**Non-voting / did not attend**

**Virtual Format**
The BOD meeting was conducted virtually. GoToMeeting was the platform used with a few points of emphasis to make the BOD meeting as effective as possible. The following points all contributed significantly to the BOD being conducted smoothly, effectively and on schedule:

1. members were given specific instructions on how to alert the speaker that they had a question or comment. Once recognized by the President or speaker they could turn on their camera so they could be seen and heard by all BOD members;

2. despite the fact that members were given the opportunity to review each item on the Consent Agenda prior to the BOD Meeting (minutes, etc are distributed after meetings are conducted), members were asked in advance to confirm their consent via Survey Monkey. They indicated their consent/no consent and discussion points in the survey. All but four BOD members submitted survey input. Those items for which consent (unanimous) was not confirmed were appropriately removed from the consent agenda and discussed.

3. members were asked to provide comments and an "initial vote" on the main decisions for the BOD meeting as a way of soliciting any final discussion points on the Program.

These practices have proven to be successful for BOD meeting preparation, length, and effectiveness. A quorum was established of 2020-2021 board members which remained constant throughout the meeting (many members left and came back for various reasons). See the presentation in the document exchange.

**Call To Order**
Heather Wishart-Smith called the meeting to order at 1235. She thanked those that are leaving the board this year and welcomed those who are joining the board.

**Standard Reports**
- **Executive Director:** Joe gave an update to National Office business and operations. He commended the President and President-Elect for their seamless transfer. He also announced that the Navy would host the virtual camp this year (breaking news 30 min prior to the meeting). Two campers coming from the Marshall Foundation.

Financially, we are doing well. Expect to receive our sixth unqualified opinion audit. 1st QTR is in a positive balance. Centennial Commission is on plan and under budget. The contracts for the new Enterprise Management System (EMS) were signed on 1 March, 2021. Relocation of the National Office was completed in September, 2020 (on plan, under budget). With two failed attempts for the sale of the Century House, there are still plenty of interested buyers. Joe mentioned the “Home Fund” for sale proceeds – a separate fund to finance national office rent, etc.....to ensure that SAME always has a “home.” Will honor previous donors to the Century House as well.

SBC will be hybrid. There will be a decision made very soon using the outlined decision criteria. The National Gathering Guidance will be revised to tell Posts to follow local guidelines, mitigate risks and inform National (not ask permission).

Joe introduced new senior staff – Rob Biedermann who will develop the “National IGE Plan.”

The comprehensive Membership Review is underway. The new XC and then a Special BOD will take place by mid-June to improve the governance and management of SAME and better serve members and stakeholders.
Joe reminded new board members to complete their “New BOD Member On-line Orientation Training.”

- **Centennial Commission**: Cindy Lincicome gave the final report of the Centennial Commission. The commission was under budget – remaining funds will be transferred back to the National Office. Cindy reflected on accomplishments from the previous three years which include establishing a new governance model, 13 different impactful initiatives, Posts proactively engaging with National Leaders and National entities are supporting Posts. We adapted and executed a virtual 2020 JETC in less than 60 days. Not as many Post celebrations during COVID, but many being scheduled again now. Cindy recognized all the subgroups that have assisted with the Centennial and Century Book.

  The Century Book will capture our history and set the stage for the future. Book is going to press around May 15, 2021; will ship early/mid-June. Individual sales were at 200 at the time of the meeting.

  Suggestions were made for Posts to give the book out as speaker gifts. Additionally, several members were looking forward to getting them signed by friends (similar to a yearbook).

- **Academy of Fellows**: Mark Handley gave an update on AOF activities.
  - Investiture on 12 May 2021. Plan to keep virtual Happy Hour for future classes and engage the class leader.
  - Centennial Golden Eagles dinner will by hybrid – hopefully in Fall 2021.
  - 4 new Distinguished Fellows: Suzanne DiGeronimo, Dave Nash, Roger Wozny, Gary Engle
  - Sensitivity analysis will be conducted at one year to make changes if necessary.
  - Ops Manual will be updated by May 2021
  - Class of 2022 nomination process begins on June 9, 2021.

