**Call To Order**

BOD Day was executed in accordance with the format approved at the August 2018 XC Meeting (Encl 1 & 2). Joe Schroedel presented an expanded and successful orientation of new BOD members which included a refresher for all board members. The formal BOD meeting began at 1230. A majority quorum of 2018-2019 voting Board members was established (see non-attendance list above). Marv reiterated that the driving force behind National operations is to provide value to members (SMs, IMs and Govt.). We want to establish and maintain National level programs that provide value to Post members without putting the burden on Posts to fund/execute.

**Standard Reports**

- **National Office**: Joe gave a brief update on the national office. He outlined the progress on phase I of the Centennial Celebration Plan (all milestones are completed or on target). He mentioned the importance of metrics as a function of the National Office and updated the board on partnerships, membership, and event
attendance metrics. He handed out the National Office Priorities for 2019-2020: Centennial Celebration, 2025 Strategic Plan, and Membership Experience (Encl 3).

- **Finance:** Will Hoffman briefed the board on the general financial health of the Society. The Society has a net asset reserves of 10 months which exceeds the industry benchmark of 6 months. We had our fourth successful audit. Revenue is still event-heavy. While it is healthy to have revenue from sources other than dues revenue, continued revenue diversification needs to be a priority. The Comprehensive Membership Review will be a factor in this diversification. The finance team has undergone a transition with Allison Ingram’s departure. Will Hoffman and Ekaterina Khoreva now make up the SAME Finance department with occasional temporary help from an outside finance temp. The investment portfolio is monitored quarterly by the investment committee. This Society’s investment committee also monitors the Foundation’s investments. Overall, performance is slightly below benchmark in a positive market, and exceeding benchmarks in a down market. We also have four current and active Posts with funds in our Foundation managed by the Investment Committee. Now that it is open to all Posts and testing is complete, we foresee more Posts placing funds with the Foundation.

- **Membership:** Jill Murphy briefed the board on the Comprehensive Membership Review. Posts can look forward to more streamlined membership reporting, enhanced communications, more user-friendly technology and more.

- **Centennial Commission:** Cindy Lincicome briefed the board on the progress of the Centennial Commission. As a part of the National Leadership Team, the Centennial Commissioner oversees coordination between the Centennial Task Force, the SAME Foundation, AOI, National Office and Board. Cindy gave an update for Phase II and III of the plan. It is extremely important that RVPs are engaged with their Post Centennial Coordinators as they plan Post events.

- **Academy of Fellows:** Buddy Barnes briefed the board on results of the 2018 AOF Action Plan. His team has accomplished most of the tasks taken on in May 2018. He also presented the new timeline for Fellow Nominations. Finally, he briefed the board on the selection of the Golden Eagle awardees. The Distinguished Fellows, led by Hal Rosen, are the selection committee for the award. In a later meeting at JETC, they agreed to pursue Gary Sinise as their first choice for the non-member award to be presented at 2020 JETC. Buddy is handing over the AOF Chair position to Vice President, Neal Wright.

- **Foundation:** John Mogge briefed the board on the progress of the Foundation. They will be conducting a fundraising campaign which will include several different types of giving (annual, corporate, planned). They have hired Impact Communications as a consultant in the process. The campaign will kick-off in June and finish through July. An RVP asked how he could alleviate Post fears that the Foundation was taking Post scholarship funds away from Posts. John once again explained the Foundation’s role in relation to Post funds and directed him to the web page which includes an updated presentation, the Post Funds Policy, and FAQs. He mentioned that he will have 5 board positions to fill by the end of this year. Interested members should contact Joe Schroedel.

- **RVPs:** Heather Wishart-Smith updated the board on action items from the Post Leader Workshop to include a request for “SAME 101” at Post Leaders. She mentioned that 83% of Post annual reports were submitted on time which means that the National Annual Report is the most comprehensive report the Society has had. She outlined some best practices and presented next steps which included: identifying Centennial POCs, Annual Report awareness, IGE clarity, Post Service medal revisions, use of the national calendar and the addition of the Awards & Recognition and Membership COIs under the National Leader over RVPs.

- **C&Cs:** Cindy Lincicome provided an overview of what COIs had accomplished over the year. She then presented a decision briefing to the board on COI governance which included two options for COI leadership: COA 1 added five strategic leads between COI Chairs and the National Leader overseeing COIs. COA 2 added a new National Leader to divide the scope of work for COIs. These options were generated by a board mandated work group, chaired by Cindy and Mark Handley, with guidance provided by the XC during 2019 Capital Week.
There was much discussion about both COAs with regard to the size of the board, the formation of the XC, and how additional positions would be filled. A final vote was conducted – results as follows:

COA 1: 17 Yes, 25 No
COA 2: 25 Yes, 16 No (one person refraining)

The adoption of COA 2 will require a Bylaws change and the addition of a new Vice President. The President will return to the nominating committee for Vice President to determine eligible candidates. If there was another candidate, the XC will vote in the new VP no later than the Post Leaders Meeting in August, in accordance with the Bylaws, Article VIII.1.b. If there was not, the XC will vote on a temporary VP until the next election cycle.

**Strategic Plan 2025**

Sal Ndjomian gave a presentation at the beginning of board day which outlined the progress of the 2025 Team and the timeline for future work. Later on, Charlie Perham presented the draft goals and the timeline for future work. Group leaders were identified and are providing notes and changes to Charlie for consideration and implementation. All board members should circulate the draft document and provide feedback to Charlie Perham, charlieperham@gmail.com.

**Consent Agenda**

- BOD Meeting Minutes Oct - approved
- XC Meeting Minutes Dec – approved
- XC Meeting Minutes Mar – approved
- Foundation Meeting Minutes Nov - approved
- Foundation Meeting Minutes Mar - approved
- Foundation Bylaws Change (Encl 5 - changed term limits to accommodate a staggered turnover as normal order is achieved) - approved
- COI Decision Brief – COA #2
- COI Draft Operations Manual (Encl 6 - must be updated to accommodate COI governance decision) – approved
- National Election Results – approved
- 2025 Strategic Goals & Objectives – final plan presented at November BOD Meeting
- Joe Schroedel presented a coin design for 2020. The board voted unanimously to produce the coin.

**Summary & Adjourn**

At the end of the meeting, Marv Fisher provided some remarks. He challenged board members to get to know each other and stressed that these board positions are really about relationships. Buddy Barnes, 2019-2020 President, also gave remarks. He mentioned that the nomenclature of our goals are irrelevant as they will soon be “Goals” in the 2025 Strategic Plan. He challenged the board to engage our Strategic Partners, government stakeholders at every level, and our sustaining member stakeholders. He stressed the importance of recognizing volunteers and defined his presidency as the “Sprint to the Start of the 2d Century.” The meeting adjourned at 1715 and board members made their way to the President’s Reception.

The Timeline

- February – Call for volunteers, team selection
- March – Senior mentor engagement, idea generation, mega-trend consideration, XC update
- April – Frame new Strategic Plan, team reviews, mission and vision review
- May – Share draft plan with BOD prior to JETC; working session during BOD
- June/July – Communities of Interest (COI) and Post feedback
- August – Post Leaders Workshop – utilize select attendees of PLW to formulate detailed tasks
- Sep/Oct – Finalize strategic plan incorporating new goals/objectives/tasks
- Nov – BOD approval and announce 2025 Strategic Plan at SBC
- Dec – Publicize plan in TME
Perspective

"We are establishing at this time a Society of American Military Engineers. This society will serve no selfish purpose. It is dedicated to patriotism and national security. Its objects are, in brief, to promote solidarity and co-operation between engineers in civil and military life, to disseminate technical knowledge bearing upon progress in the art of war and the application of engineering science thereto, and to preserve and maintain the best standards and traditions of the profession, all in the interests of patriotism and national security."

—The Military Engineer magazine, January 1920

The team started with shared beliefs that SAME is:
- A total volunteer organization
- One Society of vibrant posts supported by National
- The "Society of Choice" for young members, especially military members
- Striving to exceed expectations of sustaining and Individual members

Vision

- CURRENT 2020 Vision - "SAME is recognized as the multi-disciplined integrator of military, public, private, and academic national infrastructure-related capabilities to produce viable solutions for America’s national security."
- DRAFT 2025 Vision: "Serve as the foremost integrator for leadership development and national security infrastructure collaboration within the A/E/C profession"
Mission

- CURRENT 2020 SAME Mission - "SAME leads collaborative efforts to identify and resolve national security infrastructure-related challenges."
- DRAFT 2025 Mission: "SAME builds leaders and provides the platform for government and private industry to find solutions to national security infrastructure challenges."

Lines of Effort/Goals

- Enhancing Industry-Government Engagement
- Developing Leaders for the Nation
- Producing STEM Professionals for the Nation
- Preparing Veterans for the A/E/C Industry
- Strengthening the Resilience of our Communities

MORE LATER....
Welcome to the SAME National Board of Direction

Orientation Outcomes:
- Know and understand your role
- Know and understand the role of the national Board of Direction
- Have quick reference to enable effective execution of your role
- Properly integrate you into the BOD

References:

SAME Constitution and Bylaws: SAME is a non-profit organization and is incorporated as a 501 c (3). When we were constituted in 1920, the standard was to have both a constitution (statement of enduring purpose) and bylaws (operating rules). Current industry standards (such as our Foundation) require only bylaws. To preserve our original purpose, we fixed our constitution and keep bylaws current to meet Society governance needs.

