The Society of American Military Engineers (SAME) is accepting nominations for 40 qualified high school students interested in attending the US Navy STEM Engineering and Construction Camp. Students will engage in hands-on engineering and construction activities under the mentorship and supervision of SAME professionals, base commands and other volunteers from the local engineering community. Campers live, eat and complete activities as squads with uniformed service members and STEM-related working professionals.

**Where:** Naval Base Ventura County, Port Hueneme, CA  
**When:** June 21 – June 27, 2020

**Basic Application Criteria:**

- U.S. Citizen
- Able to provide proof of medical insurance
- Starting Sophomore, Junior or Senior Year in the Fall of 2020
- At least 15 years of age at time of Camp
- On a high school STEM track that will provide a basis for attending an accredited engineering college or university (i.e., taking appropriate STEM courses)
- Demonstrated leadership characteristics through participation in extra-curricular activities, sports, and/or community activities
- Physically fit
- Minimum GPA of 3.2 (not required but highly recommended)
- Not previously attended a SAME week-long summer Camp

**Application Deadline:** March 16, 2020

**Cost:** Registration fee for the camp is $600. This includes lodging, meals, materials, instruction, and mentoring. Once selected, campers must submit half the registration fee to hold their spot.

Campers generally pay half the registration fee, $300. The sponsoring SAME Post may pay the remainder of the fee and work with the camper on the transportation costs. If not sponsored by a Post, the camper could be responsible for all camp fees and transportation.

**To Apply:** Visit [www.same.org/STEMCAMPS](http://www.same.org/STEMCAMPS), then follow the instructions in the camp application tab. This is a competitive process.

**For more camp information, contact:** Erin Ingersoll, Camp Registrar, at erini@meetingvisions.net.