- **Foundation**: Hal Rosen briefed the board on the progress of the Foundation. The Foundation is healthy. Assets are approximately 1.5M, up 600K from the original donation from the Society. Foundation managing 2M in scholarship funds from Posts. Compelling purpose remains – “Fostering Engineering Leadership for the Nation.” The strategic plan of the Foundation is the strategic plan of the Society. Fundraising is major effort with dedicated volunteers, to include one volunteer with 40 years experience with fundraising. Working on planned giving campaign and will be moving shortly into a Second Century campaign.

- **Strategic Plan Alignment**: Buddy gave an updated on the initiative which began last year. Two areas were examined: regional structure and COI alignment. Bob Keyser led the effort on regional structure. Neal Wright and Charlie Perham led the effort for COIs. This effort will ensure that our Society is focused on the 2025 Strategic Plan.

- **RVPs**: Bob Keyser briefed the BOD on the regional realignment. The intent was to reduce geographic spread and balance span of control and identify commonalities across Posts. The realignment will be instituted on January 1, 2022. We have been tracking Post viability and trying to determine which Posts should continue and whether or not to standup Field Chapters. Potential closures include NY Capitol District, Ft. Drum, Illini, and Southern Nevada. Posts to be downgraded to Field Chapter include Delmarva, Ft. Campbell, Detroit, El Paso, Southern Arizona, and Inland Empire. Decisions needed to close Mississippi Gulf Coast and Ft. Hood. The pandemic acted as a catalyst and really just hastened the demise of Posts that were already struggling.
  - **DECISION**: Mississippi Gulf Coast Post will be deactivated.
  - **DECISION**: Ft. Hood Post will be deactivated.
  - **DECISION**: Approved CA incoming RVP – Mike Herman (was not included on original slate due to a miscommunication).

  Bob also briefed the BOD on the efforts of the Membership COI and other areas under his supervision. They are working with leadership on membership structure and continuing their work on diversity and inclusion. The awards program is seeing limited nominations. He believes it needs review and recommended some attention be given to it.

- **COIs**: Neal Wright began with a report on “Human Capital” COIs. Charlie Perham reported on “Technical” or “IGE” COIs.
  - Substantial progress since Nov. 2020.
  - Credentialing has moved under Young Professionals.
  - Rob Biedermann hire will provide value to COIs.
  - Succession planning is a focus.
Recommend Health Engineering TF remain as Task Force – not quite ready for COI.

- Vision for COIs is that they are an extension of SAME knowledge base and resources for individuals and Posts.
- COIs have mandate to set expectations and success metrics.
- 2021 Action Plans must focus on value and impact.
- Neal summarized areas where different Human Capital COIs are providing value and impact in alignment with our Strategic Plan. Charlie Perham summarized areas where IGE COIs provided value and impact.
- Charlie’s challenge to COIs – “Find the Value, Be the Value.” COIs should help members find value and provide opportunities to be the value. All COIs are trending in right direction.

- **Elected Directors:** Heather gave an update on projects and activities being done by our Elected Directors. Please see slides for specific details for each director.
- **KLDC:** Matt Altman gave a report on KLDC activities. Completed initiatives include a KLDC webpage, webinar, evaluation of the National Leadership Nomination process, and volunteer job board. On-going efforts include codifying engagement and follow-through into SAME processes and procedures, targeting graduating positions for follow-on assignments, formalizing annual KLP engagement plan, and looking for opportunities to engage the Diversity & Inclusion Working Group.

**Diversity, Equity & Inclusion Working Group (DEIWG) Report:** Mike Huffstetler gave an update on the work of the DEIWG. 6 paths forward have been identified:

- Commit and cascade
- Create publicly announced diversity goals for leadership roles and membership diversification
- Link D&I to membership growth strategy
- Craft an initiative portfolio
- Mentoring & training
- Partner with other organizations with similar DEI initiatives.

The group has made a lot of progress to include JETC CFP submissions, events, primers and toolkits for Posts, surveys, and development of future action plans. The group has changed their name to the “Diversity, Equity and Inclusion Working Group (DEIWG)” to better reflect the totality of diversity, equity and inclusion – which is also consistent with other organizations. The President-Elect, Mark Handley, has asked Heather Wishart-Smith (as Past President), to oversee the work of the DEIWG. The working group will more than likely become a permanent sub-committee of the Membership COI. They should be an influencer across the Society. The BOD did not vote on DEIWG recommendations, but supports the continued efforts of the group. This will be one of the initiatives of Mark Handley (as President) as well. Mark suggested re-reading the results of the survey that the group presented in the fall. The survey will be annual in order to measure growth.

