Committee Reports

Membership (Ms. Kim Duncan/ Mr. Joe DiMisa absent)

Ms. Duncan reported that the post has 10 new members. Total is down 2 members at 405:
• 222 Sustaining Members
• 183 Individual Members (including 5 new this month)
• 56 Sustaining firms (providing the sustaining member count)
• 20 Students (including 1 new this month – students do not count in total)
Web

• Kim tried to make contact to verify their SAME membership date. Of the 50 members she went to verify 3 had some corrections in their time. Ms Kim Duncan will continue to verify the rest of the dates but it will take time.

• Ms Marci Snyder stated that she has contacted the home office about the problem and they took that under advisement. Mr Alan Hartman asked if the member can verify but that proved difficult. Kim Duncan indicated that it should be expressed that the member should be responsible for their dates. Alan indicated that he would like to recognize anniversary dates of SAME membership at the monthly meetings. Maybe pins at the meeting. Also sustaining member firms to be included. Kim and Alan will talk later and Kim would like Marci to take on sustaining firm dates and Marci agreed.

• Last point was that members need to verify their dates.

• Marci asked why the difference at this time of year and the difference was renewal dates are through the year and not at one point. Some firm have different timing. There is a possibility of a drop in firms due to economic factors.

Sustaining Membership (Ms. Rose O’Grady - Absent)

• Ms Rose O’Grady reported there will be 2 Sustaining Member firms presenting at the luncheon; Mason & Hanger and URS.

5. Programs (Mr. Jeff Leonard/Ms. Nadja Turek )

• Announcement of the Great Lake meeting in Milwaukee.

• Luncheon will include a wrap-up of the Golf Event. Included will be recognition of sponsors, slide show and some words.

• No decision on a membership announcement.

• Possible October date for wine tasting in the works.

• Jeremey has pictures of the camp visits. Discussion of getting more photos of camps and how to get a hold of them. Jeremy will work with the campers to be able to talk about their favorite things at the camps. Possible contact through Ryan Schlosser to get with the campers.

• An issue of folks who make reservations and do not show. A big issue is folks who are not members and are coming to see a speaker and do not show. In the past this has been follow-up with limited success. Discussion was that at least an email is sent to the person who did not show. There has been big problem in the past at times. The decision is that an email will be sent to all no shows requesting payment.

• There is discussion that some walk-ins are due to the fact that if you make a reservation and do not show you get charged so you just show up without a reservation. This has been an issue at the Hope Hotel and the Club is a little more understanding. Jeff is to investigate if there is a limit of walk-ins and will report back.

• Ideas for next month. Force protection has been used. Discussion of anniversary of the Sept 11 attacks and possible other topics. Consensus was that contact will be made to Task Force 1 to possibly update on their operations. Possibly to make contact with Congressional folks for the fall or Christmas.
• Joe Pado has agreed to assist Jeff Leonard with reservations and club seating arrangements. The board agreed to stay at the club for calendar year 2012 and Jeff will make the arrangements.

Education/Scholarships/Science Fairs (Dr. Mark Goltz / Ms. Nadja Turek)

No new updates

Industry Affairs (Mr. Ken Stegall / Mr. John Koerner, Mike Clare absent)

• Mr. Stegal presented in an email An important item for Industry Affairs is deciding when to hold the annual Roundtable. Normally it is held in conjunction with the BCE Conference in the latter part of October. However, the conference is being done by Video Teleconference this year instead of at Dayton.
• Ken is trying to schedule around the COE schedule. There is a commanders conference in November 2-3 in Cleveland that we need to avoid and a small business conference in early December. Possibility of combining and having the WPAFB event combined in Cleveland.
• In the past Ken has had the local SBA, AFMC, WPAFB and VA to talk about their programs. Kim expressed to possibly invite the reserve. The past has focused on the COE. Discussion of how event would work out. Possible option of not inviting the Civil works districts. Discussion seemed to center in on only the Louisville COE district.
• Usually there are booths and an ice-breaker. The ice-breaker usually gets attendees from the BCEs, but without the BCEs, the participation might be less unless we have something special to draw people.
• Alan suggested that we center into the Louisville COE be available on 1 Nov as a starting point and see if it will work. Ken is to report back to the board on their response. The board will go from there as to schedule

Readiness (Mr. Jon Wheeler absent/ Ryan Schlosser absent/ CMSgt Dirk McDowell absent)

• No update. Last report that Jon Wheeler is planning to write an article on readiness that is required for that streamer.

