- The April meeting will be at the Field Club and will be a Resilience topic "Curating Resilience: Field Tips For the DoD Footsoldier" presented virtually by Rich Houghton at City Power & Light (Hill AFB). Thanks to Brec Wilshusen for securing the speaker.
- Industry Day
 - Planning Committee moving along, meeting on February 8th and another next week
 - Go live for registration in the middle of March
 - Laying out details of agenda, etc.
 - Change of officers will that be done at Industry Day? A little earlier? Need to know this by next month

- Goal 3.1 Task 1 – 100 pts**
 - Support SAME's National Leader Development Program (LDP), and link to Post leader mentoring and development programs, by nominating at least one person from the Post, to the Region for the National LDP class.
- Goal 3.1 Task 2 – 100 pts**
 - Develop a Post Leadership Program, where Post Board of Directors gain knowledge and understanding of the Post's Standard Operating Procedures and/or Post's programs operational success.
- Goal 3.1 Task 3 – 50 pts**
 - Execute at least one leadership focused event each year. Utilize the Leader Development Program curriculum guidance as a resource (presentations, taped events) and scale to the size of the Post.
- Goal 3.2 Task 1 – 50 pts**
 - Build leadership pathways to achieve return on investment (sponsorships versus scholarships, stipends, Fellow designations) that impact the Post Leadership each year.
- Goal 3.2 Task 2 – 50 pts**
 - Develop mentorship avenues for Fellows and senior Post members to remain engaged by providing their experience in leadership development of SAME Post members.
- Goal 3.2 Task 3 – 50 pts**
 - Develop mentorship program where larger Posts integrate and help enhance smaller Post leadership within the Post's membership.
- Goal 3.2 Task 4 – 25 pts**
 - Profile what a ready A/E/C leader looks like and how to communicate qualifications across the profession (government, industry, academic and business). Share profile(s) with Post membership and National Office.
- Goal 3.3 Task 1 – 200 pts**
 - Provide support to core SAME program areas of the STEM Pipeline from K-12, Camps, College Outreach, and Young Members, and transitions between each level. Support can be as a camp mentor, recruiter, or any level of support as defined by the Post.
- Goal 3.3 Task 2 – 150 pts**
 - Inform and educate Post members of benefits of supporting the SAME Foundation for leadership development.
- Goal 3.4 Task 1 – 100 pts**
 - Establish at least one local college or university contact and conduct one event with the school.
- Goal 3.4 Task 2 – 100 pts**

Resilience

Brec Wilshusen

- Resilience topic for 14 Apr 2022 general “hybrid” meeting: Rich Houghton & Ajay Sitaula of City Power & Light will presenting a 30-minute version of “Curating Resilience: Field Tips For the DoD Footsoldier.” This will also be billed as a Resilience COI “lunch & learn” webinar event, so this will possibly impact/tweak our ticketing. The SAME website will soon have a hyperlink that directs a “clicker” in our direction.
- Selecting two more “JETC non-select” topics for August & September meetings [Chris Artz will confirm if I got this pairing of months correct]. Will be jointly Resilience COI “lunch & learn” webinars too.
- Have been searching for a FEMA/insurance companion speaker for the delayed Resiliency Webinar starring Ted Streckfuss. Coordinating a new date target. This will be billed solely as a Resilience COI webinar, however, anyone can register and attend the webinar.
- I assume Mark Himes or Dave Packard will announce
 -

Goal 2.1 Task 1 – 200 pts

Goal 2.2 Task 2 – 100 pts

- Utilize access to technology demonstration programs or other means of technical exchange addressing efficiency, sustainability, and resilience including but not limited to the Environmental Security Technology Certification Program (ESTCP, OSD), the GSA Proving Ground (GPG), and several DOE programs.

Goal 2.2 Task 3 – 100 pts

- Hold joint resilience meetings or sessions with other professional organizations or SAME Strategic Partners

Goal 2.2 Task 4 – 50 pts

- Utilize SAME’s Resilience COI as subject matter experts for presentations, roundtables or webinar programs.

Goal 2.3 Task 1 – 50 pts

- Locate and share success stories with Post members and SAME National from DOD installations, government, and industry that have implemented cyber programs (and other efforts) impacting infrastructure and industrial controls systems (Risk Management Framework).

Goal 2.4 Task 1 – 50 pts

- Utilize COIs to identify topics and subject matter experts to support Post level technical events: IGE Works Ensure Post members are serving on COI Steering Committees and serving as liaisons to the Post hops, Technical Briefings, Seminars, Webinars, Conferences, Table Top Exercises

Goal 2.4 Task 2 – 50 pts

- Ensure Post members are serving on COI Steering Committees and serving as liaisons to the Post

Goal 2.5 Task 1 – 200 pts

- Conduct or participate in Table Top Exercises at the Post/Regional level to stimulate collaboration among military and civilian engineers and planners on locally relevant infrastructure challenges.

Goal 2.5 Task 2 – 150 pts

- Enable discussions with federal agency and/or local government leaders and organizations dealing with the real impacts of sea level rise, extreme flooding, wildfires, mudslides, or other natural disasters.