Welcome Letter: Your welcome letter outlines several important aspects of your role on the BOD and the Society’s expectations of you. Most importantly, the letter outlines your legal liability and authority on the BOD.

SAME National Governance Summary: This is the single source of current documentation related to the governance and management of SAME. It is reviewed annually by the SC in August during the Post Leaders Workshop.

Associations NOW Board Brief (2017): This is a great reference to help you understand the role of boards in nonprofit organizations such as SAME.
"SAME is *One Society of Vibrant Posts* that are *Relevant Locally* and *Contribute to the National Direction.*"

The BOD … is accountable for:

- **setting** the National Direction (Strategic Plan),
- **enabling** National and Post success,
- **measuring progress** (IMPACT),
- **recognizing** our members for their volunteer contributions!
Primary Focus

Role of Commission: Part of the National Leadership Team; National Coordination of Centennial Activities

National Office: Overall Management of Centennial Celebration; Phase II (JETC 2020) planning and execution; further C&C role as extension of national office by involving C&C’s in centennial planning and execution

SAME Foundation: LDP Implementation (first graduation at JETC 2020); Foundation Fundraising Campaigns; Special events at JETC 2020 as desired

AOF: AOF Action Plan Implementation (Fellows focus now is to support posts); LDP Implementation; Reset Fellows Investiture to JETC in 2020; Special Fellows events at JETC 2020 as desired

Centennial TF: Dialogue w/ Post Centennial Coordinators – share Phase III plans among posts, keep leadership and members informed of centennial activities

Some Nuances

- National Governance Summary:
  - Governance vs Management: BOD Governs, National Office manages
  - Executive Committee (XC): Read the bylaws – some decisions vested in XC (eg. National office budget)
  - Fiduciary Responsibility: We all carry legal liability
  - Strategic Plan: We drive the organization with our 5 year plan
  - National Leadership recruiting and selection: We are all recruiters; we have disciplined process for selection
  - AOF Action Plan: We have redefined Fellows – still early in Implementation – get behind it
  - Committee and Council TF: Key initiative – defining additional capacity of national office (limit full time staff)
  - Comprehensive Membership Review: We need to get with the times – enhance the “Member Experience”

- BOD: XD Relationship: Professional BOD holds XD accountable
- National Leadership Team (Pres, Pres elect, Past Pres, VP’s, XD) Calendar Management: Bi weekly detailed process in national office
- National Office Management: Disciplined procedures; family climate; 3 reasons exists
- Stakeholder Management: Heavy external focus
- Communications ... Communications ... Communications: “Who else needs to know”; BOD is most informed – take the time to read: RealTIME; TME Columns; National Leadership memos
- Non Federal Entities (NFE): Value trumps the lawyers – don’t focus on lawyers
- Volunteer Recognition (Coins, Pres Coins, Awards): Good leaders say thanks in meaningful ways – we need to fix this once and for all
Summary

- Thanks for volunteering to serve on the national BOD and congratulations on your selection!
- You have a critical role to play as a BOD member – we are a professional society among professional societies in our industry ... SAME deserves a professionally oriented BOD.
- The National Office Team is here to serve the Society and you.
- We are almost ready to begin our next century of service to our nation, our profession – this will be an important year of final preparations to kick off our second century on 29 May 2020!!

SAME Centennial Celebration Plan
(May, 2018 to May, 2021)

OUTCOME: The overall expected outcome of SAME's 3 year long Centennial Celebration is to set the stage for and gain momentum going into SAME's second century of service to our nation.

PHASES:

PHASE I: The Run to 2020 and Beyond (May, 2018 - May, 2020): increase member participation in and enthusiasm for SAME by getting members involved in centennial activities at the post and national levels - ultimate result is long term active participation, especially at the post level, in SAME because of the positive experience with the centennial.

PHASE II: National Kick-Off Celebration (27-29 May 2020): at JETC 2020 in Washington, DC, formally signal the end of our first century and beginning of our second century; celebrate the important juncture in our history by conducting a memorable national Centennial Society Ball on 29 May 2020.

PHASE III: Post Celebrations (May 2020 - May 2021): focus on posts for the first year of our second century by highlighting post celebrations of what is important to them and their local stakeholders; use the 1919 Eisenhower convey as a virtual thread to tie post celebrations together nationally - simply to underscore SAME's and our military's contributions to our national infrastructure and to the development of our profession.

CONTEXT: To fully understand our history, our future and the importance the three year Centennial Celebration

... READ pages 1-5, 9, and 78-95 of the World War I Commemorative Edition of TIME!!
SAME Centennial Celebration Plan
Phase I: The Run to 2020 and Beyond (May, 2018 – May, 2020)

OUTCOME: Increase member participation by engaging members in important initiatives and activities that help SAME increase the value we offer as we enter our second century.

1. Planning and Coordination: Establish the national centennial planning team and finalize concept for all three phases (DONE; May 2018)
2. Centennial Logo: design logo; begin advertising; produce logo apparel; generate awareness and enthusiasm for the Centennial (DONE; Feb 2018)
3. National Governance and Management Review: Complete to clarify roles (DONE; Aug 2018)
4. Establish Leadership of Collaboration Role (2020 vision): Fully integrate the VA into the Small Business Conference; DSH next ... (DONE; Nov 2018)
5. Establish National Leadership Team participation in Post events: National Leadership Calendar refined and working (DONE; Jul 2018)
6. Develop and Implement the AOF Action Plan: to focus Fellows on supporting posts and sustain their active commitment to SAME (DONE; May 2018)
7. Publish WW1 Era TME Commemorative Edition: to help members and stakeholders understand our past, present and future as well as our Centennial Celebration (DONE; Nov 2018)
8. Complete the archival of all TIME’s: now electronically available to the public (DONE; Aug 2018)
9. Develop and Implement a National Leader Development Program: first program sponsored and underwritten by the SAME Foundation (DONE; Starts at JETC 2019)
10. Launch the SAME Foundation Fundraising campaigns:
11. Draft Strategic Plan 2015: draft will be presented to BOD in May 2019, vatted with posts; finalized at SRC 2019 in Dallas (WORKING; ON PLAN)
12. Complete a Comprehensive Membership Review: fix CLAS, make MEMBER EXPERIENCE WORLD CLASS ... (WORKING; ON PLAN)
13. Conduct special projects to enhance the Centennial: (Century Book) (WORKING; ON PLAN)
Individual Member Trends

- Increasing steadily as Smaller SMs (1-50 employees) transition to individual memberships
- Average of 90% of new IMs renew.

SAME Finance Update

- Financial Health:
  - 2018:
    - Successful budget execution despite market
    - Independent Audit: Completed (Mar); 4th Consecutive Year – “Unqualified Opinion”
    - Reserves: Over 10 months (standard: 6 months)
    - Investment Committee: Strong joint SAME and Foundation team; in transition
    - Revenue Diversity: event heavy
- Foundation:
  - Four Posts participating in Foundation Investment fund (restricted accounts)
  - Annual Fundraising Campaign set to launch in June
  - Foundation underwriting National LDP
- Centennial Budget:
  - XC authorized $250k in December, 2018
  - Century Book: XC approved expenditure of $85k (contract signed) plus $30k earmarked for publication
- Finance Staff Transition:
  - Allison's departed 1 March 2019 (3.5 years); potential to come back as treasurer
  - New Financial Management Team:
    - Will Hoffman and Ekaterina Khoreva
    - Temporary contract senior comptroller (up to one year; monthly close out, forecasting, etc.)
Member Experience

The interactions that members have with the society and how it makes them feel.

Managing the member experience is the purposeful design of their interactions to **meet the expectations of the member** = enhanced member focus.

This is a journey that encompasses all areas of the society.

Some of what we have already completed:
- Enhanced online member accounts
- Streamlined Post Rosters

What's in development:
- Home Post
- Enhanced Post information for members
- Enhanced Communities of Interest information for members
- New member welcome series
- Membership structure and dues review

Member Experience

**Other Areas of Evaluation/Consideration**
- Online join process
- Automated membership renewal for individual members
- Website
- Event registrations
- Mobile App
- Virtual Posts
- Online member communities
- IT and systems capabilities
- Professional development tracking
SAME Centennial Commission
and Coordination

Prima y Focus:
- Role of Commission: Part of the National Leadership Team; National Coordination of Centennial Activities
- National Office: Overall Management of Centennial Celebration; Phase II (JETC 2020) planning and execution; further C&C role as extension of national office by involving C&C’s in centennial planning and execution
- SAME Foundation: LDP Implementation (first graduation at JETC 2020); Foundation Fundraising Campaigns; Special events at JETC 2020 as desired
- AOF: AOF Action Plan Implementation (Fellow focus now is to support posts); LDP Implementation; Reset Fellow inventories to JETC in 2020; Special Fellow events at JETC 2020 as desired
- Centennial TF: Dialogue w/ Post Centennial Coordinators – share Phase III plans among posts, keep leadership and members informed of centennial activities
PHASE I – Run to 2020 (May, 2018 to May, 2020)

OUTCOME: Increase member participation by engaging members in important initiatives and activities that help SAME increase the value we offer as we enter our second century.

