

## PRESIDENT'S MESSAGE

Dear St. Louis Post Members,  
Happy Fall to all of you!

Our October lunch meeting provided us with a lot of information on CMMC's requirements and their effects on our firms moving forward as we work with DOD. Chris Kadlick with Faith Group and Bob Hof with Armanino gave presentations on how we got here, where we are now, and gave suggestions on how we move forward with CMMC requirements. The presentations are posted on our website, along with their contact information, if you have further questions on this topic. Kudos to both Chris and Bob for taking the time to share their knowledge with us on a topic that is critical to all of our businesses.

We are quickly coming up on our annual Trivia Night on November 12. If you are still planning on playing, there are a few spots open. We can always use more sponsorships and silent auction items. I'm looking forward to seeing all of you there to participate in a fun event where all proceeds will benefit the Gateway Chapter of The Paralyzed Veterans of America.

Our next meeting is our annual Eggslide Breakfast on December 9. Our presenter will be speaking on the Veteran's Community Project in St. Louis. I'm sure we've all heard a little bit about this endeavor and am looking forward to getting details. Further information on the meeting and registration is in this newsletter. Have you ever wondered why it's called the Eggslide Breakfast???

Plans for the St. Louis Post leadership in 2022 are moving along nicely. I am appreciative of those who have stepped up to lead the Post and chair committees. We have maintained a great group of volunteers whose loyalty and energy keeps the Post moving and are grateful for them. We always have room for more, and new faces are always welcome.

This will be the last newsletter before Thanksgiving, so I'm taking this opportunity to wish you all a very Happy Thanksgiving. I hope you are able to spend the time with family and friends this year and take time to be grateful and spread holiday cheer.

*Pam Hobbs*
