“Eppley Airfield Terminal Upgrades”

*Dan Owens, P.E.
Director of Planning and Engineering
Omaha Airport Authority*

The Omaha Airport Authority is undertaking an extensive terminal modernization program that will take several years to complete. The first phase is underway. When completed the project provide added convenience and security for the traveling public. An overview of the project and many challenges of upgrading the facility while still in use was provided.

Total PDH Available - 1.0

*Ryan Watzke, LEED AP
President SAME Omaha Post*

*John I. Remus, II, P.E.
Chair of Education and Professional Development*

The Omaha Post verifies the content of the program. Each attendee is responsible for applying to the appropriate licensing organization for his/her individual PDH credits. The Omaha Post cannot guarantee that all licensing organizations will accept the above PDH credits.