UNDERWAY & ON PLAN
- Launch the SAME Foundation Fundraising campaigns – Launch Date: June 1, 2019
- SAME Centennial website launches in April 2019 (https://www.same.org/sc100)
- Draft Strategic Plan 2025: draft will be presented to BOD in May 2019, vetted with posts; finalized at SBC 2019 in Dallas
- Complete a Comprehensive Membership Review: fix CLAS, make MEMBER EXPERIENCE WORLD CLASS

ADDITIONAL ACTIONS
- Services Historian Engagement – documenting and History channel coverage through Phase III
- Post Centennial Coordinator/CTF Liaison Workshop is scheduled for 8 May 2019 at JETC
- Developing a "Push Package" for the Posts, and Centennial items in SAME Store at SBC 2019
- Foundation Fund Raising Campaign - Evaluate methods to generate funds for Foundation at JETC 2020
- Academy of Fellows - Golden Eagle Nominations are due 15 April 2019
- Post Leaders Workshop

PHASE II: Centennial Kick-Off Celebration (27-29 May 2020, Washington, D.C.)

OUTCOME: Conduct a memorable, well-attended National Celebration of our first 100 years and officially kick off our second century.

UNDERWAY PLAN
- Special Centennial Coin; all Post flags present; volunteers come from all posts; Post Awards Lunch; robust training program
- Enhancements in the exhibit hall and throughout the venue depicting our history and our future.
- Involve participation of stakeholders and sustaining members to celebrate their achievements in the last 100 years
- Establish Joint Staff declaration that JETC is the premier annual joint and interagency training conference in the world; all COCOM engineers participate in Table Top Exercise and professional development training as does the right segment of industry
- First National Leader Development Program graduation hosted by the SAME Foundation
- Foundation Fund Raising Campaign
- Recognition of Past Presidents – get national VP there (VP was the president)
- Second Century Kick Off Ceremony (including beginning the reenactment of the Eisenhower Convoy)
- Special Fellows recognition and Investiture of Fellows moved to JETC – begins in 2020.
- Potential for special tours and opportunities for those who decide to use National Day week to spend time in our nation’s capitol; possibly a local post golf tournament
- Huge Gala Ball – theme – “Supporting our Veterans”; AOF is working early selection of someone of the stature for the 2020 Golden Eagle Award; tentatively – include GED at the Centennial Ball
PHASE II: Centennial Kick-Off Celebration (27-29 May 2020, Washington, D.C.)

OUTCOME: Conduct a memorable, well-attended National Celebration of our first 100 years and officially kick off our second century.

SPECIAL PROJECTS

- Develop Centennial Celebrations for other SAME National events will recognize the Centennial Celebration (June 2020 – May 2021), such as Small Business Conference, Capital Week, etc.
- Awards & Recognition COI to establish a one-time award program recognizing the top 1-3 Post celebrations held between June 2020 – May 2021.
- Determine how we will integrate OCONUS into the Phase II and Phase III activities
- Academy of Fellow evaluating if/how/when the AOF will celebrate AOF since 1972

PHASE III: Post Celebrations (May 2020 - May 2021)

OUTCOME: Use the SAME Centennial to celebrate one or more Post accomplishments and as a tool for assisting posts with membership involvement in SAME

UNDERWAY/ON PLAN

- Recognizing a lot of energy by the Posts. 45% of the Posts have identified a Post Centennial Coordinator and are already planning a variety of events. RSVPs engagement!!!
- Assigned a Centennial Task Force Leader to each Region and hosting a CTF/Post Centennial Coordinator Workshop – 8 May at JETC
- Celebrate a post level accomplishment or recurring event (that contributed to SAME) – involve partners (chapter/local level), community leaders, etc. Celebrate big events in the lives of stakeholder and partner organizations.
- Synchronize the virtual Eisenhower convoy with post celebrations – bring attention to “solutions, not problems” being brought to the nation by SAME and our profession (enhance collaboration at local level).
- Posts create public awareness of the importance of SAME locally through their events – positive messages about collaborating with local stakeholders to produce solutions to challenges – share results with the society through the Centennial Task Force.
- Track celebrations throughout year in TME and other Society News media.
- Capture post celebrations for inclusion in the SAME Century Book and other industry publications.
Centennial Vision

By November 2021 ...

... our Centennial Celebration has concluded ...

... our Century Book is published, capturing national and post celebrations, but more importantly providing a guide to the future ... based on our Strategic Plan ...

... SAME is more widely recognized as a leader of collaboration ...

... and our second century is off and running!!

Academy of Fellows

Buddy Barnes
2018 AOF Action Plan Results

- Item 1: Fellow Role – Service to Post
- Item 2: Selection Criteria – Added
  - ✓ Society Knowledge
  - ✓ What IMPACT did they make?
  - ✓ Passion & Commitment for the Future
  - ✓ 3 Phase evaluation
- Item 3: Selection Committee – AOF XC & RFPOCs
- Item 4: Revised AOF Operations Manual

Timeline for 2020 and beyond Fellow Nominations

- April webinar
- First Monday August: RFPOC submittal of nominees with packages @ 50%
- Last Monday in August complete draft of nomination to RFPOC
- Early September RFPOC complete reviews and send comments
- October 1 completed Nomination Packages for SAME Fellow due to SAME National Office
- October go/no go by RFPOCs
- November selection committee reviews and votes
- December Recommended Fellows presented to SAME President
- End of December results provided Nominees, Nominators and RFPOCs
- Investiture at JETC
Golden Eagle Selection

- Nominations by members of SAME
- Distinguished Fellows are the Selection Committee
- For 2020 the non-member selection has been accelerated to ensure time for notification of selectee
- For 2020 Golden Eagle (member) selection will be in accordance with the AOF Operations Manual selection calendar
Fundraising Pilot Update

Consideration given to different types of fundraising:
- Annual Fund (individuals; internal)
- Corporate Major Donors (corporate; initially external)
- Planned Giving (individuals; internal)

Realized need to develop “message”
- Internal providing message “test pad”

Decision to pursue Annual Fund with guidance from Impact Communications
- Society contract with Impact
- Entailed “educating” Impact about SAME and Foundation purposes
- Impact outlined process “steps” in context of “deliverables”
  - Introductory email from XD alerting all to coming letter
  - Letter from Board Chair/President with flyer and donation return card
  - Follow up emails and talking points

Fundraising Pilot - continued

Joint effort by Impact and Foundation to draft wording complete
- Art work design and production by national office underway
- Database management by national office
  - Admin for printing/mailing by national office

Intended audience: 12,000 +/- individual members
- Prior E&M Fund donors (900)
- Fellows (615)
- Life Members (1,270)
- Leadership throughout Society (580)
- Individual members 10+ years (4,350)
- Individual members 5-9 years (4,340)
- No redundancies

Kick-off in June; finish up through July
Stewarding Post Funds Summary

- 4 Posts participating: Houston, Northern VA and Narragansett Bay and Omaha. Total invested to date is $949K.
  - Houston: Contribution: $225K  31 Mar Balance: $223.7K
  - Northern VA: Contribution: $108.4K  31 Mar Balance: $111.7K
  - Narragansett Bay: Contribution: $39K  31 Mar Balance: $40.2K
  - Omaha Post: Contribution: $560K  31 Mar Balance: $566.1K

- Some other Posts starting to show interest. Omaha Post signed an agreement and transferred funds in early March 2019. Some other post inquiries – Orange County was one.

- Funds are managed by DiMeo Schneider, LLC and comprised of 32% Bond Funds, 30% Equity Funds, 28% Cash and 10% other. (Cash amount is to hedge risk with the bond market downturn and for careful entry into equity funds given that the market is at an all time high).

- Each participating Post gets a quarterly statement.
2019-2020 Inaugural LDP Class

- Ilana Almqvist, Coffman Engineers Inc. (Pacific Region)
- Holly Bigelow, P.E., Wood (Europe Region)
- Maj. Craig Bryant, USA, Fort Hood, Texas (TEXOMA Region)
- Maj. Mark DeSouza, P.E., USAR, Thomas & Hutton (Carolina Region)
- Angela Gomez, KOMAN Construction LLC (Southwest Region)
- Patricia Graham, EnSafe Inc. (New England Region)
- Lt. Mike Guayguia, P.E., CEC, USN, NAVFAC EURAFSWA (International Committee)
- Erin Krug, P.E., USACE St. Paul District (Great Lakes Region)
- Sean Lebel, P.E., AECOM (Mid-Atlantic Region)
- Lt. Cdr. Samuel Lee, P.E., CEC, USN, University of Washington (Northwest Region)
- Melissa Lewis, Scott AFB, IL (Missouri River Region)
- Capt. Brendan Maestas, USAF, Air Force Institute of Technology (Ohio Valley Region)
- Benjamin Nichols, Harkins Builders Inc. (North Atlantic Region)
- Zakary Payne, P.E., Matrix Design Group (Rocky Mountain Region)
- Claudia Penny, HCR Construction Inc. (South Atlantic Region)
- Jorge Rodriguez, P.E., M.S. Hatch Consulting (California Region)
- Mary Ruiz, Quaternary Resource Investigations (Lower Mississippi)
- Stephen Shattuck, formerly with LandMark Engineering and Land Planning Inc. (South Central Region)

