Mr. Jeff Duplanti, SAME South-Central Regional Vice President, honored us by inducting our new officers and directors.
Mr. Karsten Lipiec expressed his whole heartedly thank you for their support and stated he was proud to have served with them. Our post did so much good during the year. Here is a list of some of the great things that you, the Society of American Military Engineers Panama City Post did this past year, despite adjustments we had to make due to Hurricane Michael. Our Post members have been dedicated, industrious and resourceful.

New Sustaining Member List (July 2019)
In Other News:

Gabe Hagon, from Pace, FL presented membership about his recent STEM Camp experience, at Air Force Academy in Colorado Springs. He brought back some brochures and camp schedules to give membership an idea of what the camp itinerary comprised of.

The Post sent THREE leaders to the Annual Post Leaders Workshop (PLW) at Hyatt Regency Coconut Point Resort and Spa in Bonita Springs, FL. President Karsten Lipiec and MSgt Kimberly Joe, Membership Director, were joined by Second Vice President Brandon Davis, who the Post funded to attend as Young Members learning how to make SAME and the Post operate better while making many connections with leaders from other posts.

Mr. Chris Evers, Pavement Technologies Inc., Presented “Emerging Technology: Smog Eating Roads Are Here”. Emerging Technology: Smog eating roads are here. Mitigating mobile source air pollution with photocatalytic pavements

New Sustaining Member List (August 2019)
Technical Presentation

Mr. Phil Thiel, Exec Vice President, Dewberry, presented “Statewide Light Detecting & Ranging (LiDAR) Project (to provide a 3D scan of Florida’s surface).”

In Other News:

You are invited to attend POWER UP ENERGY EXPO 2019 at the Sheraton Panama City Beach Golf & Spa Resort on November 13-14, 2019.

Resilient Bases & Smart Communities

Now in its 10th year, POWER UP is the largest business event for energy and sustainability professionals along the Gulf Coast. Recently, Congress passed and the President signed a $19 billion disaster relief bill, including funds for rebuilding Northwest Florida and Tyndall Air Force Base following Hurricane Michael. Join us and learn about new business opportunities and expand your professional network.

Day 1 (November 13th)
- Sustainable Design & Fortified Construction
- Innovative Solutions for Energy & Water Security
- Energy Microgrids and the “Base of the Future”
- Electric & Autonomous Vehicles
- Policy & Finance

Day 2 (November 14th)
- Plenary Session I: Resilient Bases + Smart Communities
- Plenary Session II: Community Partnerships to Advance Resiliency
- One-on-One Matchmaking Sessions

This 2-Day major event will consist of General Session Presentations, Senior Military Contracting Officials, City and County Officials, design/construction firms, and energy services companies. Network with other industry professionals at the charity golf outing and meet with exhibitors in the Technology Demonstration Area. Learn about new business opportunities for small businesses. Be sure to join us at the Power UP VIP Reception and charity golf event.

For sponsorship information or to register go to: www.PowerUpEnergyExpo.com

POWER UP is co-hosted by the Gulf Coast Energy Network and the Defense Leadership Forum

Mr. Michael Giniger  
Society of American Military Engineers  
PO Box 40066  
Tyndall AFB, Florida 32403-0066

Dear Mr. Giniger,

Re: 2019-2020 Foundation Scholarship Recipient Notification

Thank you for your continued support of our scholarship program at the Gulf Coast State College Foundation. Your support in our program provides financial security necessary to helping students continue their education while attending Gulf Coast State College.

As of today, the following student or students have been selected as a recipient of the Society of American Military Engineers Endowed Scholarship for the 2019-2020 academic year. The recipient(s) noted below have successfully accepted their scholarship offer and completed all of the required paperwork necessary to process their scholarship award.

Courtney Boobyer

In closing, thank you very much for your continued support. Your scholarship will have a meaningful and lasting impact to the students attending Gulf Coast State College. If you have any questions, or would like to discuss your relationship with the Foundation, please do not hesitate to give me a call at (850) 769-1551 x6010 or meldridg2@gulfcoast.edu.

Sincerely,

Lori Eldridge  
Donor and Alumni Relations Director
