LOCAL OPPORTUNITIES...GLOBALLY

With more than 100 Posts and Field Chapters located across the world, SAME offers Sustaining Members the opportunity to connect with decision-makers where you have offices. These local relationships help government and industry identify pressing needs and develop viable solutions directly where they can have an impact. Collaboration between many SAME Posts also gives Sustaining Members the chance to build relationships across larger regional networks. Whether your business takes you to Guam, Germany, Greater Kansas City, or the Great Basin, SAME Posts are there—just as they have been since 1920.