LDP After JETC

- Assigned mentors will meet regularly with their participant, virtually or in-person.
- Monthly webinars lead by SAME volunteer instructors. Confirmed so far:
  - June: Team Performance, BG Holland, USACE
  - July: Leading Global Teams, MB Milhorn, USACE
  - August: Business Acumen, Speaker TBD
  - September: Time Management, Chris Collie
- Quarterly book assignments with discussions led by SAME volunteers
  o May/June: 21 Irrefutable Laws of Leadership
  o Aug/Sept/Oct: Good to Great
  o Nov/Dec/Jan: How to Win Friends and Influence People
  o Feb/Mar/Apr: Start with Why
- Regular Google Classroom Discussions led by Task Force Co-chair, Caroline Roberts

Centennial Update

- Tony Leketa, Foundation Board Rep to Centennial Commission
- Commission kickoff session at Capital Week
- 1st Meeting (telephonic) held 9 April 2019
- Looking for ways to leverage Foundation to support Centennial
- Seeking input to Centennial Planning from Foundation
- Discuss Centennial opportunities to support Foundation

Succession Planning Update

Three vacancies to fill at the end of the year

Col John Mogge (Board processes)
Lt Gen Van Antwerp
Mr. Roger Wozny
RVP Report

Heather Wishart-Smith

Action Items from Post Leader Workshop

- Develop RVP Training & Improve RVP Manual
  - RVP Logistics
  - "SAME 101"
- Improve the RVP Medal Process
  - Guidelines in RVP manual
  - RVP confirmation on form
  - Recipients in TME
- Sharing of Best Practices
83% annual reports submitted on time and 98/102 by April 15th - Most comprehensive annual report ever!

Best Practices

- Succession planning
  - Deputy RVP by beginning of 2nd year
  - Recruit national BOD members/officers and local Post leadership
- RVP medals and coins
  - Especially for those nominated for awards
- Support to troubled Posts
  - Early indicators, Post Engagement Dashboard
  - Engage national VP and national office
  - Post survey
  - Success stories & works in progress
- Streamlined & responsive/tailored member experience
Next Steps

- Centennial
  - Push for POCs
  - Clear understanding of Post role
- Annual Reports
  - Increase awareness
  - Coordinate annual report with streamer submissions
- Clarity on IGE
- Post Service Medal
  - Award 3, one for each size
  - Determine & clarify weighting of national contributions
  - Review whether national awards adequately cover overall contributions
  - Limit nominations to one per Post
- Use of national calendar
- Awards & Recognition and Membership COIs
Implementation of Governance Change –
  Extension of the National Office
  Provide Global Community of Interest
National Office Staff Liaison
Established Consistency
  Webinars
  Email Communications
  Surveys

Industry Government Engagement (IGE) Resilience

- COIs hosted over 15 webinars reaching over 500 technical professionals
- JECO Organized and hosted the 2018 Table Top Exercise on the New Madrid Seismic Zone at the 2018 JETC
- Facilitated the establishment of the Tri-Service Base Operations Support (BOS) Work Group
- COIs hosted over 15 webinars reaching over 500 technical professionals
INTERNATIONAL IMPACT

- Provided 10 virtual meetings to keep overseas members engaged and connected; focused topics on solving COCOM challenges
- Supported overseas Regional Vice Presidents, Posts and Field Chapters with $8000 in grants to improve membership and participation
- Supported the establishment of Field Chapters UK, Djibouti and Honduras
- Supported 8 international Field Chapters in Europe, Pacific, Africa and the Middle East

Developing Leaders for Profession

- LDP Went from concept to fully synchronized execution with support of the SAME Foundation in 1 year – selected the first class of 18.
- Developed and released a Young Member Engagement guide to help posts cultivate and grow their Young Member involvement
- Creation of the Virtual Student Chapter - conducted it’s first webinar for student members
Producing STEM Professional

- Received 556 application and accepted 285 campers ~ E&C STEM Camps
- New Spring Camp at - 29 Palms
- Added an E&C camp at Scott Air Force Base increasing number of student camp experiences
- Set foundation for the Navy Camp in 2019
- Creation of the Virtual Student Chapter - conducted it's first webinar for student members

Society Operations Committee

- Awards & Recognition Committee
- Membership Committee
Remaining relevant - Value to Membership

- Young Member Council – Young Member Military Engagement Task Force
- K-12 STEM Outreach Committee established with focus on the K-12 demographics an alignment with other STEM Committees
- Established Virtual Student Chapter
- Approved Enlisted Committee (Equities to all Service Members & recently established an award for schoolhouses)
- Leadership Development Program
- NEW ideas for the next year!

75

Committee & Council Work Group Decision Brief

Cindy Lincicome

"Of course we'll make a decision ... once we have considered the 5243 factors."
Overview

AGENDA
- Committee & Council Working Group (CCWG) Mission
- Mar 2019 XC Guidance
- May 2019 BOD Decision Brief

CCWG SCHEDULE
- Aug 2018: CCWG constituted after XC Governance and Management Review
- SEPT/OCT 2018: developed and evaluated over 11 Courses of Action (COAs)
- Nov 2018: Presented concept to the Committee & Council Chairs
- Dec 2018: Presented to the Executive Committee (XC)
- Mar 2019: Final recommendations presented to XC
- May 2019: Decision Brief to BOD
- Jun 2019: Phased implementation

Mission

- Review SAME bylaws and current state of 17 SAME Committees & Councils
- Align Committees & Councils to the SAME Strategic Plan.
- Clarify purpose, understanding and organization of Committees & Councils.
- Ensure Committee & Council deliverables to support the National Office and Posts are clear.
- Produce an Operations Manual for Committees & Councils

SAME National Committees & Councils have two basic functions:

- Serve as technical extension of the National Office for program development and management (financial and reputational risk management, camp management, call for presentation; webinar development, award and recognition).
- Provide avenue to global community of interest for members.
**XC Guidance**

- Agreed with CCWG Schedule.
- Intent:
  - Energize Committees & Councils in support of the National Strategic Plan and Posts
  - Expand collaboration and unity of effort across Committees & Councils
  - Be specific about Committees & Council deliverables – increase accountability
- Approved the name change to *Community of Interest (COI)* for both committees and councils.
- Approved concept of aligning individual COI's with specific lines of effort (enhances opportunity vertical collaboration among COI's within that line of effort).
- Approved alignment of Awards and Recognition and Membership COIs under National Leader (RVP).
- Directed that COI chairs remain BOD members.
- Directed that unity of command (responsiveness of COI's to national volunteer leadership) be maintained.
- Present two courses of action to the BOD for final decision (with analysis).
- CCWG terminated after BOD Decision.

---

Achieved through Operations Manual.

Recommendation: COA 1 – Add 5 Strategic Leads
2025 Strategic Plan Discussion

Sal Nodjomian & Charlie Perham
Lines of Effort/Goals....BREAKOUT!

1. Enhancing Industry-Government Engagement
2. Developing Leaders for the Nation
3. Producing STEM Professionals for the Nation
4. Preparing Veterans for the A/E/C Industry
5. Strengthening the Resilience of our Communities

Enhancing Industry Government Engagement

As the cornerstone on which the Society was founded, SAME will lead efforts to foster communication and collaboration among military, public, private, academic, and professional A/E/C organizations to identify issues and achieve common goals in support of National Security.
Enhancing Industry Government Engagement

1. Develop and execute SAME IGE Plan producing viable solutions that enhance industry/government collaboration and add value to joint efforts improving America’s infrastructure.
2. Develop key Strategic Partnerships for each goal
   a) Establish contacts at the Post, Region, and National levels to enhance vertical collaboration.
3. Develop a portfolio of SAME professional publications of high-quality content that inform, educate, enlighten, and reinforce our culture of service.

Enhancing Industry Government Engagement

4. Ensure Communities of Interest are serving Posts, Regions, and National entities as subject matter experts in their professional disciplines.
5. Lead efforts to promote inclusion of SAME membership, diverse professional disciplines, small, medium and large companies, Strategic Partners, and federal, state and local public agencies at the Post, Region, and National levels through meetings, workshops and conferences to promote SAME goals and objectives.
   a) At the National Level: JETC, SBC, FMW
   b) At the Post and Regional Level: identify local touchpoints to key stakeholders within local, state, and federal government entities to determine service opportunities.
Develop Leaders for the Nation

OBJECTIVES

Integrate investments in leadership development to produce engineer leaders for the nation.