Social (Mr. Mike Howe, Ted Hecht – golf)

• Mr. Hecht presented that the golf event went off very well with a full house of 139 golfers and 10 sponsors. Thanks to Grant Bartee, Pete Battaglia, Jennifer Russell, Andrea Pakulski, Nadja Turek, Jennifer Tamburino, Kim Duncan, Todd Butler and Jeff Leonard for the help. In an effort to improve the event next year we are going to push for more corporate sponsors and the associated recognition for the donation.

• Mike Howe is looking into a fall wine tasting event. Will follow up for a possible October event.
Young Members (Brad Doudican and Cpt. Jeremy Kinne)
• Jeremy expressed his thanks about send him as a mentor at the camps. Excellent experience.
• The first ramp building went extremely well and more are planned. One in 2 weeks. Some issues with email to Young members and that will be worked.
• Capt Kinne and Brad were working on a mentorship/young member after discussions with Randy Parker. A possible 1 Sept meeting is being proposed to meet for a kick off session. Randy Parker will also help with senior leaders.
• Another idea would be cash awards for young members to be voted on by fellows yet a budget is needed. Andrea indicated that there is a budget for the Young Members that includes the camps with possible extra funds available. Investigation of how much available is to be completed. Maybe the budget can be revisited next year to address.

College Outreach (Nichole Lashley/absent Travis Burr cochair Absent)
• No Change in status this month. Last month the report was Travis met with Rijad Alakkad at UD and they agreed to support the program and the need to reestablish. This will probably remain not active until the fall when student come back to school.
• Nadja expressed that the student membership has grown nationwide yet the same is not true for young members. Ideas were to develop incentives for students to transition such as free membership to top students, etc.

K-12 (Ms. Laura Wade - absent/ Mr. Ryan Schlosser - absent)
• No report.

Yellow Ribbon (Nikki Kelley - Absent)
• Nikki bringing boxes to meetings. Will be collecting paperback books and DVDs at the membership meetings to send to deployed troops. She ships them in 10 pound USPS flat rate boxes. Appreciation to Woolpert and Elements IV for SUPER support. She needs names of troops that have a local connection for mailing packages.

Awards (Ms. Jennifer Tamburino)
• Discussion of a President’s Award was previously had yet no decision. All agreed that the Award is approved the President will include 12 times 10 months luncheon lunches as a gift for super work at the Presidents discretion. All agreed and a vote was taken. All approved.

Fellows (Mr. Nick Scambilis absent/Drew Titone Absent)
• Nick reported he nominated one fellow yet it is at headquarters for approval.

Small Business (Mr. Ken Stegall/ Mr. Sam Reed absent)

Public Relations (Todd Butler)
• Articles due on president, young member, etc. are due 19 August. Current members spotlight is now up for Nick Scambliss. Photo hunt is ongoing.
• Will highlight Milwalkee Conference.

Affiliates Societies Council (Mr. Drew Titone)
• No report

6. Old Business:
• Website management. Alan highlighted that ASCE Dayton .org, was put together by Brad in minimal time. Website was purchased for $150 and suggested to combine. Alan asked that a verification of this is possible and to go forward with the proposal. Suggestion was tabled for this month to investigate the possibility. Proposal sounds favorable.

7. New Business:
• RVP awards time is here. Regional Vice President Award. Annual award to be submitted by each post. Discussion of previous winners such as the board for the regional conference. Alan will be sending email to all asking for nominations that are deserving this year.
• Discussion about who will be sent to the Regional meeting. Discussion of if it is in the budget to and it was verified. Possibility of sending April Lewis as incoming president. Board approved. Alan will follow up. Discussion the a good rhythm is for the incoming president to go to fall event and young member to go in spring.
• Discussion of follow on the a single website needs to be investigates as a repository for newsletter, registration, payment etc. Investigation to follow.

8. Adjourn: 1305 hours 1:05 PM

See you on the golf course! Adjourn Meeting (Alan Hautman)

Our June meeting will be held on June 9th here at the Club. Our speaker will be Steve Ranger, the Chief of Emergency Management and Security Branch of the Louisville District of the Army Corps of Engineers. He will speak to us about FEMA’s National Level Exercise 2011 which will be held later in May. The exercise will simulate the catastrophic nature of a major earthquake in the central United States, affecting eight states including Kentucky, Illinois and Indiana in the region of the New Madrid Seismic Zone (NMSZ). The year 2011 is the bicentennial anniversary of the 1811 New Madrid earthquake, for which the NMSZ is named. The National Level Exercise will simulate the response to a major earthquake within the New Madrid zone. Steve tell us how the exercise went and the ramifications for the emergency response community as well as the design and construction community of living near the fault.
