International Committee (IC)

John Cawthorne, Col USAF (ret)
Chair, International Committee
Sep 22, 2015
Mission

- Identify & promote international private-public and interagency engineering opportunities worldwide

- Encourage activities at international locations with robust DoD participation and opportunities for industry partners

- Participate with Government, industry & professional societies in forums that address international issues relevant to SAME and USG

- Serve as ombudsman for international SAME community in concert with the Regional Vice Presidents

2014-2015 Accomplishments

• Increased membership by 150% *(added 270 members... total >450)*
• Supported Hawaii Engineer Training Workshop, Oct 2014
• International Business Opportunities Webinar Series, Apr 2015
• Updated IC webpage and marketing material
• Hosted speakers monthly on current relevant topics, such as:
  – European Infrastructure Consolidation
  – CENTCOM Engineer Response to ISIL
  – Guantanamo Bay Facilities Program
  – Update on Camp Lemonnier, Djibouti
  – USMC Guam Relocation, FY10 – FY25
2015-2016 Goals

- Goal #1: Support Capacity Building Initiative Globally
  - Increase comms, spt & participation for overseas Post initiatives

- Goal #2: Support SAME Regional/National Conference Planning and Execution, Other Regional Initiatives
  - Europe Joint Engineer Training Symposium (EJETS):
    2016 – Frankfurt GE

- Goal #3: Expand Inter-Committee, Complementary Professional Organization and Government Interactions
  - Increase IC participation in other Committee/Council events, global engineering activities (e.g. WFEO, AAES IntAC)
2015-2016 Work Plan

Continue initiatives in achieving Goals
- Monthly IC Calls (with key invited speakers)
- TME Articles
- IBOW Webinar
- JETC, SBC, EJETS support with Tracks, Sessions, Speakers
- Collaborate with other Committees/Councils, outside agencies
- Other Initiatives
Summary

*International Collaboration* helps us transcend individual or national limits, and possibly create something greater than we imagine
