Cotton Belt Passenger Rail
D2 Subway
Commerce via Victory/Swiss
DART Rail Platform Extensions
1 vehicle or 48?

- Whether transporting people by car, TNC or automated vehicle, they still cannot move as many people as bus or rail
- It takes the same number of automated and Uber/Lyft/private vehicles to move the same number of people

Space required to transport 48 people

- **Automated Vehicle**
- **Private Vehicle**
- **Uber/Lyft**
- **Bus**
