

STEM ENGINEERING & CONSTRUCTION CAMP

US Air Force, Scott Air Force Base, IL July 16-22, 2023

Application Deadline: March 15, 2023

This is a weeklong, residential STEM camp where campers will experience a hands-on field environment with real engineering activities and challenges. Campers are supervised, mentored, coached, and guided by young STEM professionals.

WHERE:

Scott Air Force Base, IL

WHEN:

July 16-22, 2023

BASIC APPLICATION CRITERIA:

- Rising Sophomore, Junior or Senior in the Fall of 2023. At least 15 years of age at time of Camp.
- On a track that will provide a basis for attending an accredited engineering college or university (i.e., taking appropriate STEM courses)
- Minimum GPA of 3.2 (not required but highly recommended)
- Demonstrated leadership characteristics through participation in extra-curricular activities, sports, and/or community activities
- Physically fit
- U.S. Citizen
- Able to provide proof of medical insurance

COST:

Registration fee for the camp is \$800. This includes lodging, meals, materials, instruction, and mentoring. Once selected, campers must submit half the registration fee to hold their spot. Sponsorships for the other half of the amount (or more) may be available from SAME Posts. Sponsorships are not absolutely guaranteed and if not sponsored by a Post, the camper could be responsible for all camp fees and transportation.

TO APPLY:

Visit www.same.org/camps. To begin the camp application, you must create an account in Open Water. This is a competitive process and students are selected by the sponsoring Posts.