1. Execute LDP and ensure its long-term viability.
2. Establish a SAME involvement pyramid, highlighting potential growth and leadership opportunities for engaged members
   a) Develop integrated membership system for seamless lifecycle record keeping
   b) Build pathways to reap returns on investments that build sense of duty
   c) Establish what "ready engineer leaders" look like and communicate qualifications across A/E/C communities
   d) Adopt "green pages" or similar personal briefing record
   e) Develop avenues for Fellows to remain engaged in leadership development of SAME members
Develop Leaders for the Nation

3. Align and integrate Society and Foundation leadership investment
   a) By 2021, create "Leader Production for the Nation" Plan to align leader development investment initiatives
   b) By 2022, draft value proposition of SAME to target demographic groups (enlisted, officer, academics, students) and codify associated programs in applicable by-laws, corporate structure
   c) Establish and integrate leader development targets in STEM Pipeline from K-12, Construction Camps, College Outreach and Young Members and transitions

Develop Leaders for the Nation

4. Know and invest intentionally in leader-producing institutions and critical masses of military engineers.
   a) By 2022, formalize SAME relationship and engagement strategy with military service academies, primary engineer commissioning institutions, and military engineer basic courses.
   b) By 2022, establish engagements within JEOC and Military Engineer Continuing Education Courses, and at all Military Engineer Graduation Ceremonies
   c) Support leader development at SAME Construction CAMPs
   d) Invest in strong SAME leader development platforms at high concentration areas (San Antonio, Wright-Patt, CGSC, Al Udeid AB, Pentagon, etc).
Develop Leaders for the Nation

5. Grow academic professional membership.
   a) Create opportunities to transfer knowledge and invest in national security infrastructure-related leading academic institutions
      I. Explore opportunities such as: peer reviewed section of TME; refereed academic track at national conferences; conference publication of abstracts/articles; feature research highlights on SAME.org; support to research grants to solve national security infrastructure-related challenges.
   b) Implement NAE’s Grand Challenges for Engineering for the 21st Century competition

Produce STEM Professionals for the Nation

OBJECTIVES

Develop our nation’s future STEM professionals and grow prospective members of the Society through STEM outreach efforts, scholarships, and engagement of College Student Chapters.
Produce STEM Professionals for the Nation

1. Become a recognized national leader in STEM initiatives at the primary and secondary school.
   a) Develop tools to track effectiveness of STEM outreach at the Post and National levels.*
2. Foster Post- and National-sponsored STEM-based camps or programs.
3. Enhance scholarship program for camps, collegiate students, and other local, STEM-relevant events.
   a) Align students with mentors to enhance learning and long-term commitment to SAME

Prepare Transitioning Veterans for the A/E/C Industry, Commerce, and Academia

**OBJECTIVES**

*Expand networking opportunities for transitioning veterans to provide a platform that promotes credentialing and translates skills in a manner that connects to needs of the industry and nation.*
Prepare Transitioning Veterans for the A/E/C Industry, Commerce, and Academia

1. Create a platform of network opportunities for transitioning veterans across the A/E/C industry.
2. Provide the full spectrum of credentialing for licensed professionals, skilled labor certifications and other A/E/C supporting qualifications to transitioning veterans.
4. Establish mentoring events for transitioning veterans connecting the A/E/C industry opportunities, leadership development and Fellows involvement.
5. Sponsor or co-host events with Trade Labor Unions to grow prospective members in the A/E/C industry.
6. Develop and offer a platform for A/E/C industry support talent to network in the areas of business, logistics, real estate, other

Build and Strengthen Resilient Communities

OBJECTIVES

Lead public and private sector collaboration to build and sustain communities to mitigate the impacts of natural or man-made threats.
Produce STEM Professionals for the Nation

1. Leverage local, regional and national partnerships to provide education and training to stakeholders with regards to infrastructure risks and mitigation strategies.
2. Leverage the multidisciplinary nature of our membership to develop and implement new and existing technologies across the 16 DHS defined critical infrastructure sectors.
3. Provide a platform at the local, regional and national level for cybersecurity awareness, challenges and solutions to address infrastructure resilience.
4. Continue leading collaboration on joint response strategies to natural or man-made threats at the local, regional and national level.

A Rich Legacy of Leadership and Service to America...

"I have been a member of this Society since its inception....I have belonged to many distinguished groups but none in which I have a greater sense of honor than in the Society of American Military Engineers."

"General of the Army Douglas MacArthur - 1956"
Everybody loves the king, baby!

"Must be Charlie's influence that the goals can be spelled out by the acronym ELVIS."

President’s Closing Remarks
OATH OF OFFICE

Please raise your right hand and repeat after me the oath of office. In the presence of honored guests and members here assembled - I, (state your name), do so solemnly promise and pledge - that I will faithfully and honestly discharge the duties of my position to the best of my knowledge and ability to serve our Society Members, Posts, Regions, National Entities and the National Security of our Nation.

THANK YOU & KEEP UP THE GOOD WORK!

SAME National Office
Teams of Teams

2019 National Office Priorities to Support Strategic Plan 2020:

FOCUS ... Centennial planning and execution ... refine existing efforts ... set the conditions for Phase II and III of our Centennial celebration in 2020 and 2021 ... establish positive momentum of next century.

1. Sustain Support to Posts and Volunteer Leaders: (sustain: PLW model; Post support training webinars; institutionalize the AOF Action Plan; fix awards and recognition; assist post organization operational efficiency; establish model for student chapters — finish GMU test; post STEM camps; refine: best practice system, NFE education and advocacy, expand IC Grant Program; systems support for posts and complete implementation of C&C Work Group and Society Governance and Management Review; build SM retention plan; fix CLAS and post membership accounting; refine membership versus post operations focus of national office).

2. Manage Centennial Planning: (establish close working relationship with Centennial TF; enhance member participation by generating enthusiasm at national, post and external levels; lead partners to participate and celebrate their achievements to change public image of our profession and celebrate partner and SAME accomplishments; refine JETCo; invest in this unique opportunity).

3. Strengthen the Industry-Government Engagement Plan Impact: (build on CBO Round Table success — identify leading issues and add value: expand Post Issues workshops, educating stakeholders; expand impact of SAME Perspectives; expand congressional participation in Capital Week; expand lead role in Tri-Services and interagency FMW efforts; establish post in Australia to support force movements to Darwin; plan for ECW and IC support; continue to grow TRA and Joint Engineer COCOM support).

4. Support the Development of Strategic Plan 2025: (IMPACT focused plan: establish clear focus to enable participation; set higher standard for objectives, metrics and streamlines; institutionalize C&C’s as extensions of the National Office in support of the Staff Plan; institutionalize Governance and Management Review: set high standard for post involvement and input so they see themselves as the plan and can develop local plans that generate vibrant posts).

5. Enhance Communications and Marketing effectiveness - expand our brand: (targeted messaging: leverage centennial; Podcasts. Real TIME: complete post web sites; society news in TIME; leverage social media, implement affiliate partnerships. centennial book and art).

6. Diversify Revenue: (nurture SM management; strengthen stakeholder management; expand advertising and marketing beyond traditional sources; implement effective marketing materials; evaluate event pricing, complete membership review: leverage centennial; refine SBC).

7. Grow the Foundation financially and its IMPACT: (implement the LDP program support: generate momentum for the Fundraising Campaign: leverage AOF and Society leadership support: educate posts: implement succession planning).

This effort picks up where the 2020 Strategic Plan left off and will launch SAME forward into the next decade. We strove to maintain alignment with the original vision of SAME:

“We are establishing at this time a Society of American Military Engineers. This society will serve no selfish purpose. It is dedicated to patriotism and national security. Its objects are, in brief, to promote solidarity and cooperation between engineers in civil and military life, to disseminate technical knowledge bearing upon progress in the art of war and the application of engineering science thereto, and to preserve and maintain the best standards and traditions of the profession, all in the interests of patriotism and national security.” —The Military Engineer magazine, January 1920

Framing our effort ... we believe:

SAME is:

1. A total volunteer organization
2. One Society of vibrant posts supported by National
3. The “Society of Choice” for young members, especially military members
4. Striving to exceed expectations of sustaining and individual members

We are on track with the timeline briefed at the XC during Capitol Week.
February – Call for volunteers, team selection
March – Senior mentor engagement, idea generation, mega-trend consideration, XC update
April – Frame new Strategic Plan, team reviews, mission and vision review
May – Share draft plan with BOD prior to JETC; seek feedback and have working session during BOD
June/July – Committee, Council and Post feedback (ask posts to confirm that the draft goals and objectives cover their interests and their/stakeholder local needs)
August – Post Leaders Workshop – Utilize select attendees of PLW to formulate detailed tasks (appropriate to Posts) that support established Goals and Objectives
Sep/Oct – Finalize strategic plan incorporating new goals/objectives/tasks
Nov – Announce 2025 Strategic Plan at SBC
Dec – Publicize plan in TME

The team accomplished 3 primary tasks:
1. Reviewed and modified SAME Vision and Mission statements
2. Reviewed and modified Lines of Effort (goals)
3. Proposed initial Objectives for each goal

SAME Vision and Mission
Through multiple telecons, the team arrived at the below proposed new statements.

Vision
2020 Vision - “SAME is recognized as the multi-disciplined integrator of military, public, private, and academic national infrastructure-related capabilities to produce viable solutions for America’s national security.”
DRAFT 2025 Vision: “Serve as the foremost integrator for leadership development and national security infrastructure collaboration within the A/E/C profession”.

Mission
Current SAME Mission - “SAME leads collaborative efforts to identify and resolve national security infrastructure-related challenges.”
DRAFT 2025 Mission: “SAME builds leaders and provides the platform for government and private industry to find solutions to national security infrastructure challenges.”

