President’s Corner

Greetings Portland Post Team!

This is my last letter to you, as the Post President, as many of you know my departure from Portland was moved up and my family and I need to be in San Francisco by Jun 2nd. I have greatly appreciated the opportunity to serve as Post President and everything that all of you have done to make this an incredibly rewarding and productive year.

It has been an honor to serve the Post, but could not have done it without the dedication and energy of the Board. As I end my term, I know the Post is in great hands under the leadership of Terry Hosaka and 1st VP Heidi Rice Nelson.

For those that were unable to attend the May luncheon, you missed a great one! Special thanks to Jeffrey Coffin and Wade Osborne for a great presentation on the Middle Fork Irrigation District Emergency Spillway Repair at Clear Branch Dam and for all our members that came out and attended this great event!

On Jun 5th you will see the return of our annual Meet the Primes/Meet the Chiefs. The combination of this one-day event is intended to draw our small businesses and large businesses together in a teaming atmosphere. Then together, we can all learn about the upcoming federal and local contracting opportunities. The group of speakers we have lined up is incredible and spans the limits of our Engineering profession. More information on our speakers can be found in this issue.

In August, we are once again joining the Portland District for our annual Gen. Itschner Scholarship Golf Tournament. This year it will be held on Monday, Jul 22, 2019 at Heron Lakes Greenback Course. If you are interested in sponsoring, or playing, please contact Tony Roos troos@kittelson.com for more information and to sign up.

As we head into our summer break, the board is striving to find relevant, timely, and entertaining topics for our monthly luncheon. Please contact Terry if you have any topics to share.

Let me end by thanking you, our Post membership, for participating and making our Post vibrant. I encourage you to share this newsletter with somebody new and to bring them to our luncheons. See you in June

Essayons!

John D. Cunningham, P.E., PMP
Lieutenant Colonel, U.S. Army
President, SAME Portland Post

Meet the Chief's Agenda:

This year’s MTCs is a fully loaded ready to rock event scheduled for Jun 5, 2019. This year's event has an even larger base of presenters from a diverse group of federal and state organizations, even more than last year! All will be presenting their current programs as provide an overview of their expected future procurement programs. These organization combined will procure and support over $1B in current and future construction requirements in our region. If you attend only one event this year, this should be it. Look forward to seeing you in Jun!
