

Rock Island Post

Scholarship Criteria

Applicants interested in consideration for a scholarship award should complete the application forms and submit them by regular mail. Applications must include **all** items identified on the application in order to be considered. Applications must be postmarked by **March 31, 2023**.

The following criteria are in order of importance to our selection board.

Mandatory Criteria:

- Candidate must be a United States Citizen
- Geographical Area of Consideration are High Schools within the SAME - Rock Island Post (**approximately 100 mile radius of Rock Island, Illinois**).
- Graduating High School Senior or member of the University of Iowa SAME Student Post during the subsequent or preceding semester
- Acceptance or current enrollment at an accredited engineering or science college (4 year)
- Registration at the college as an engineering or science student
- Completion of engineering prep and/or math and science curriculum
- Cumulative High School or collegiate grade point average of at least 3.2 on a 4.0 scale (4.0 on a 5.0 scale; other grade scales will be adjusted proportionally).

Preferred Criteria (graded):

- Superior academic performance - comparison of grades, courses, and class ranking (10 points)
- Affiliation with Engineering Professional Groups (10 points)
- Part time work, preferably with Engineering Firms/Construction (5 points)
- Active in community leadership/service (10 points)
- Active in sports and extra curricular activities (10 Points)
- Participation in science and engineering fairs/activities/extra learning/related College Classes (10 Points)
- ACT/SAT Score (5 points)
- Honor society membership (5 points)
- Special achievement awards (5 points)
- Membership in the Society of American Military Engineers. (5 points)
- Membership in JROTC/ROTC Unit (5 points)

Notes:

1. *The judges are looking for students with well-developed backgrounds in all areas: academic achievement, community involvement, and work activities.* In the selection process a point will be awarded for each organization membership per semester, part-time job (per year), and community or school activity.
2. Time should be taken on the application to carefully list all memberships and dates of the membership. Be sure to list all school and community activities by semester (high school term) for full credit. Feel free to attach an additional sheet if room is needed.