Line of Effort/Goals
Following the vision and mission efforts, the team focused on the lines of effort that have evolved for the Society since 2015. We broke the team into working groups to focus on each of the lines of effort with the desire to transform each line of effort into a Goal that has specific Objectives. The Tasks (that support the Objectives) will be developed at the Post Leader’s Workshop (PLW) and directly connect the 2025 Strategic Plan to the posts. Key in this effort is the alignment of awards and recognition to the lines of effort, driving post behavior towards the tasks, goals and objectives. (changes take effect with publication of the plan)

- Enhancing Industry-Government Engagement
- Developing Leaders for the Nation
- Producing STEM Professionals for the Nation
- Preparing Veterans for the A/E/C Industry
- Strengthening the Resilience of our Communities

Below is the Draft Goal and associated Objectives from each of the groups (more work is required).

GOAL 1: Enhance Industry-Government Engagement. (Kathy Stewart*, Pat Coullahan, Kathy Off)
As the cornerstone on which the Society was founded, SAME will lead efforts to foster communication and collaboration among military, public, private, academic, and professional A/E/C organizations to identify issues and achieve common goals in support of National Security.

1. The SAME Industry-Government Engagement Plan effectively produces viable solutions that enhance industry/government collaboration and add value to joint efforts to improve America’s infrastructure. Establish local recognition of the role of SAME among all levels of government, industry, academic and business interests.
2. Develop key Strategic Partnerships for each goal, delivering outcomes by identifying focus areas, challenges and opportunities to arrive at solutions that partnering will achieve. Establish contacts at the Post, Region, and National levels to enhance vertical collaboration.
3. Develop a portfolio of SAME professional publications of high-quality content that informs, educates, enlightens, and reinforces our culture of service. Maintain an up-to-date central location for Industry-Government Engagement efforts, tools, documentation and results on the SAME website.

4. SAME National Communities of interest are serving Posts, Regions, and National Entities as subject matter experts in their professional disciplines to enhance industry, government, and academic collaboration, professional development, and support industry-government engagement at every level.

5. SAME leads efforts to promote inclusion of SAME membership, diverse professional disciplines, small, medium and large companies, Strategic Partners, and federal, state and local public agencies at the Post, Region, and National levels through meetings, workshops and conferences to promote SAME goals and objectives. At the National Level:
   - The Joint Engineer Training Conference is recognized by the Joint Staff as the premier joint national training event for all federal, military, civilian and private sector engineers across the A/E/C industry and related professional societies, and by veteran support non-federal entities as the nation’s annual celebration of support to veteran engineers. The conference will host the annual Table Top Exercise to support resilience, combatant commands, and warfighting.
   - The Small Business Conference is recognized by industry and government as the primary Federal Small Business Conference serving the A/E/C industry and hosting the annual CEO Roundtable for government and business leader collaboration.
   - The Facilities Management Workshop is recognized by industry and government as the premier training event for the professional development of federal installation managers, hosting the Base Operating System workshop for government and business leader collaboration.

At the Post and Regional Level: Posts have identified local touchpoints to key stakeholders within local, state, and federal government entities to determine how the Post can serve those entities. Posts and Regions will conduct Industry-Government Engagement Workshops with key stakeholders to identify issues, collaborate on solutions, and document progress. Categories can include but are not limited to:

- Policy/Law
- Capacity (skilled labor)
- Business Practice
- Capability (professional expertise, technology)
- Warfighting
- Resilience

**Goal 2: Develop Leaders for the Nation** — Seth Lorimer*, Matt Altman, Steve Tupper, Scott Griffin

*Integrate investments in leadership development to produce engineer leaders for the nation*

1. Execute Leader Development Program and ensure its long-term viability.
2. Establish a SAME involvement pyramid, highlighting potential growth and leadership opportunities for engaged members at all levels.
   a) Integrated membership system for seamless lifecycle record keeping of experience, investment and supporting through transitions.
   b) Build pathways to reap returns on investments (scholarships, stipends, Fellow designations) that build sense of duty
   c) Defined Standard/Goal/End state of what ready engine leaders look like and how to communicate qualifications across A/E/C communities (gov civ, officer, enlisted, industry)
d) Adopt “green pages” or similar personal briefing record and leverage an existing sharing platform—LinkedIn; provides access to the leader pool

e) Develop avenues for Fellows to remain engaged in leadership development of SAME members

3. Align and Integrate society and foundation leadership investment
   a) By 2021, create “Leader Production for the Nation” Plan to align leader development investment initiatives
   b) By 2022, draft value proposition of SAME to target demographic groups (enlisted, officer, academics, students) and codify associated programs in applicable by-laws, corporate structure
   c) Establish and integrate leader development targets in STEM Pipeline from K-12, Construction Camps, College Outreach and Young Members and transitions

4. Know and Invest intentionally in leader-producing institutions and critical masses of military engineers.
   a) By 2022, formalize SAME relationship and engagement strategy with military service academies, primary engineering commissioning institutions, and military engineer basic courses.
   b) By 2022, establish engagements within JEOC and Military Engineer Continuing Education Courses, and at all Military Engineer Graduation Ceremonies
   c) Support leader development at SAME Construction CAMPS
   d) Invest in strong SAME leader development platforms at high concentration areas (San Antonio, Wright-Patt, CGSC, Al Udeid AB, Pentagon, etc).

5. Grow academic professional membership.
   a) Create opportunities to transfer knowledge and invest in national security infrastructure-related leading academic institutions
      i. Explore opportunities such as: peer reviewed section of TME; refereed academic track at national conferences; conference publication of abstracts/articles; feature research highlights on SAME.org; support to research grants to solve national security infrastructure-related challenges.
   b) Implement NAE’s Grand Challenges for Engineering for the 21st Century competition

Goal 3: Produce STEM Professionals for the Nation (Bobbi Lang, Lisa Thoole, Jeff Davis)
Develop our nation’s future stem professionals and grow prospective members of the Society through STEM outreach efforts, scholarships, and engagement of College Student Chapters.

1. Become a recognized national leader in STEM initiatives at the primary and secondary school levels by developing active partnerships with locally relevant organizations focused on excitement and interest in the professions.
   a. Develop tools to track effectiveness of STEM outreach at the Post and National levels.
      (WE NEED TO DETERMINE IF THESE TOOLS HAVE BEEN DEVELOPED AND IF SO, WHERE WE CAN GAIN ACCESS TO THEM).

2. Foster Post- and National- sponsored STEM-based camps or programs.

3. Enhance our scholarship program for camps, collegiate students, and other local, STEM-relevant events. Establish well-defined and measurable outcomes to ensure good stewardship of the scholarship funds
   a. When feasible align students with mentors to enhance learning and long-term commitment to SAME

For goal 3 ... IDEAS / SUGGESTIONS / ITEMS TO REVISIT

1. Virtual STEM Chapters
2. Student Outreach and Sharing – meaning a successful team can share their experiences with other schools within their community or outside their community
3. Consider objective surrounding student chapters. They exist, however activity and support varies widely.

Expand networking opportunities for transitioning veterans to provide a platform that promotes credentialing and translates skills in a manner that connects to needs of the industry and nation.

1. SAME recognized as a leader creating a platform of network opportunities for transitioning veterans across the A/E/C industry. (similar to: Wounded Warrior Fair, Job Fair)
2. SAME provides the full spectrum of credentialing for licensed professionals, skilled labor certifications and other A/E/C supporting qualifications to transitioning veterans.
3. SAME Posts sponsor the credentialing of a veteran leveraging local or Foundation funds.
4. Establish and offer a mentoring event for transitioning veterans connecting the A/E/C industry opportunities, leadership development and Fellows involvement.
5. Sponsor or co-host an event with Trade Labor Unions to grow prospective members in the A/E/C industry from transitioning veterans.
6. Develop and offer a platform for A/E/C industry support talent to network in the areas of business, logistics, real estate or other skills in concert with veterans’ transition.

Goal 5: Build & Strengthen Resilient Communities (NK Mbaya*, Steve Pranger, Scott Grainger, Kathy Off)

Lead public and private sector collaboration to build and sustain communities to mitigate the impacts of natural or man-made threats

1. Leverage local, regional and national partnerships to provide education and training to stakeholders with regards to infrastructure risks and mitigation strategies.
2. Leverage the multidisciplinary nature of our membership to develop and implement new and existing technologies across the 16 DHS defined critical infrastructure sectors.
3. Provide a platform at the local, regional and national level for cybersecurity awareness, challenges and solutions to address infrastructure resilience.
4. Continue leading collaboration on joint response strategies to natural or man-made threats at the local, regional and national level.
2.1.4 **Term of Directors.** Directors of the Foundation Board shall serve three (3) year terms. Terms shall be staggered. Directors may serve two (2) consecutive three (3) year terms.

3.1.1.2 **Term.** The President shall serve a three (3) year term and may be elected to serve additional terms.

3.1.2.2 **Term.** The Vice President shall serve a three (3) year term and may be elected to serve additional terms.

3.1.3.2 **Term.** The Secretary shall serve a three (3) year term and may be elected to serve additional terms.

