

SOCIETY OF AMERICAN MILITARY ENGINEERS (SAME) CHESAPEAKE POST 2024 SCHOLARSHIP APPLICATION

The Society of American Military Engineers (SAME) Chesapeake Post is offering scholarships to assist college students who are pursuing careers in STEM fields: engineering, architecture, mathematics, technology, computer, or related science (chemistry, biology, physics) degree programs. (Health sciences are not included.) Awards are made on an annual basis and can range from \$500 to \$1000 per recipient. Students enrolling *full-time* as a freshman, sophomore, junior or senior in college for academic year 2024-2025 can apply. **Former/current recipients must re-apply; however, an essay is NOT required.** An essay is required for all new applicants **or prior applicants who have never received an award.** Students who are receiving a full-tuition scholarship (e.g., Science Mathematics and Research for Transformation, US Service Academies) are NOT eligible for a Chesapeake Post scholarship; however, we encourage your continued participation for the mentorship and networking provided by the post.

Interested students must submit a completed application no later than 4:00 PM; 17 April 2024.

The application is available for downloading from the www.same.org/chesapeake website.

SCHOLARSHIP SELECTION CRITERIA
