Message From The Post President

Continuing the good work of others before us. Since the last newsletter, we received word from SAME Headquarters that the Kentuckiana Post earned all four streamers with Distinction in 2015 - Education and Training, Leadership and Mentoring, Relationship and Recognition, and Emergency Preparedness and Infrastructure Resilience. Of the 103 SAME Posts, we were one of only 14 Posts awarded all streamers with Distinction. Our Post will receive the streamer pins at the JETC coming up in May and we'll pin them on the banners at a future program meeting in Louisville.

The Kentuckiana Post is 689 members strong including a vibrant Young Members group and engaged mentors that are carrying on a tradition of excellence. There are many ways for you to join the fun and invest in your personal and professional development:

- Monthly Luncheon Programs
- Veteran’s Programs
- Ft. Knox Field Chapter
- Emergency Preparedness & Homeland Security
- Small Business Workshops & Federal Forum
- Education & Mentoring Fund Management
- Scholarship Program
- STEM Programs
- Public Relations
- Website
- Young Member Events
- Education & Training Events
- Membership & Recruiting
- U of L/UK Student Chapters
- Golf Scramble
- Newsletter
- Photography

Pick a volunteer area or two that interest you and reach out to any SAME Board or Committee Leader for ways to get engaged!

Plans are already underway for the 2017 Small Business Workshop and Federal Forum. The event will be back at the Louisville Marriott Downtown beginning with an evening welcome reception on Tuesday, 17 January 2017, the Small Business Workshop on Wednesday, 18 January 2017, and the Federal Forum on Thursday, 19 January 2017. Save the date for what has become the preeminent event for small and large business, public and private sector networking with over 350 attendees.

Ms. Karen Tenfelde, CPSM
Post President, KP-SAME

Small Businesses noted in Red

Are You A SAME Young Member?

Please take just a few minutes now to review your SAME individual membership or contact the person in your office who updates your firm’s annual SAME membership to confirm that you are identified in the database as a Young Member. Members 39 years of age and younger are categorized as Young Members. The Kentuckiana Post’s Young Members Committee is planning fun social events tailored specifically for networking and professional development for you and your counterparts in KSPE and ASCE and we want to be sure and include you in the communications. Help us get the information to you so you have a chance to participate in upcoming events. You can also stay connected through www.same.org/kentuckiana.

Confirm your SAME registration identifies you as a Young Member so you’re sure to get communications regarding upcoming YM events
Steve Skaggs Awarded RVP Medal

After months of planning and preparation on the 2016 Small Business Workshop and Federal Forum Committee, USACE’s Steve Skaggs was unable to attend the event so he missed out on the opportunity to be recognized with a Regional Vice President’s Award. We caught up with him at the March Post Meeting. Thank you, Steve, for all you have done to make the Kentuckiana Post a success. We are continuing the good work you and others have done before us.

If You Build It, They Will Come

Interested in learning more about the future of SAME and the direction our society is headed? SAME’s 2020 Strategic Plan captures our Mission, Vision, Value, and Goals & Objectives and includes articles by several National Board of Directors members reflecting on how the plan was developed and how it will be implemented. Visit www.same.org/DiscoverSAME/ and download the 2020 Strategic Plan pdf to learn more.

Steve Skaggs presented with the Regional Vice President’s Award by former RVP Rosemary Gilbertson.
February 2016 Board Meeting Summary

The February 2016 Board Meeting was called to order at 10:00 a.m. on February 16, 2016 in the Cafeteria Meeting Room of the Mazzoli Federal Building. President Karen Tenfelde led the meeting. The Meeting Agenda and Board/Committee Leaders Sign-In Roster were passed among the attendees.

Secretary’s Report  Interim Secretary Karen Tenfelde reported that the October Board Meeting Minutes were approved and published in the February Post newsletter. A motion was made and seconded to approve the Secretary’s Report. *Motion passed.*

Treasurer’s Report  John Allison reported a total of $22,530.04 in the Post checking account. The Small Business Workshop RegOnline check had not arrived but was expected soon. A motion was made and seconded to approve the Treasurer’s Report. *Motion passed.*

Committee Reports

*Education and Mentoring Fund Management*

Tony Marconi reported the fund balance as of close of 2nd Quarter FY16 (12/31/15). Total equity was $623,210.56. The following 2016 Annual Grants were reviewed for approval:

- 2016 MATHCounts Louisville Chapter - $1,500
- 2016 MATHCounts KY State Competition - $5,000
- 2016 Louisville Regional Science Fair - $1,000
- 2016 Governor’s Scholars Program - $2,500
- 2016 Leadership PE - $3,000

A motion was made and seconded to approve these annual grant requests totaling $13,000. *Motion passed.*

There were three approved grants from 2015 that were not claimed - $750 for the Rose Hulman Water Tower Tour, $500 for STEM activities, and $2,500 for the ASCE/SAME U of L Distinguished Speaker program. Agreement was reached to carry these requests over to 2016.

