.
◦ Bring up our generation to be independent thinkers.
◦ Maintain good academics standing and classroom work ethic.
◦ Become apart the world of engineering.
◦ Establish NSBE on a larger scale creating network of connection within the community.
◦ Lead by example, by being leaders in the community and school.
◦ Take students to a NSBE National Convention in 2017.
