HOST SUSTAINING MEMBER INFORMATION

We still have some luncheon meetings available for Sustaining Members to host. Hosting our monthly meetings is a great opportunity to put your firm in the limelight and showcase your firm's experience and abilities. If your firm is interested in hosting one of these meetings, please contact Richard Entwisle at (504) 862-1377.

We would like to thank all the Sustaining Member Firms who have hosted a monthly meeting in the past. If it has been a while since your firm hosted a meeting, you are welcome to host another meeting. Let's continue to show our support for the Louisiana Post through this great professional opportunity.

SPEAKER'S BIOGRAPHY

Laci P. Melancon
Program Director
Coastal Technical Assistance Center (CTAC)

Laci Melancon is the Program Director for the Coastal Technical Assistance Center (also known as CTAC). Prior to working for CTAC, Laci worked for the past 20 years in the fields of higher education, the private business industry, and as the Executive Director for a non-profit organization where she received the Louisiana Executive Director of the Year Award.

With over 10 years of experience in business and program management, Laci was tasked with developing and creating the CTAC program from the ground up at the end of 2020. Laci's passion for helping others and her love for the coast are the perfect fit for this role. She is able to use her passion for the coast in helping businesses with the opportunities available in the coastal protection and restoration projects throughout the state. Now, more than ever, she is committed to helping preserve and restore our great state and the culture it provides for generations to come.