3.1.4.2 **Term.** The Treasurer shall serve a three (3) year term and may be elected to serve additional terms.
DRAFT OPERATIONS MANUAL FOR COMMUNITY OF INTEREST (COI) & TASK FORCE LEADERSHIP

As of: April 11, 2019

PURPOSE

The purpose of this Operations Manual is to provide SAME Communities of Interest (COIs) with SAME Board of Direction guidance and standards for operations and support. COIs are one of the National Entities that serve SAME Regions, Posts and Members. The SAME National Entities include the National Board of Direction and Executive Committee, the National Office, the SAME Foundation and the Academy of Fellows. Their collective purpose is to:

- Support Regions, Posts and Members
- Support the National Direction (Strategic Plan)
- Enhance SAME’s National Reputation

The unique and vital role of SAME COIs is two-fold: first, serve as an extension of the National Office capabilities by leveraging member technical expertise to assist in developing best in class programs; and second, provide individual members with avenues to develop their professional interests and expertise by leveraging SAME’s role in the global community of interest.

REFERENCES *(many of these pages and documents will be updated after the BOD meeting)*

- Current SAME COI List: https://www.same.org/Committees-Councils
- COI Templates: https://www.same.org/Document-Exchange
DEFINITIONS

- **Community of Interest (COI)** is defined as a segment of SAME membership that shares a common interest or discipline within the A/E/C industry. Affiliation with COIs is voluntary and can be declared in one’s membership record without regard for demographic alignment. A COI must be chartered by the Board of Direction to promote the Strategic Plan and National Direction of SAME. COIs may begin as a Task Force or a sub-group of an existing COI to determine viability.

- **Steering Committee (SC)** is the governing body of a COI with members and roles defined in the COI charter. Steering Committees will constitute the leadership and operational force for the COI. The COI Chair will lead the Steering Committee and be a member of the National Board of Direction.

- **Task Forces (TF)**. The Board of Direction can form a TF for any purpose with a Chair, mission and timeframe. A TF may evolve to become a COI but requires Board approval.

---

**Community of Interest**

- **Enrollment includes anyone from the membership, or guests, interested in that particular topic.**

- **Steering Committee**

  - **The group of individuals tasked with the governance and programming of the Community of Interest. Defined in the COI charter.**

- **Subgroups**

  - **Extensions of the Steering Committee and created as needed to subdivide the work of the community of interest. May or may not be defined in the charter.**
### National Organization & Authority

**ROLES & RESPONSIBILITIES**

- **National Leader.** There are two elected National Leaders who oversee COIs - either a Vice President or the President-Elect, based on the National President’s direction in May (beginning of governance cycle). The National Leader (RVPs) provides oversight for Operational Committees whose primary function is to support Post Operations (Membership, Awards & Recognition). The National Leader (COIs) will oversee the remaining COIs. These leaders provide the following functions:
  - Provide oversight and direction
  - Assist with succession planning and governance
  - Monitor work plan accountability

- **COI Chair.** The COI Chair is appointed by the National President at the recommendation of the National Leader providing oversight, in collaboration with the other members of the COI Steering Committee. The Chair normally serves a 2 year term, but may request in writing to the National Leader to be extended an additional year (up to 4 years total). A best practice is to groom a Vice Chair to become Chair, and keep the departing Chair as Immediate Past Chair to help with continuity. This would be a four year commitment in total. The COI Chair is responsible for the following:
  - Serve on the Board of Direction as a representative of the COI
  - Recruit active COI members and lead the COI Steering Committee (maximize participation)
  - Maintain a current Charter
  - Ultimately responsible for work plan accountability and Steering Committee tasks
  - Serve as a subject matter expert within the COI and Society

- **National Office Liaison.** Each COI will be assigned a National Office Liaison to assist with national requirements. The Executive Director will make every attempt to match COIs with the appropriate staff
member, based on their alignment with the Strategic Plan. The National Office Liaison will be a member of the COI Steering Committee. Duties of the liaison include:

- Sending e-mail blasts to COI members (not drafting the e-mail)
- Updating web pages at the direction of the COI Chair
- Coordinating with internal staff at the direction of the COI Chair
- Communicating COI financial and resourcing needs to National Office Leadership for budget consideration
- Setting up conference call numbers (not leading COI meeting calls)
- Sharing templates for Annual Work Plans, etc... (not filling them out)
- Assisting with leadership transitions and interpreting the National Direction

- **Steering Committee (SC).** Collectively, the SC, led by the COI Chair, must be formed according to the needs of the COI. The SC establishes operations and battle rhythm to fulfill the purpose of the COI. The SC is responsible for communication to members and teamwork among SAME National Entities which is essential to maximizing positive Strategic Plan progress and efficiency of day to day coordination.

**OPERATIONS**

- **Annual Work Plan.** The Annual Work Plan will be presented to the Board of Direction at the May meeting. The National Leader providing oversight will collect Work Plans for review prior to the board meeting. The plan will outline specific actions that the COI will take to support the Strategic Plan, a timeline for those actions, any resource requirements, and the *impact* the action will have and how it will be measured.

- **Strategic Relationships.** COIs are responsible for maintaining strategic relationships with key stakeholders to include established Strategic Partners and relevant Government Agencies. COIs may recommend organizations for Strategic Partnership with SAME, but should not be discouraged from collaboration with unofficial partners.

- **Semi-Annual Report.** The Semi-Annual Report will be presented to the National Leader providing oversight before the Fall Board of Direction Meeting. The COI will report progress against the Annual Work Plan.

- **Webinars.** COIs will host one webinar per quarter with an emphasis on professional development and the impact the COI has on the Strategic Plan as it relates to the COI Annual Work Plan.

- **Communications.** COIs are responsible for communicating their impact and needs to their community, general SAME members, Posts and Regions with the help of their National Office Liaison.

  - Regular SC meetings will occur on a monthly basis with call information listed on the COI web page. SC meetings are open to the whole COI, but will be focused on operations. In-person meetings are conducted at National Conferences (JETC and SBC).

  - Calls for Volunteers should be open to all COI members and include a short job description and time commitment.

  - Regular communication to COI members in the form of an e-mail blast and/or newsletter will occur on a bi-monthly or quarterly basis. This communication should be an update on any Industry-Government Engagement, Strategic Partner activities, impact the COI has made to the Annual Work Plan, upcoming professional development opportunities, COI recognition, etc....

  - COIs will conduct regular communication to members at large via established National Office mediums such as RealTIME e-newsletter (monthly), The Military Engineer (TME) Magazine (quarterly), and coordinated marketing efforts with the SAME National marketing team (as needed).
• Post Leaders Workshop is a great place to showcase COI and Post/Region collaboration. It provides an opportunity for COIs to market themselves to Posts and help Posts to succeed in their support of the National Direction.
• COIs are responsible for ensuring that their web page is up-to-date and providing any changes to the National Staff Liaison.

• Program Support. COIs may be called upon to communicate calls for presentations to their membership and to review abstracts that have been submitted. Regions and Posts may also call upon COIs as subject matter experts to recommend speakers and participants for Industry Government Engagement (IGE) Workshops.

• Awards & Recognition. COIs may be called upon to review streamer and award submissions at the National level. They are responsible for submitting members of their Steering Committee for recognition at the Joint Engineer Training Conference (JETC) on an annual basis. COIs will always be looking for opportunities to recognize members of the community that support the Annual Plan. Members will be recognized in communications and through the award nomination process.

• Financial Reporting. Any COI provided with financial support from the SAME National Office, or otherwise engaged in raising funds to support COI functions shall provide annual detailed accounting information to the National Leader and to the Society’s Director of Finance. Specific requirements will be provided by the SAME Director of Finance.

GOVERNANCE CYCLE

| May       | Board Meeting (JETC) - Board Changes/SC Changes, Annual Work Plan, SC recognition |
| June      | Secure Webinars for the year |
| July      | Prepare for Post Leaders Workshop (PLW) |
| August    | PLW |
| September | |
| October   | Prepare Semi-Annual Report |
| November  | Board Meeting (SBC) |
| December  | Begin Succession Planning, XC Meeting – Budget Approval |
| January   | |
| February  | |
| March     | Capital Week (XC Meeting) |
| April     | Prepare Annual Work Plan |
PROCEDURES & TEMPLATES. COIs with established practices may discuss any procedures with their staff liaison to ensure that the focus is on outcome and not process. Templates will be housed on the SAME document exchange: https://www.same.org/document-exchange.

Task Force – National Leader Development Program

Status: On plan.

Strategic Line of Effort: Developing Engineering Leadership for the Nation

Final Report
<Insert final report details once available for Task Forces only>

Purpose or Context
Working with support from the SAME Foundation, the National Leader Development Program (LDP) will identify and cultivate leadership from within the SAME membership. Through this program, SAME fills a vital training gap within the industry, delivers value to SAME members and Posts and ensures strong leadership for the future of the nation.

Objectives

1. Develop and foster the next generation of world class military, government civilian and industry leaders for the Society and our nation in support of the SAME Strategic Plan.
2. Understand individual strengths and how to apply these strengths to achieve success.
3. Understand team concepts including roles, responsibilities, accountability, and groups.
4. Develop leadership skills through training, assignments, service project, and opportunities.

