My Fellow Members,

As I reflect over the past four years of my tenure as Chair of the SAME College Outreach Committee (COC), I am humbled by the passion of our membership, from students through Fellows. SAME is sprinting towards our centennial with a determination to make the next 100 years as great as it’s first and its all because of our members. The 2020 Joint Engineering Training Conference (JETC) will be something to remember. Mark your calendars for 27-29 May 2020 in Washington, D.C., you won’t want to miss it!

The future of the SAME COC is bright. The COC has been busy over the past year compiling data to better communicate throughout the Society and provide resources to support our student members and foster relationships with academia. But there is always work to do and we will continue to need your assistance. Our Student Chapters and it’s members continue to support the 2020 Strategic Plan and mission of the Society, as you will see throughout this newsletter. I challenge you that if you’re not involved in a Student Chapter either as a student or Post member, get involved!

Finally, Maj. Seth Lorimer, USAF, will assume the duties as Chair, SAME COC at the 2018 JETC in May. I am confident that Maj. Lorimer will continue to support the 2020 Strategic Plan by strengthening relationships between SAME and academia. I’m honored to have served as Chair of the COC and want to thank each of you for supporting our mission and the Society.

Corey Weaver, P.E.
Chair, SAME COC

2017-18 College Outreach Committee Members:

Chair: ....................... Corey Weaver
Chair-Elect: ............... Maj. Seth Lorimer