The deadline for additional 2016 grant requests was 4 March 2016 so they will be reviewed and voted on at the April Board Meeting.

*Emergency Preparedness and Infrastructure Resilience*

Having earned the 2015 Streamer with Distinction, Clay Kelly applied for the stipend benefits to attend the 2016 Critical Infrastructure Symposium 3-5 April 2016 in Charleston, SC, including waived registration and $250 travel stipend to the first ten Posts (Kentuckiana was #5 to submit). A motion was made and seconded to reimburse Clay Kelly for reasonable travel costs to attend the TISP Critical Infrastructure Symposium 3-5 April 2016, not to exceed $1,800, including the $450 registration which could be waived as stated above. *Motion passed.*

Continued
February 2016 Board Meeting Summary

Clay also reported that he attended the Central US Earthquake Consortium Meeting in Memphis, TN, 19-20 January 2016. He participated with the Earthquake Program Managers (EPMs) to discuss “State Building Assessment Program Updates”. They also discussed plans for the future, training opportunities, and how state agencies can help each other. Clay met Nathan Kent, KY Area 1 Emergency Manager and recently-named Statewide Earthquake Manager. They discussed ideas for developing a volunteer force. To date in 2016, Clay has participated in five KYEM conference calls and web presentations on impending weather events that could require emergency coordination. The A/E community would not likely be called into action during such an event, but it keeps SAME plugged in with the Private Sector Working Group.

STEM

The deadline for Engineering and Construction Camp applications is 1 April 2016. Four applications had been received as of the meeting. April Vance asked for 5-7 volunteers to judge the applications 2-8 April 2016 and participate in a telecom to review the results on 11 April 2016. Volunteers included Drew Henry, Bill Nieport, Joe Bissaillon, and Karen Tenfelde.

Scholarship

Kristen Crumpton and Don VanBogaert requested volunteers to help with the ranking of the scholarship applications due 7 March 2016 with rating spreadsheets returned to Kristen by 4 April 2016. The Scholarship Committee will make final selection on 12 April 2016 prior to the Board Meeting on 19 April 2016 where the Board will vote on the recommendations of the Scholarship Committee. Recipient and consolation letters will be sent 20 April 2016 and the Scholarship Awards Ceremony Luncheon will be held 17 May 2016. The number of applications received this year is 21.

Programs

Bill Nieport and Kate Brandner coordinated with Eric Baker to get Programs information posted on the Kentuckiana Post website through July 2016. Kate has speaker gifts and room arrangements organized through the end of the year.

U of L and UK Student Chapters

Will Modrall is working out the details for the U of L Student Chapter’s distinguished speaker visit with Anthony Fasano, owner of the Engineering Career Coach. They will be looking to do the event in the Fall 2016 semester. Corey White reported that the U of L Student Chapter plans to submit for Distinguished Student Chapter by the 15 April 2016 deadline. U of L students participated at the Student Leaders and Student Chapter Workshop 21-21 January 2016 in Charlotte. An update on their trip and the latest on the UK Student chapter will be on the agenda for the April Board Meeting.
February 2016 Board Meeting Summary

Small Business
At the recommendation of the Small Business Committee and in concert with feedback from the 2016 conference attendees, the 2017 and 2018 Small Business Workshops and Federal Forums will be held at the Louisville Marriott Downtown. The venue and 2017 conference dates are already posted on the website and Tammy Dean is coordinating an e-mail blast to the list of 2016 attendees with next year’s information. Karen Tenfelde signed the contract on 29 March 2016. Lisa Wilson-Plajer, Paul Shipp, Gil Alexander, and Tammy Dean have drafted a volunteer activities list for next year’s event. We have reached out to Heather French Henry to join us as Keynote Speaker next year.

Education and Training
Steve Kimball and Bob Draper have ideas on restructuring the full-day educational session for Fall 2016.

Ft. Knox Field Chapter
Rick Storm and Joe Bissaillon encouraged participation at the 10 March 2016 Field Chapter meeting for a presentation by Site Supply on Ft. Campbell reinforced asphalt projects.

Young Member
Craig Coombs, Richard Boston, Kate Brandner, and Ian Mitchell are looking tentatively at a Churchill Downs Spring Meet event in May in conjunction with KSPE.

Membership
Lisa Wilson-Plajer presented the February Membership Report with 689 total members including 454 company representatives and 235 individual members.

