PPP Supports
Wounded Warrior Angel Tree

LAST YEAR TO MAKE A DIFFERENCE ~ Angel Tree at Fort Carson

Help bring joy to the children of the Fort Carson Wounded Warriors by “adopting” an Angel!
YOU select the age group and gender of Angel!

In support of the Warrior Transition Battalion and their families at Fort Carson, SAME Pikes Peak Post is partnering with the Fort Carson Soldier and Family Assistance Center (SFAC) to collect gifts during our October, November and December meetings for the children of the Fort Carson through our angel tree program.

We will be collecting gifts by the following age groups. 0-3 years; 4-6 years; 7-10 years; 11 – 14; and 15-18 years. Please contact Cindy Lincicome (clincicome@betanc.net) or Amy Umiamaka (aumiamaka@hbaa.com) to let us know what gender and age group you are “adopting” for this program. The Pikes Peak Post is also accepting checks, and gift cards.

Sustaining Member Firm/Company participation is encouraged. Adopt a group of children and participate in delivery of gifts to the SFAC in December! Special recognition to firm with most adoptions!

We will be collecting the wrapped gifts at the SAME Pikes Peak Post Membership Meetings or accepting drop off gifts at the following locations.

THANK YOU for your support!
