## **HOST SUSTAINING MEMBER INFORMATION**

We still have some luncheon meetings available for Sustaining Members to host. Hosting our monthly meetings is a great opportunity to put your firm in the limelight and showcase your firm's experience and abilities. If your firm is interested in hosting one of these meetings, please contact Charlie Settoon at (504) 889-0182.

We would like to thank all the Sustaining Member Firms who have hosted a monthly meeting in the past. If it has been a while since your firm hosted a meeting, you are welcome to host another meeting. Let's continue to show our support for the Louisiana Post through this great professional opportunity.

## SPEAKER'S BIOGRAPHY

---

### **James Andermann**

Director of Project Delivery at CSRS and project manager for the Isle de Jean Charles Resettlement Project.

Mr. Andermann is the Vice President of Operations for CSRS. Mr. Andermann has 14 years of experience in economic development surrounding revitalization, financial project planning, project management and community coalition building. Mr. Andermann has comprehensive knowledge and experience in providing high-quality redevelopment services for governmental and commercial clients. He is a graduate of Louisiana State University with a Bachelor of Arts in Landscape Architecture.

### **David Waggonner, FAIA**

David Waggonner is the founding principal of Waggonner & Ball Architecture/Environment, an award-winning, internationally active architecture and planning practice located in New Orleans. He is a graduate of Yale School of Architecture, a Fellow in the American Institute of Architects, and a recipient of the AIA Louisiana Medal of Honor. The firm grounds its architectural work in historic preservation with a concentration on modern institutional projects, including museums, foundations, and educational facilities. The firm's environment work is focused on

the infrastructure and spatial identity of water. Recent projects include watershed plans in Louisiana, urban water projects in across the U.S. Gulf and East Coasts, and campus and park designs in Beijing, China.

### **Andy Sternad, AIA**

Andy is an architect and urban designer and a leader in Waggonner & Ball's environments practice. He focuses on urban- and building-scale solutions that reveal the character of place and integrate issues of climate, ground, economy, and people. He is an integral member of Waggonner & Ball's Dutch Dialogues™ and Living with Water™ efforts in cities across the U.S. Current projects include the Isle de Jean Charles Resettlement and an analysis of the U.S. Army Corps' Charleston Peninsula Coastal Risk Reduction Study for the City of Charleston, South Carolina.