Newsletter
Richard Petty and Karen Tenfelde developed an editorial calendar to keep us on track for six bi-monthly, even month newsletters. Contact Richard or Karen if you have something to promote through the newsletter.

Website
Eric Baker and Kenny Owens have launched and populated same.org/kentuckiana and are responding to requests to post new information as needed throughout the month. We need a plan to get Sustaining Member logos migrated from the previous Post site.

Golf Scramble
Aaron Cooley and the Golf Scramble Committee received the charge to select the date for this year’s golf scramble—Thursday, 8 September 2016 at Quail Chase in Louisville. Aaron has already released a Save the Date announcement to the Post’s e-mail list and it is posted on the website.
February 2016 Board Meeting Summary

Public Relations
E-mail Niki Marksberry with social media content and Marci Snyder with press release information.

Photography
If anyone has photos from SAME-KP events, please send them to Kenny Owens or Ian Mitchell to upload to the Post’s Flickr account.

Veterans Outreach
Rick Wolf wasn’t able to attend the Board Meeting but forwarded a comprehensive report of opportunities. Rick reached out to Stacey Norris, VA Supervisory Program Coordinator, in February to continue dialog on ways for SAME member companies and individuals to get involved with Veteran’s outreach and support. They discussed several opportunities:

- SAME involvement in the Veteran’s Community Alliance of Louisville. This is an organization started by Mayor Fischer whose purpose is to create an integrated network of support for veterans and their families by coordinating services, resources and initiatives to increase communication across organizational lines, enhance quality and delivery of services, and to promote veteran-friendly community relations in Louisville. http://vcalouisville.org/home/. Stacey has already made an email intro for Rick with a VCAL representative.

- SAME involvement in Team Red White and Blue. Team RWB’s mission is to enrich the lives of America’s veterans by connecting them to their community through physical and social activity. http://www.teamrwb.org/.

- Stacey, through her office at the VA, periodically holds workshops for Veterans for such things as resume writing, mock interviewing, and other activities that prepare vets for entering the workplace. She is ALWAYS looking for volunteer help at these events.

- The VA has a program called Compensated Work Therapy that Stacey discussed in her Keynote Address at this year’s Small Business Workshop. They provide a Veteran’s Employment Toolkit for companies looking to hire Vets put together by the VA. The aim here is to help employers, managers and supervisors, human resource professionals, and employee assistance program (EAP) providers relate to and support their employees who are Veterans and members of the Reserve and National Guard. Stacey’s office is available to help with this info so potential employers can become best equipped to potentially hire Vets.

Rick has invited Bret Oakes to serve as Co-Chair for Veteran’s Outreach. He has recently gotten back into Kentuckiana SAME and is looking to get involved. Welcome, Bret!
February 2016 Board Meeting Summary

President’s Report

- Karen Tenfelde distributed the 2016 Streamer Criteria
- There is only one Post Leaders Workshop scheduled this year 28-30 August 2016 in St. Petersburg, FL. Rick Wolf will attend. Registration is now open so we need a Young Member recommendation.

Next Board Meeting

The April Board Meeting will be held 19 April 2016 in the Mazzoli Federal Building cafeteria meeting room.

A motion was made and seconded to adjourn the meeting. The meeting concluded at approximately 11:25 a.m.

February 2016 Post Meeting - Real Time Controls Supporting Louisville’s MSD Overflow Reduction Program

In 2008, Louisville MSD entered into a Consent Decree program with EPA, requiring $850 million dollars in improvements in the system managed by Louisville MSD. The consent decree mandates the reduction of overflows into the Ohio River and associated streams in Jefferson County. The project at Southern Outfall Relief Sewer (SOR1) is just one of many projects underway to accomplish this goal. In addition to the construction of three gates to accommodate the storage proposed at the site for SOR1, Tetra Tech provides the controls strategy for all of the sites to be included in what is called the Real Time Control system. At the Post Meeting on 16 February 2016, Karen Scott, PE, of Tetra Tech provided details on this fascinating program and the innovative way that Louisville MSD is handling their long-term control strategy for the Louisville community.

Karen Scott, PE, discusses the benefits of Real Time Control system for overflow reductions.
Fort Knox Field Chapter Meeting - Want to Get Longer Life from your Pavement Design?

Everyone is welcome to attend the SAME Ft. Knox Field Chapter quarterly meetings at the Saber and Quill Facility on the Ft. Knox campus. On 10 March 2016, Jeff McConahy with Site Supply was the technical session host with a presentation on fiber-reinforced asphalt. Pavement design is typically 15-20 years but asphalt roads often need maintenance long before that. Introducing aramid fibers known as Kevlar to hot mix asphalt can significantly increase the service life of pavement. Kevlar is a man-made synthetic that has no melting point and is five times stronger than steel. Jeff passed around samples of the fibers wrapped with wax that can be added to asphalt and aggregate at the asphalt plant. Attendees were surprised to learn that only 4-6 ounces of fiber per ton of asphalt can significantly increase the structural number for new pavement construction and overlays.

