

Memorandum of Agreement

Society of American Military Engineers and United States Geospatial Intelligence Foundation

The terms and conditions outlined in this Memorandum of Agreement will guide the Society of American Military Engineers (SAME) and the United States Geospatial Intelligence Foundation (USGIF). Its execution recognizes the intent to the two Associations to form a strategic alliance to facilitate collaboration, education and information sharing and to enhance professionalism in the Geospatial Intelligence/ Geospatial Engineering industry.

National Conferences. SAME and USGIF agree to advertise each other’s national conferences in their respective publications and to provide a link to the conference website from their websites (USGIF’s trajectory magazine website). SAME will offer USGIF a complimentary exhibit space and associated conference registrations (2) for its annual Joint Engineering Training Conference (JETC). USGIF will offer SAME a complimentary exhibit space at the annual GEOINT Symposium and associated conference registrations (2).

Booth Value is approximately \$3,000.
Reg Value is approximately \$1,000.

Marketing. SAME and USGIF agree to announce the partnerships to their respective memberships via email and/ or social media and will include a perpetual link recognizing the partnership on their respective websites. Value (\$0)

Credentialing and Certification Programs. SAME offers the work of a well-established Credentialing Community of Interest (COI) with established credentialing partners. The COI serves as an advisory body centrally focused on credentials for SAME members, integrator with credentialing societies, and resource for military services on job to credential translation. SAME proposes that USGIF have a representative on that COI to enhance collaboration. Furthermore, SAME and USGIF agree to have SAME list USGIF Professional Certification link and associated sub-links on its Credentialing and Certification Programs website. Value (\$0)

Term of Memorandum of Agreement. SAME and USGIF both agree that this agreement is effective as of the date of signing by the SAME Executive Director and USGIF Chief Executive Officer and shall continue until either or both parties, with 90 days written notice, declare it null and void. This agreement may be supplemented by additional operating agreements to be signed by the parties to this MOA.