**Consent Agenda**

- XC Meeting Minutes (Aug 20) – approved
- XC Meeting Minutes (Dec - Budget) - approved
- XC Meeting Minutes (14 Apr 20) - approved
- BOD Meeting Minutes (Nov 20) – approved
- Foundation Meeting Minutes (Nov 20) - approved
- Foundation Meeting Minutes (Jan 21) - approved
- 2021-2022 Board of Direction & Executive Committee - approved
- 2021 National Election Results - approved

**Summary & Adjourn:**

At the end of the meeting, Heather provided remarks. She mentioned the membership review that will be kept at the XC level until it is ready to be brought forward to the BOD. The intent is to better serve our members and improve the governance and management of SAME in accordance with the recommendations of the focus groups. Now is the time to do this with our new EMS. It will align us with the industry standard and decrease our dependence on events. Our dues do not cover the cost of being a member. In closing, Heather thanked the BOD for their work. The KLDC exceeded expectations and is a long-term investment. She appreciated the work of the
Strategic Plan Alignment Initiative and the Elected Directors. She is looking forward to carrying out the initiatives of our new President (2021-2022). She recognized outgoing board members who were all sent certificates of recognition. She also welcomed the incoming BOD members. Every incoming member received personal outreach and encouragement – this is one of our responsibilities of the BOD.

Mark Handley provided remarks and expectations as he takes over at 2021 JETC. He thanked Heather, the National Leadership Team (NLT), BOD, and the National Office. NLT assignments are as follows:

- Cindy Lincicome: governance, IGE identification & processes, human capital COIs
- Sharon Krock: RVPs, Post governance, Awards & Recognition, and Membership
- Rad Delaney: IGE COIs, Strategic Partners
- Charlie Perham: AOF
- Heather Wishart-Smith: DEIWG

Primary initiatives are to support IGE through thought leadership (engage our COIs), develop SAME National Action Plan for DEIWG, and continue the great work of the KLDC, incorporating DEIWG input.

The meeting ended with toasts (in lieu of the President’s Reception). The meeting adjourned at 1450 hrs.

Call to Order & President’s Opening Remarks

Heather Wishart-Smith
Executive Director Update

Joe Schroedel
SAME Executive Director

Financial Update:
- 2020: Closed with positive net balance... Staff intact... paid bonuses... successful pivot!
- 2020 Audit: Final report pending; tentative unqualified opinion
- 2021:
  - 1st QTR positive balance
  - Investments all meeting or exceeding Investment Policy Guidance (IPG) benchmarks

Major Ongoing Staff Actions:
- Centennial:
  - Commission support ($250,000.00): On plan; under budget
  - Centennial Ball: JETC 2022 [here’s hoping]
- Enterprise Management System (NET $1 million): Long overdue effort to develop an integrated enterprise system including overhaul of member database, website, develop a SAME APP and more. Contracts signed 1 March; EDC: March 2022
- Relocation of the National Office: Completed Sept 2020 (on plan and under budget)
- Sale of the Century House:
  - Two failed attempts (Alexandria City issues)
  - Several interested (commercial and residential)
  - "Home Fund": sale proceeds ($1.8m - 2.0m) will be put in separate fund to finance national office rent, etc.

National Office Current Status
Virtual Hybrid In Person

Here were the stats from the Cap Week Survey:

- 38%: I am so ready to attend an SAME event in-person that I would go no matter who, what, where, when, or how.
- 40%: I will only attend SBC in -person if government is also in -person
- 9%: If the in-person event is focused solely on private industry networking (i.e. no government is at the in-person component), I would attend if finding teaming partners is important to me.
- 13%: I will not attend any conferences in -person until I am confident that almost everyone is vaccinated.

