SAME SAN DIEGO POST STATEMENT AND ACTION ON COVID-19 VIRUS

In support of our national security, and as underscored in President Trump’s message to our nation and emergency declarations being made in communities across the United States, the SAME San Diego Post is joining the effort to contain the spread of COVID-19 or the Coronavirus. Our Post feels that it is currently best to cancel or postpone in-person gatherings for the time being.

With that said, the San Diego Post Board of Directors has made the decision to cancel the following events:

- Young Member St. Patrick’s Day Happy Hour on Wednesday, 18 March 2020.
- San Diego Post STEM Lunch on Wednesday, 08 April 2020.
- April Young Member Event on Wednesday, 15 April 2020.

Our Post representatives will be reaching out directly to guests who have registered for these events to issue credits or refunds. At the present, no further San Diego Post events have been cancelled.

The San Diego Post Golf Tournament, scheduled for Friday, 17 April 2020 has been postponed and will be rescheduled in a few months. All current registrations and sponsorships will be honored for the rescheduled date. If you are unable to attend the tournament on the rescheduled date, please contact us at the email address below and we will refund your registration.

SAME will continue to monitor the situation, and updates will be provided via email to our members, and on our website and social media sites.

The work that SAME members, partners, and stakeholders do is vital to our national security, and building relationships and trust through their interactions in our great Society is a critical part of how we do it. At the present time our focus needs to be on containing the spread of this virus in an effort to shorten its duration in our population. Reducing community spread and limiting in-person gatherings are unfortunately necessary approaches to take.

SAME is dedicated to the health and safety of all of our members and event participants, and we thank you for your understanding during these unprecedented circumstances and difficult times in order to help control and contain the spread of this virus.

- For information regarding Young Member Events, please contact Travis Pital [tpital@pacrimengineering.com].
- For information regarding the upcoming STEM Lunch, please contact Nick Oberts [Nick.oberts@gmail.com].
- For information regarding the golf tournament, please contact Sean Leffler [samesdgolf@gmail.com].

Thank you,

Phillip S. Rosenberg, PG, CEG, CHG, F.SAME
SAME San Diego Post President
