CIVIL WORKS

Future Focus Areas for Revolutionize USACE Civil Works include:

OBJECTIVE 01 Accelerate Project Delivery

- Streamline Continuing Authorities Program
- Improve Project Partnership Agreements
- Additional Delegation of Decisions
- Emergency Supplemental Projects: Lessons Learned become Enterprise Best Practices

OBJECTIVE 02 Transform Project Financing and Budgeting

- P3 Pilot Program: Development of current P3 pilot projects and identify additional pilots in 2020
- CWIFP Federal Loan Program: Implement program and issue loans, subject to appropriations.
- Multi-year budgeting/funding to increase flexibilities

OBJECTIVE 03 Improve Permitting and Regulation Reform

- Mitigation: Revisit Mitigation Rule, based on partner input and lessons learned, revise as appropriate
- Educate and Inform: Review all existing guidance and refresh as needed
- Permitting: Renew Nationwide Permits and modify as necessary
- Waters of the U.S.: Continue to work with the EPA to develop clear and appropriate implementation materials

- U.S. Army Corps of Engineers (USAC) has been aggressively working to revolutionize delivery of the nation’s infrastructure.
- To improve how we do business to save millions of tax-payer dollars and deliver high quality projects sooner.