Deliverables

1. Curriculum
2. Eligibility criteria & application process
3. Communication plan
4. After Action Report for Class of 2020

Key Dates

Application and Call for Instructors Opens October 31, 2018
Application Closes December 21, 2018
Curriculum Instructors Selected March 1, 2019
Primary selections names March 1, 2019
Alternate selections named April 1, 2019
Initial Cohort Meets at JETC May 7-9, 2019
Monthly Calendar of PD Webinars May 2019-April 2020
Initial Cohort Graduates at JETC May 27-29, 2020

Official Steering Committee Members

18 5-21-19
Co-Chair: LTC (R) Mike Darrow, Appointed Board Director
Co-Chair: Caroline Roberts, Appointed Board Director
Foundation Liaison: Angie Goral, Foundation Board Member
SAME Staff Liaison: Eddie Gonzalez, STEM Program Manager
YMC Liaison: Lisa Theole, YMC Chair

Meeting Frequency
Co-chairs will schedule conference calls bi-weekly with face to face meetings in conjunction with National Events.

Communication
Communications via Telephone and Email will be the primary mode for sharing information, issuing guidance, and obtaining updates on status.

The Co-Chairs will schedule and conduct meetings bi-weekly that will be conducted via teleconference until project completion. These meeting will be used to assess progress towards completion of the work product and meeting the milestone schedule.

Face to face meetings will take place in conjunction with SAME National Events - Capitol Week, JETC, PLW, and the SBC.

The members will participate in regularly scheduled meetings. Members will arrange to have appropriate representation during said meetings when he or she is unable to attend.

Members are encouraged to communicate with the Subject Matter Experts who are not specifically identified Task Force members to assist them in the preparation of their work product.

Dial in info for conferences: XXXX
Dial in #: XXXX
Conference Room: XXXX
Leader PIN: XXXX

Task Force Term
The Task Force will be re-evaluated after the graduation of the first class (JETC 2020) for possible transition to committee status.
APPENDIX B – Annual Work Plan & Example

Annual Work Plans will be specific and include the following information:

  - What will the COI be doing and how will it support the Strategic Plan?
  - Who is taking the lead on the action? Who are the other COIs that might want or need to collaborate? Who are the Strategic Partners that should be included?
  - When is this action taking place – is there a timeline?
  - Where is the action taking place – Post level, National level, virtually?
  - Why are we doing this – what is the desired impact at every level?
- 2 Hs: How x 2
  - How will this action be resourced? Is there a financial requirement?
  - How will impact and success be measured?
- 1-2 actions (one slide per action)
- Should be submitted to National Leader late April (actual deadlines will be determined and shared by National Leader).
- Progress and success should be shared via regular forms of communication for the COI.
- Subsequent Work Plans should include outcomes of previous actions.

---

Resilience COI Annual Work Plan 2019-2020

<table>
<thead>
<tr>
<th>Building Resilient Communities &amp; Enhancing IGE</th>
<th>The Resilience COI will partner with ICC on ANCR to produce a standard for resilient communities.</th>
</tr>
</thead>
<tbody>
<tr>
<td>What</td>
<td>ANCR is a project spearheaded by the International Code Council to provide benchmarks for communities to be resilient. SAME will support this effort through collaboration and subject matter experts in the A/E/C fields.</td>
</tr>
<tr>
<td>Who</td>
<td>The COI Chair will personally oversee this action, assisted by all members of the Steering Committee. Other COIs may be asked to assist with specific community benchmarks. ICC will be the primary partner involved.</td>
</tr>
<tr>
<td>When</td>
<td>This will be a multi-year endeavor….timeline to be provided in Nov.</td>
</tr>
<tr>
<td>Where</td>
<td>This action will primarily be accomplished virtually at the National level.</td>
</tr>
<tr>
<td>Why</td>
<td>The final product will be a tool for Posts to build their own resilient communities. This action will support Posts, support the National Direction, and also enhance SAME’s national reputation.</td>
</tr>
<tr>
<td>How – Resourcing</td>
<td>There are no resourcing requirements at this time.</td>
</tr>
<tr>
<td>How – Metrics</td>
<td>This action will be complete and successful when ANCR is complete and published for local use.</td>
</tr>
<tr>
<td>Building Resilient Communities &amp; Enhancing IGE</td>
<td>The Resilience COI will begin a sub-group – Planners – to assist with community benchmark project.</td>
</tr>
<tr>
<td>-----------------------------------------------</td>
<td>--------------------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td>What</td>
<td>Planners are a subgroup of SAME Membership that is under-represented and utilized to support the Strategic Plan. The COI believes that the skills they have would be a great asset to the Resilience COI and to the ANCR effort.</td>
</tr>
<tr>
<td>Who</td>
<td>Vice Chair ______ will serve as the POC for this action.</td>
</tr>
<tr>
<td>When</td>
<td>Nov 2019: demographic research completeMay 2020: sub-group formed with (COI internal) charter</td>
</tr>
<tr>
<td>Where</td>
<td>This is a National level, virtual action.</td>
</tr>
<tr>
<td>Why</td>
<td>Planner skill-set will be an asset to “Building Resilient Communities” LOE. Adding a segment of A/E/C industry at every level (Post, Region, National) will also “Enhance IGE” and increase participation. Planners specifically act as liaisons between public and private communities.</td>
</tr>
<tr>
<td>How – Resourcing</td>
<td>This action may require assistance from National Office to research membership demographics.</td>
</tr>
<tr>
<td>How - Metrics</td>
<td>If the Work Group is formed with active volunteers as leaders, the action will be deemed successful.</td>
</tr>
</tbody>
</table>
APPENDIX C – Semi-Annual Report & Example

Semi-Annual Reports will specifically address progress towards the Annual Work Plan presented the previous May:

- What progress has been made? If none, why not?
- Is the COI on target for any timelines or deadlines?
- Were resourcing requirements sufficient to the action?
- One slide per action.
- Should be submitted to National Leader mid-October (actual deadlines will be determined and shared by National Leader).

</tbody>
</table>
APPENDIX D - Webinars

Webinars should be planned well in advance to provide sufficient time for marketing and National Office Staff support.

- COIs will complete the on-line request form: http://www.same.org/Become-Involved/Committees-Councils/Community-of-Interest-Webinar-Request-Form
- Incomplete forms will not be honored.
- Webinars should be discussed with National Staff Liaisons prior to completing form.
- COIs will conduct 4 webinars per year (joint COI webinars are encouraged).
- Webinars should not take the place of Steering Committee monthly meetings.
- Webinars should provide professional development opportunities and/or be related to the COI Annual Work Plan.
- Staff Liaisons will do the following:
  - Update the COI web page with webinar information.
  - Coordinate with Registrar.
  - Add to the National Calendar on-line.
  - Send e-mail blasts to target demographics to market the webinar.
  - Update the web page after the webinar with PDH certificates & recordings.
- Webinar POC should ensure he/she is familiar with GoTo Meeting and should conduct a trial run prior to the webinar date.

Example Communication:

Education Opportunity presented by the SAME Joint Engineering Contingency Operations (JECO) Committee
https://www.same.org/jeco

Webinar: Task Force Essayons - Wednesday, 28 November, 1300 EST (1300 - 1315: JECO Committee Business) Click here for agenda.

COL Corey M. Spencer, USA, will focus on the establishment of Task Force Essayons and the services they provided as they teamed with the Regional Contracting Command for ARCENT and the Combined Joint Task Force. Colonel Corey M. Spencer is currently the Deputy Commander for the North Atlantic Division, U.S. Army Corps of Engineers, located at Fort Hamilton, New York. Prior to his current assignment, he served as the Commander of Task Force Essayons, of the Transatlantic Division, at Camp Arifjan, Kuwait. Colonel Spencer also spent time as the Director, Assistant Chief of Staff Engineering, U.S. Army Pacific, Fort Shafter, Hawaii and prior to that Mobility Branch Chief, Full Dimension Protection Division, Army G8. COL Spencer also commanded the 62nd Engineer Battalion, 36th Engineer Brigade Fort Hood.

APPENDIX F – Communications

It is extremely important to ensure that communications are regular, consistent, and provide value.

- E-mail is reserved for internal COI communication or targeted audiences.
  - Blast e-mails are for marketing purposes, newsletters, or regularly scheduled communications. National Staff Liaisons should send all blast e-mails.
  - Content for e-mails should not be created by National Staff Liaisons, although they can provide input.
  - “Call for Volunteer” e-mails will always include a job description and time commitment for open positions.
- RealTiME is SAME’s e-newsletter. There is limited space in RealTiME, so information in this newsletter should be directed elsewhere for more detailed information. Information in RealTiME will be coordinated by the National Staff Liaison and Director of Communications.
- Bricks & Clicks blog is a great way to share updates, event previews and professional development opportunities: https://www.same.org/blogs/ submission.
- The Military Engineer (TME) magazine is an excellent medium to share information with the global community of interest. Articles should be submitted according to directions on the TME website: https://www.same.org/Online-Forms/TME-Submission-Form.
- Take photos whenever possible – they make your communications come to life!
- Conference Calls (same information for webinars)
  - National Staff Liaisons will share login information for GoTo Meeting.
  - National Staff Liaisons will train COI Chairs and any other Steering Committee members on the GoTo Meeting platform.
  - COI Steering Committee Members are responsible for starting all COI meetings and webinars using GoTo Meeting.
  - If COI Chair cannot be present for a scheduled call or webinar, the COI Chair is responsible for tasking another volunteer member of the Steering Committee to fill in. The National Staff Liaison will not lead calls or webinars.
- The COI Steering Committee is responsible for ensuring that all information displayed on the COI web page is current and correct. The National Staff Liaison will make any necessary adjustments and can advise the COI on best practices.