March 2016 Post Meeting - Robots and Ranges

Dylon Caudill of the Robotics Education & Competition Foundation (RECF) was on hand to recruit volunteers for the 2016 VEX World Robotics Competition that will be held at the Kentucky Exhibition Center in Louisville 20-23 April 2016. Dylon brought remote-controlled freeze tag robots along for the ride.

The featured presentation, “Range & Training 101”, was given by Chris Lowe and Cathy Crowley of Mason & Hanger. Chris led an informative discussion highlighting the various types of range and training projects across the Department of Defense and beyond. He covered requirements for a wide variety of range types including Small Arms, Baffled, Urban Training, Large Scale, Digital, and Demolition and Grenade Ranges. Cathy delved into the intricate design aspects of indoor firing ranges including air flow modeling, HEPA filtration, sound attenuation, and lead contamination. She addressed how applied math, physics, and computational software come together in Computational Fluid Dynamics (CFD) Modeling to study critical air flow affects in indoor ranges.
May Meeting: Scholarship Awards Luncheon

When: Tuesday, 17 May 2016

Topic: 2016 Kentuckiana Post, SAME Scholarship Awards

Presenter: U of L Student Chapter

Location: University of Louisville Alumni Club, Belknap Campus, Mary Bingham Room, University of Louisville, Louisville, Kentucky  www.uclblouisville.org

Time: 11:30 a.m. to 1:00 p.m.

Cost: $20 per person, $5 per student. Cash or check accepted.

RSVP: No Later Than Friday, 13 May 2016. Please contact Kristen Crumpton, kristen.crumpton@aecom.com or 502-217-1523. Space is limited to the first 50 people who respond so sign up quickly!

Directions: The University Club is located on the northeast corner of U of L’s Belknap Campus off of Cardinal Blvd. Enter at the North Entrance/ School of Music and take a left. Free parking is located on the left. If you still require assistance, give the club a call at 852-6996 and they will be glad to guide you in.

FOCUS ON . . . OUR SUSTAINING MEMBERS

If you would like to submit a corporate profile for a “Focus On …” feature or your firm would like to share news of recent awards, major projects you have completed or corporate expansion, please forward your ideas or comments for inclusion in the newsletter to Newsletter Chairperson, Mr. Matt Vaughan, Matt.Vaughan@stantec.com or Richard.Petty@stantec.com.
Professional Development Conference Fundraiser

The University of Louisville Engineers Without Borders Chapter is hosting a Professional Development Conference Fundraiser this spring. PDH/CEUs will be available to attendees. Follow this link for conference registration: https://www.eventbrite.com/e/engineering-2020-tickets-24266238974?aff=ebrowse.
See page at end of newsletter for conference details and schedule. For additional information contact Ian van Lierop at irvanl01@louisville.edu.

2016 KENTUCKIANA POST SCHEDULE:

Regular Post Membership*

17 May 2016  Scholarship Awards Luncheon  
University Club, Belknap Campus,  
University of Louisville, Louisville, Kentucky

21 June 2016  Site Information Model and Data Management Solution  
Mazzoli Federal Building, Louisville, Kentucky

19 July 2016  National Corvette Museum Skydome Sinkhole Repair  
Mazzoli Federal Building, Louisville, Kentucky

16 August 2016  Fort Knox Meeting  
Saber & Quill, Fort Knox, Kentucky

* Regular Post meetings are scheduled for the third Tuesday of the month unless otherwise noted.
UofL EWB / AWWA / WEA student chapters present:

2\textsuperscript{nd} Annual Engineering Professional Development Conference

Engineering 2020

**Event Details**

Tuesday May 3\textsuperscript{rd}, 2016 – 9:00am-5:00pm
UofL J. B. Speed School of Engineering, Vogt Building Room 311 & 314
Registration Fee: $300

Parking will be available in the UofL Green Lot located off of 3\textsuperscript{rd} Street just south of the intersection with Eastern Pkwy. Please print the parking pass that you will receive after pre-registration and display it on your dashboard upon arrival. Signs will direct you to the Vogt Building from the parking lot.

Check-in will open and breakfast will be served at 8:00am. Please try to arrive by 8:45am at the latest. A certificate for your records will be mailed to you after the conference to verify your attendance for up to seven hours of continuing education credit.

**Schedule of Presentations**
