Society of

American Military Engineers

**Dedicated to
National Security**

Since 1920

Mission:

Build leaders and lead collaboration among government and industry to develop multidisciplined solutions to national security infrastructure challenges.

Vision:

Serve our nation as the foremost integrator for leadership development and technical collaboration within the A/E/C profession.

Communities of Interest

SAME's Communities of Interest are a fantastic value-added member benefit that offer members a chance to engage nationally with other professionals focused on a particular community of interest or demographic within the A/E/C industry.
