**Budget & Investment Committee: 2023 Year In Review**

**2023 Accomplishments:**

- Ed Jackson/John Henderson were appointed as co-chairs of B&I Committee
- Taha Seid, hired as Financial Controller, supporting both Society and SAMEF...has brought incredible discipline and vigor to our efforts
- Earned a *Candid Platinum Seal of Transparency* on GuideStar...way to go Kathy Off!
- established a monthly financial committee meeting, producing regular reports to SAMEF leadership
- grew Post participation in SAMEF investment fund: 11 to 15 Posts participating...Albuquerque Post in process of transferring $ (#16)
- Passed Financial Audit
- began quarterly investment fund reporting to Posts
- continued support to SAME leadership programs...approved $208K for 2024
- reestablished support to SAME Camp Alumni Scholarships ($25K)
- reestablished SAMEF support to Camp GSA Scholarships ($2800)
- established a procedure to properly document movement of funds from the Foundation to the Society to support authorized programs
- established TF to develop a 5-year funding plan aimed at becoming self-sufficient while maintaining support/minimizing overhead

2023 Accomplishments:

• Programs
  • Graduated our 4th LDP class (73 total graduates to date) and introduced our 5th class during JETC in May (San Antonio)
  • Our We Must Go To Them (STEM Pathways) was awarded another $61,000 grant (LDP UPIC Capstone project 2021 class)
  • We supported mentoring at our five (5) Engineering & Construction Camps: Vicksburg, Camp Lejeune, NAS Jacksonville, Air Force Academy, CO, and Navy Port Hueneme, CA.

• Stewardship
  • Revised and Updated Stewardship Policy
  • Created the Foundation Stewardship Matrix

• Governance & Nominations
  • Six (6) New Board Directors joined our Board after limit of 15 Directors was removed
  • By-laws were updated to allow Chair-Elect to extend their second term on the Board until after the end of their tenure as Chair. Tim Byers is allowed to serve until 2026 vice 2024
  • Nominating procedures were updated to eliminate self-nominations
2024 What’s next:

- **Programs (Susan Thames)**
  - Leader Development Program – LDP Alumni continue to lead SAME as Post Presidents, Board Members and Key Volunteers; RVPs, Deputies and Fellows POCs; COI Chairs, Vice Chairs and Key Members; Academy of Fellows members; and Directors on the SAME National Board. UPIC projects continue to impact our Society and Industry in profound ways. (1) The American Indian/Alaskan Native STEM UPIC project received another large grant from the United Engineering Fund. (2) The Knowledge Network UPIC is starting to show itself across COIs. (3) The Guided Pathways UPIC is also beginning to show an impact. Some of the 2024 class UPICs included: “Solving the Labor Shortage through Collaboration”. This includes an already executed MOU between SAME and the Western Dredging Association (WEDA). That UPIC continues next week as the SAME/WEDA partnership beings training incarcerated people for the purpose of entering the A/E/C industry after release. We have UPICs using Higher Logic as part of the SAME EMS; continuing work on STEM; enhancing Cybersecurity awareness across SAME and promoting & encouraging women in SAME just to name a few.
  - Camp Mentoring – Our new Engineering & Construction Camp Director is James Hodges (james.hodges@hbaa.com) Once he becomes more settled in this role, we will meet with him and learn if there is additional support he will need.
2023 What worked and what didn’t work:

• Programs
  • Scott AFB will no longer be continuing their camp

• Stewardship
  • We need to begin using these tools, particularly with our Fundraising

• Governance & Nominations
  • We increased our Board members to 19.
  • The Bylaws are updated and don't need further tinkering
2024 What’s next:

• Stewardship (Ron Silva)
  - Our Board needs to make a decision with Stewardship Assessment, Options & Proposal:
    Assessment: The most significant issues to highlight in the effort to revise the Stewardship Policy is the absence of qualified and experience resources to execute: (1) many of the provisions of the Policy, especially some of the more complicated forms of donations requiring legal, investment, insurance, real property, etc. expertise and experience. (ex: marketable securities, closely held securities, tangible personal properties and retirement plans, real estate, deferred gifts, gifts by wills, charitable trusts)
      An improved Charities Rating standing to be credentialled using charity industry best practices (especially important for seeking donations from external donors)

Options:
• Do nothing – results in no nonmonetary donations accepted and no improvement in our Charity Ratings
• Find new Foundation Board members with requisite knowledge, skills and experience (KSE) – this option is highly problematic as SAME members don’t typically have these KSEs and we haven’t found nonmembers with required KSEs willing to serve.
• SAME National outsource these SAME Foundation functions – Not really sure if this option is even practical or desirable as there are Nonprofit Management consultants, but not sure if there are Nonprofit Management service providers.
• SAME National Staff create a position for a SAME National Staff team member to be trained in all the KSEs required and be credentialed as a Certificate in Nonprofit Management (CNM) – Recommend that this position has functions that support both SAME and the SAME Foundation. Succession/redundancy planning would be required.
• SAME National Staff create a position to be filled with a person with a Degree in Nonprofit Management or a Certificate in Nonprofit Management (CNM) and bring onboard a person with a requisite KSE that can help fill the KSE gap that the SAME and SAME Foundation has in Nonprofit Management specifically regarding Stewardship, Fundraising, Charity Ratings and other related SAME National Staff functions.
2024 What’s next:

- **Stewardship (Ron Silva)**

  Proposal: SAME National Staff create a position to be filled with a person with a degree in Nonprofit Management or a Certificate in Nonprofit Management (CNM) and bring onboard a person with the requisite KSE that can help fill the KSE gap that the SAME and SAME Foundation has in Nonprofit Management.