Decision Criteria (decision in June):

- Local Regulations on Gatherings
- Number of COVID cases and trends nationally, in the event location and in places where large number of attendees originate (Nov?)
- Vaccine distribution/trends
- Ability to distance during event (room layouts, multiple entrances, etc)
- Protocols in place at event facility (cleaning, disinfection, ventilation)
- Audience desire and readiness for an in-person event
- SAME reputation (ability to adapt, be resilient, and find solutions — if in-person is doable — then do what we can to move forward)
- Success of SAME Post in-person events and events hosted by other industry organizations

National Gathering Guidance (Nov ’20) will be revised: follow local guidelines, mitigate risks, inform national (not ask permission)
• Taking IGE (Strategic Plan Goal #1) to the next level
  • IGE Program Management – new senior staff position – Rob Biedermann
  • "National IGE Plan"

• Membership Review– A Comprehensive approach – New XC Meeting then Special BOD Meeting by Mid June
  • Enable us to better serve our members and stakeholders!
  • Improve the governance and management of SAME IAW BOD Focus Group Recommendations:
    – Membership Focus: Establish a Membership Review Procedures Guide for regular reviews of our membership to support governance and management decisions (e.g. “What do we want our membership to be and how do we get it there?”... more engaged?).
    – Member Management:
      » Simplify our overly complicated membership and dues structure – make it easier to be a member.
      » Adopt the standard of one member record per individual to support the development Enterprise Management System (EMS).
    – Financial Management:
      » Reduce the current risk of being overly dependent on non-dues revenue and establish a predictable process for dues related decisions.
      » Modify dues now to manage the financial risk of structure changes and better align dues with the value we provide.
    – Governance: Amend our bylaws to align them with recommended BOD Focus Group decisions and current practices.

Reminder: New BOD Member On-Line Orientation Training

- Substantial progress since November 2020 to address shortcomings
- Moved Credentialing COI under Young Professionals COI
- SAME hired Rob Biedermann to provide program support for COIs

Dedicated to National Security Since 1920
Succession planning and execution for 2021-2022
- Human Capital COIs
  - 4 of COI’s have new Chairs: Camps, Enlisted, K-12 STEM, Young Professionals
  - College Outreach and LDP future change over
- Technical COIs
  - Only leadership change is Resilience COI
  - 6 changing in 2022 (Architectural, E&S, Env, FAM, Int’l, JECO, SB)
  - Recommend Health Engineering continue as Task Force – progress but not COI-level yet

- VP’s Goal: Focus COI support for the SAME 2025 Strategic Plan
  - Vision: COIs are an extension of SAME knowledge base and resources
  - Mandate to the COI’s: set expectations and success metrics
  - COI 2021 Action Plans must focus on Value and Impact
  - Incoming President’s Guidance will refine and harmonize efforts

In preparation for this BOD meeting, VPs asked COI Chairs 3 questions:
- Where does your COI add value to help accomplish SAME’s Strategic Plan?
- Where are you providing our membership with value?
- How will your Action Plans and Objectives make an Impact going forward?

Responses demonstrated Vision and Strong Leadership by Chairs. Examples:
- Young Professionals:
  - Added Value/Strategic Plan opportunities to practice leadership, mentoring events, credentialing
  - Membership Value: professional development webinars, networking, credentials
  - Impact: vice chairs are empowered, engage YPs at all SAME levels, collaborate with College Outreach COI to transition Student Members to YP members.
- Camps:
  - Added Value/Strategic Plan: SAME’s future is our youth and Camps are the pathway
  - Membership Value: opportunities for member participation
  - Impact: offer more seats and new camps to serve more students and SAME members

Dedicated to National Security Since 1920
Responses demonstrated Vision and Strong Leadership by Chairs. Examples: (Continued)

- K-12 STEM:
  - Added Value/Strategic Plan supports Goal 4 with strategic partner collaboration- we are the “Go-to” organization for STEM
  - Membership Value- monthly webinars for information and inspiration. SAME is making a difference!
  - Impact- Action Plan pushes information and support resources to posts to increase local programs

- College Outreach:
  - Added Value/Strategic Plan Supports STEM pipeline and transition to YP membership in SAME
  - Membership Value- provide posts with content and ideas to engage student members
  - Impact- focused on expanding support and opportunities, sharing best practices to serve our student member population and posts.

- Health Engineering TF:
  - Grown membership to 48 members
  - Monthly meetings and quarterly webinars
  - Facilities Asset Management Workshop includes a HE Task Force track

Environmental Growth
Growing the COI to Post Liaison network and connections to other COIs (Resilience and Energy/Sustainability).
Continuing to develop and move out Webinars
Strong contribution to Environmental track at JETC

Facility Asset Management:
- Built new team (still need communications chair)
- Focused on making FMW a success (HE Task Force and incorporation of horizontal assets)
- Marketing pilot

**Bottom Line** - COIs are helping members find value and providing opportunities to provide value. President’s guidance will further align and calibrate COIs to meet SAME’s Strategic Plan goals and future vision.

