Field Club of Omaha, 3615 Woolworth Avenue, Omaha, NE

Educational Program:

“Hurricane Fiona Impact”

*Scott Perkins
Business Development Director
Prairie Engineers, P.C.*

Hurricane Fiona was a large, powerful, and destructive Category 4 Atlantic hurricane which was the costliest and most intense tropical or post-tropical cyclone to hit Canada on record. Mr. Perkins provided a detailed summary of the impact that Hurricane Fiona had on infrastructure and the powerful new tools available to assess and recover from natural disasters.

Total PDH Available - 1.0

*Ryan Watzke, LEED AP
President SAME Omaha Post*

*John I. Remus, II, P.E.
Chair of Education and Professional Development*

The Omaha Post verifies the content of the program. Each attendee is responsible for applying to the appropriate licensing organization for his/her individual PDH credits. The Omaha Post cannot guarantee that all licensing organizations will accept the above PDH credits.