OR

SAME National Staff create a position to be filled with a person with a Certificate in Nonprofit Management (CNM) and allow an experienced SAME National Staff team member to be trained in all the KSEs required and be credited as a CNM. Recommend that this position has functions that support both the SAME and the SAME Foundation. Succession/redundancy planning would be required.
2024 What’s next:

- Governance & Nominations (Bob Schlesinger)
  - Reaching 20 Board Members – need 3 new Directors in class of 2025 (vacancy plus replacements for Jane Penny and Ron Silva)
  - Select new Chair-Elect (Tim Byers relieves Dave Nash as Chair on 1/1/2025)
  - Succession Planning for committee (Schlesinger terms out at end of 2025)

2024 Budget Proposal

XC Meeting
December 19, 2023
Agenda

• Bottom Line Up Front
• Alignment & Progress
• Budget Assumptions
• 2024 Operating Budget
• Budget Analysis
• Recommendation
2024 Budget Development Conclusions

• 2024 budget development was a team effort: good focus on the Foundation among directors, managers, XD, and the board treasurer.

• Staff expenses of approximately $200,000 are covered by SAME in 2024 proposed budget.

• 2023 Individual and corporate contributions are increased by 10% to estimate 2024 proposed contribution revenue.

• The surplus-based budget proposed covers grants to SAME and operational activities for 2024.

• Discussion of strategy around SAME Reserves will continue.

• TF established to develop a 5-year strategic outlook, with the purpose of making recommendations to the XC on:
  – ROI to invest in the services of a fundraising professional
  – Identifying CORPUS growth targets; agreeing on a timeline for administrative self-sufficiency; and developing a fundraising plan that supports both while ensuring we continue to support the Society and maintain the highest charity rating possible
A Collaborative Budget Preparation Approach

- **September 2, 2023**: A budget preparation task force was created
- **September 11, 2023**: Martus training for Department heads and budget owners
- **September 25, 2023**: Budget touchpoint #1 – Strategic discussion and progress review
- **October 24, 2023**: Draft Foundation budget submitted
- **November 16, 2023**: Foundation budget reviewed. Draft budget finalized
- **December 5, 2023**: Finance Chair review
- **December 18, 2023**: Proposed budget submitted to the XC to review
- **December 19, 2023**: XC meets to discuss and approve the proposed budget

Budget Analysis: 2022 Actual, 2023 Projected, and 2024 Proposed

Revenue Analysis

- Total proposed revenue in 2024 increased by 34% compared to 2022 actual revenue.
- Total proposed revenue in 2024 decreased by 7% compared to 2023 projected revenue.
- Total projected revenue in 2023 includes $50,000 from Baker Hughes grant. Grant is not included in the 2024 proposed income.
- Total Revenue numbers are net of unrealized gains and losses from investment activities

Expense Analysis

- Total proposed expenses in 2024 increased by 64% compared to 2022 actual expenses.
- Total proposed expenses in 2024 increased by 17% compared to 2023 projected expenses.
- The 64% increase in expenses is attributed to an increase in grant to SAME from $157,000 in 2022 to $208,000 in 2024 and the admin expenses increased from $5,600 in 2022 to $50,700 in 2024.
- The 17% increase in expenses is attributed to increased admin expenses such as audit fees and printing and production expenses in 2024.
- Net operation amounts are consistent with the increase in revenue and expenses for all years

2024 SAME National Office Priorities

**Improve Connectivity Across Departments:** To optimize our talent as a team, we need to recommit how we as staff communicate initiatives and efforts across the office and with stakeholders to ensure awareness, take advantage of synergies, better integrate, and amplify work being done.

**Evolve Support to Posts, COIs, Other Groups/Programs:** As we look, strategically, to “operationalize COIs” and grow programs like Camps, Credentialing, and LDP (to name just three), in addition to “support Posts,” we need to take a more holistic view of how we resource all activities while also leaning forward technologically (e.g., Higher Logic).

**Reinforce a Culture of IGE and Leader Development:** Double-down on our mission and what makes SAME unique in the marketplace while looking for more opportunities to highlight impact and success stories that will drive membership growth, participation, and collaboration.

**Leverage Engagement of Events to Promote Value Year-Round:** Take advantage of the strong demand signal for SAME events and build on their success to better extend the value they derive throughout the year—from education and training to market research and networking (and in doing so, generate more return on the investment of time and resources they require from staff/others).

**Embrace and Enable the SAME Foundation to Thrive:** For the SAME Foundation to continue growing its brand, fundraising, and programming, and for the Society to benefit from further investments in STEM/leader development given the direct linkage between the two entities, we need to bolster how it helps the Society achieve our mission and identify budget-related areas where it can expand outcomes and offset operational requirements.
