MONTHLY NEWSLETTER

NOVEMBER 2022

SAME Louisiana Post Members,

Louisiana Engineering Society (LES) is thrilled to announce the return of MathCounts *in person* this winter!

MathCounts is an exciting mathematics competition where 6th, 7th & 8th grade students compete against one another and the clock for an opportunity to participate in the State or, if successful, National Championship.

The event will take place on **Saturday, February 4, 2023** at the UNO Engineering Building. The New Orleans Region is currently **seeking volunteers to help proctor and grade tests** – the commitment is only from 8 a.m. to early afternoon on the 4th. Also, if you have a high school or college aged family member that needs community service credits, we have volunteer opportunities that qualify.

If you are interested in volunteering, or wish that your 6th – 8th grade student (or their school) could participate, please contact me at your earliest convenience at leah.read@aecom.com.

Thank you!
Leah Read, PE

HOST SUSTAINING MEMBER INFORMATION

We still have some luncheon meetings available for Sustaining Members to host. Hosting our monthly meetings is a great opportunity to put your firm in the limelight and showcase your firm's experience and abilities. If your firm is interested in hosting one of these meetings, please contact Charlie Settoon at (504) 889-0182.

We would like to thank all the Sustaining Member Firms who have hosted a monthly meeting in the past. If it has been a while since your firm hosted a meeting, you are welcome to host another meeting. Let's continue to show our support for the Louisiana Post through this great professional opportunity.
