

EMERGENCY MANAGEMENT DIVISION

*Citizens Serving Citizens*

# Mutual Aid & State Contracting

## Applying Mutual Aid within the State

- Interpretation of applicable state laws and how they impact volunteers and private sector resources

Government Employee

Temporary – part time - permanent

# Intra-State Mutual Aid

## WAMAS (Washington Mutual Aid System)

- Established in RCW 38.56 for mutual assistance among member jurisdictions.
- Members are:
  - Political subdivisions of Washington State (*automatically enrolled*).
  - Any federally recognized Indian tribe located within the State that has declared their intention to be a member. (*not automatically enrolled*).

*Note: State agencies and special purposes districts (such as fire, port, PUDs, diking districts, etc.) are not members of WAMAS.*

- Assistance includes response, mitigation, or recovery resources (equipment or personnel) related to an emergency or in preparation for an emergency (exercises).
- DOES NOT replace existing mutual aid agreements or ability from entering into future agreements.
- *IS*: Local jurisdictions or federally recognized Indian tribes who have declared membership, working together.
- *IS NOT*: Making requests to the State.

# Interstate & International Mutual Aid

## Interstate Mutual Aid

- EMAC (Emergency Management Assistance Compact)
  - Requesting & assisting other members.
- EMAC Members
  - All 50 states, Puerto Rico, the U.S. Virgin Islands, Guam, and the District of Columbia

*EMAC does require a declaration of emergency by the Governor in order to activate a response.*

## International Mutual Aid

- PNEMA (Pacific Northwest Emergency Management Arrangement)
  - Requesting & assisting Regional Partners.
- PNEMA Members
  - WA, OR, ID, AK, B.C. and Yukon Territory.

*PNEMA does require a mutual agreement of two or more members to activate.*

# Resource Fulfillment

The State will fill all requests in the following order:

- Request resource from a state agency.
- Utilize state contracts.
- The procurement of commercial resources (not under contract).
- Request resources through international PNEMA or interstate EMAC\* mutual aid systems.
- Request federal resources\*\*.

\*EMAC requires the Governor to declare an emergency or disaster

\*\* Situational dependent response; requests may be authorized by using Mutual Aid Agreements, Direct Response Authority, or require a Presidential Declaration

# Be a part of State Contracting

Bid on contracts for goods and services and/or construction and public works projects. Register with the Washington's Electronic Business Solution (WEBS).  
<http://des.wa.gov/services/contracting-purchasing/doing-business-state/webs-registration-search-tips>

The Small Works Roster is used to obtain the names of Washington state licensed contractors who are interested in bidding projects for Washington state government organizations. These projects have a total construction cost not to exceed **\$300,000** and **are not advertised**. For more information about the Small Works Roster go:

<https://fortress.wa.gov/ga/apps/CCRS/default.aspx?type=C>

Join the architectural and engineering services consultant pool (A/E Reference File) utilized by the Department of Enterprise Services, the University of Washington, and many other state agencies.

# Statewide Emergency Response Volunteer

WA Safe:

is a program that trains and calls up a registry of volunteers to perform post-disaster building safety assessments. These volunteer disaster service workers can assist Building Officials whose workload is expected to be overwhelming following a disaster.

# Mitigation

- The best way to support hazard mitigation in your communities is at the local level. All Washington counties, most tribes and many cities develop mitigation plans and your involvement is needed!
- As mitigation projects are approved resources will be gathered using contractual bidding processes for local communities.