Thank you to outgoing COI chairs!

Key Leadership Development Commission

Matt Altman, Appointed Director

KLDC Purpose

- 2025 SAME Strategic Plan
  - Goal 3: Develop Leaders For The Profession
    - “Execute leader development programs at the post, regional, and national levels and ensure their longterm viability.”
    - “Promote a structured mentoring continuum, highlighting growth and leadership opportunities for members at all levels.”
- Key Leadership Development Commission formed in May 2020 to:
  - Increase size and diversity of SAME Key Leader Position (KLP) candidates
  - Ensure consistent pipeline of interested, qualified candidates for SAME KLPs
  - Help members navigate their SAME “career” by gaining and applying a diverse set of experiences
  - Demystify KLP requirements, expectations, and selection process

Bottom Line: SAME has incredible leadership opportunities beyond the Post level.
SAME has amazing volunteer leaders. We just need to connect them!

Progress Update

- Completed initiatives:
  - Created Key Leadership Position (KLP) infographics
  - Built KLDC webpage with pertinent information for prospective leaders
  - Engaged SAME leaders through Leadership Opportunities Webinar (100+ attendees), COI meetings, and recurring Post President/COI Chair calls
    - Promising 2020 National Leadership nomination results!!
  - Evaluated National Leadership nomination processes
  - Improved processes to support BoD succession planning
  - Created the SAME Volunteer Job Board
Progress Update

- On-Going efforts
  - Codify engagement and followthrough for KLP candidate pools through standard SAME processes
    - Target Graduating BoD/Post Presidents, LDP participants, YPs, Aof/National Leadership non-selects
  - Formalize annual KLP engagement plan
  - Roll out Volunteer Job Board and drive utility
  - Look for opportunities to collaborate with Diversity & Inclusion WG

Questions?

Building our SAME Key Leadership Position pipeline is a continuous process that requires engagement at every level.

Identifying and developing potential candidates to serve as the 2030 SAME President starts now!
Diversity & Inclusion Working Group Progress Report

Mike Huffstetler, Membership COI Chair

- Formed Fall 2019 within the Membership COI to review and advise the Society as needed on possible strategies related to gender and ethnic diversity
- In Summer/Fall 2020 the DIWG conducted the Society’s first survey on D&I perspectives
- Submitted a comprehensive survey report to Nov BOD
- As a result of the findings, 6 “Paths Forward” themes were identified:
  1. Commit and cascade (articulate the DEI vision and cascade down to the Posts)
  2. Create publicly announced diversity goals for leadership roles and membership diversification (benchmark diversity metrics for SAME)
  3. Link D&I to membership growth strategy (develop diverse talent pipeline)
  4. Craft an initiative portfolio (target DEI goals based on growth priorities)
  5. Mentoring and Training (incorporate DEI training to help leaders with DEI initiatives/mentoring)
  6. Partner with other organizations (partner with industry groups with similar DEI initiatives)
• GREW volunteer support tripled in size since Nov BOD, including multiple National BOD members
• 6 sub-teams were established to focus on each Path Forward- varying degrees of progress to date
• Progress highlights:
  • Sponsored/supported three JETC abstract submissions– two were selected!
  • DIWG members guest presenters at 3 Post-held DE&I events (Baltimore, Albuquerque, Colorado)
  • DE&I primer document in development to provide to Posts and possible use at PLW
  • Developing Post Toolkit to provide DE&I education and resources to post members and SM Firms
  • Developing Annual Survey– target September 2021
  • Reviewed Society Bylaws, developing recommended revisions for BOD consideration
  • Developing DE&I Action Plan to codify all Paths Forward recommendations to BOD

• Moving forward, the Working Group has changed their name to the Diversity, Equity and Inclusion Working Group (DEIWG) to better reflect the totality of diversity, equity and inclusion (DE&I is consistent w/ most company-organizational internal programs)

“With continued BOD support, the DEIWG will continue to promote diversity, equity and inclusion as key values and focused initiatives within the Society and help it to:

• Attract more individual and sustaining members
• Improve member satisfaction and increase industry-government engagement
• Promote innovative and collaborative solutions to our nation’s challenges, and
• Demonstrate SAME’s commitment to advancing the future of the AEC industry”
