May 2014 Post News

We will have a presentation by:
John Drace, President
Drace Construction Corporation
Achieving LEED Certification - Benefits, Strategies and Resources

The briefing will provide familiarity on what is LEED, its benefits and cost along with hints and resources that will help in attaining LEED certification in design and through construction. Case reports and examples will be inclusive of the 25th NCR HQ facility at NCBC and a 144 person Dormitory at Keesler AFB.

When: Tuesday, 20 May 2014
Where: Salute Italian Restaurant
1712 15th Street, Gulfport MS
Lunch: 11:30 am
RSVP: lisa.noble@navy.mil

2014 Engineering Scholarships:

The Mississippi Gulf Coast chapter is accepting applicants for the annual engineering scholarships. The Chapter will award at least one annual scholarship of $1,000. The scholarship(s) will be presented at the S.A.M.E. scholarship award luncheon in August. Applicants must be graduating high school seniors or have a freshman or sophomore undergraduate status and reside in one of the Coastal counties of Mississippi. Applications are due by 1 June 2014.
