HOST SUSTAINING MEMBER INFORMATION

We still have some luncheon meetings available for Sustaining Members to host. Hosting our monthly meetings is a great opportunity to put your firm in the limelight and showcase your firm’s experience and abilities. If your firm is interested in hosting one of these meetings, please contact Charlie Settoon at (504) 889-0182.

We would like to thank all the Sustaining Member Firms who have hosted a monthly meeting in the past. If it has been a while since your firm hosted a meeting, you are welcome to host another meeting. Let’s continue to show our support for the Louisiana Post through this great professional opportunity.

SPEAKER’S BIOGRAPHY

Donna Sentell

Donna is the Executive Director for the Louisiana Engineering and Land Surveying Board. In addition to overseeing a staff of 13 employees, much of her time is spent making outreach presentations on the Importance of Licensure at the 8 Louisiana schools with engineering and surveying programs. She also make presentations on the laws, rules and professional ethics at various technical and professional societies. She has been in this position since 2005.

She is a graduate of University of Central Oklahoma, with a degree in Political Science/Public Administration. She has also worked for the Louisiana Press Association and the College of Engineering at LSU. She is married to Will Sentell, a newspaper reporter with the Baton Rouge Advocate. They have two grown sons.

Chris Aaron

Mr. Aaron is a Board Investigator for the Louisiana Professional Engineering and Land Surveying Board. He grew up in Walker, Louisiana. Mr. Aaron attended Southeastern Louisiana University for Mass Communications and Criminal Justice. Prior to being employed by the Board, he was an area Market Investigator at CVS Pharmacy in Baton Rouge, Louisiana area.
