

*The Society of American Military Engineers  
Omaha Post  
Professional Development Hours Certificate  
October 2023 Monthly Membership Meeting*

*Participant Name:* \_\_\_\_\_

*Participant Signature:* \_\_\_\_\_

*Date:* Tuesday, October 10, 2023

*Location:* In-person and Virtual Meeting, In-person meeting at:  
Field Club of Omaha, 3615 Woolworth Avenue, Omaha, NE

*Educational Program:*

**“Solar Trends: From Inverters and Batteries to  
Microgrids and Beyond”**

*Michael Shonka  
Solar Heat and Electric, Inc.*

The ever-increasing electrical demand requires the employment of new and emerging technologies. Advances in the efficiency and effectiveness of solar technology has increased significantly. Mr. Shonda provided a brief history of solar technology, described the current state-of-the-art of the solar industry, and provided some insights into where the solar power industry may be headed.

*Total PDH Available - 1.0*
