SAME Streamer Program
Supporting the 2025 SAME Strategic Plan

GOAL 1: OBJECTIVE 1
Ensure SAME’s Industry-Government Engagement Plan promotes multidisciplinary industry-government collaboration and adds value to shared efforts to improve America’s infrastructure, with the Society recognized by all stakeholders as the platform for industry-government engagement.

Suggested Post Tasks
- Conduct local Industry-Government Engagement Workshops with key stakeholders to identify issues, collaborate on solutions, and document progress. Categories can include but are not limited to: Policy/Law; Capacity (skilled labor); Project Delivery/Best Practices, Business Practice; Capability (professional expertise, technology); Warfighting; Resilience; small business; market research; cyber security; knowledge management.
- Conduct Roundtable Discussion to identify potential issues.
- Document IGE Workshop with complete details.
- Identify new local touchpoints to key stakeholders within local, state, and federal government entities to determine how the Post can serve those entities.
- Meet with state, regional and/or local government to educate on how SAME can serve the community.
- Establish Student Chapter with local college/university. Arrange for seminars/briefings at local college/university displaying strengths of national security A-E-C industry and emphasizing future career paths.
- Convene local Joint Table Top Exercises (TTE) to stimulate collaboration among government and civilian engineers and planners on locally relevant infrastructure challenges. Include federal, state, or local agencies and strategic partners, as appropriate.
- Host an Industry Day/Government Briefing/Small Business events.
- Provide relevant industry best practices and professional development opportunities for government and uniformed members.

Suggested Post Tasks
- Utilize OIs to identify topics and subject matter experts to support Post level technical events.
- IGE Workshops, Technical Briefings, Seminars, Webinars, Conferences, Table Top Exercises.
- Ensure Post members are serving on CIR Steering Committees and serving as liaisons to the Post.

GOAL 1: OBJECTIVE 2
Develop Strategic Partnerships to identify focus areas, challenges, opportunities, and potential solutions, integrating mutual expertise to achieve greater results.

Suggested Post Tasks
- Identify, establish, and nurture strategic and organizational partners at local, state, and regional levels and determine how the Post can collaborate with those entities and execute two-tiered joint projects. Examples include ASCE, ACEC, AEC, OMA, IECE, DBBA. Annually review strategic partnerships for impact, value, reciprocity, and strategic significance and outcomes of partnerships. Identify opportunities for new partnerships within existing goals.
- In addition to face-to-face meetings, use webinars and other technology to develop and sustain collaborative relationships.

GOAL 1: OBJECTIVE 3
Ensure SAME’s Communities of Interest serve Posts and national entities as subject matter experts, leveraging the Society’s broad technical diversity to advance knowledge, standards, and best practices.

Suggested Post Tasks
- Promote progress of Post IGE Workshops through their conclusion by preparing and submitting articles documenting updates to IRE, RevAMIE, CIR communications, Post communications, social media, and on the IGE webpage.

GOAL 1: OBJECTIVE 4
Develop a portfolio of professional communications to inform, educate and reinforce SAME’s impact to the nation; provide a repository of industry-government engagement efforts, tools, and lessons learned on the SAME national website.

Suggested Post Tasks
- Promote inclusion of stakeholder interests of the Post, regional, and national levels through meetings, workshops, symposiums, and conferences.

Suggested Post Tasks
- Develop IGE programming to meet the needs of the Post or region consistent with the IGE goal.
- Survey members to find out interest, issues, and demographics.
- Ensure Post leadership reflects the diverse demographics, professions and practices that match the Post membership.
