Hafa Adai,

The Guam Post of the Society of American Military Engineers (SAME) is pleased to announce the 42nd Annual Charlie Corn Scholarship Golf Tournament (two man scramble or select ball) to be held on May 9th, 2020 at the STARTS Guam Golf Resort in Dededo and seeks your support. Proceeds from the tournament go toward engineering education and the Charlie Corn Scholarship Fund.

The Charlie Corn Scholarship is available to students pursuing or planning to pursue full-time technical degrees at a college or university with an accredited engineering or architecture program, including the University of Guam with whom we have established a partnership.

The previous 41 tournaments have helped raise funds to provide more than 100 scholarships since 2005 to aspiring engineers and architects in the Marianas and Micronesia, including Yap and Palau. These scholarships have ranged from $1,500 to $5,000 each. Due to the success of recent tournaments, we have been able to increase the number and size of scholarships awarded.

We kindly solicit your generosity and assistance for corporate sponsorships [Platinum ($2000), Gold ($1000), Silver ($500), and Bronze ($300)], tee/hole sponsorships, drawing prize donations, ditty/goodie bag donations, and/or a golf team entry. A form is attached where you can pledge your contribution(s). We look forward to your support of the Charlie Corn Scholarship Fund and the SAME Guam Post. For more information, please feel free to contact samecgt@gmail.com or any of the SAME Guam Post Charlie Corn Golf Tournament Committee persons below.

Thank you in advance for your support and participation!

Senseramente,

Jon McDonald
