

ROCK ISLAND POST

Society of American Military Engineers

<https://www.same.org/rockisland>

Clock Tower Building, P.O. Box 2004, Rock Island, Illinois 61204-2004

December 3, 2024

To: High School Students, High School Counselors, Parents of High School Students and University of Iowa SAME Student Post members,

The *Society of American Military Engineers (SAME)*, Rock Island Post, has a scholarship trust fund to encourage and support talented students in their pursuit of careers in engineering and the physical sciences. This year, *SAME* is offering a combination of one-year, two year, and four-year scholarships to qualified students who are pursuing a baccalaureate degree in these fields. In addition, at least one Need-Based Scholarship is also being offered. Applicants should indicate on the application which category (or categories) they wish to be considered for. A downloadable version of the scholarship application is available on our website.

Multiple one-year and two-year scholarships will be awarded at the \$1,000 and \$2,000 (\$1,000 per year for two years) levels respectively to a combination of graduating high school seniors and student members of the University of Iowa SAME Student Post. *SAME* will award the scholarships to the students who best fit the enclosed criteria. In selecting scholarship recipients, graduating high school seniors and University of Iowa SAME Student Post members will be ranked separately. Four-year scholarships will be awarded at the \$4,000 level (\$1,000 per year for four years) to graduating high school seniors. *SAME* will award the scholarships to high school seniors who best fit the enclosed criteria.

Recipients must meet two requirements to continue to receive their 2-year or 4-year awards beyond the initial year:

- Maintain a grade point average of at least 3.0 on a 4.0 scale
- Maintain full time student status progressing towards a four-year degree in engineering or the physical sciences

SAME requests that you make this scholarship application available to your graduating seniors. The Rock Island Post will determine the scholarship recipients in March based on applications **postmarked NLT February 21, 2025**, and award the scholarships at a future *SAME* meeting. The scholarships are being advertised to graduating seniors from local high schools in the Quad Cities and surrounding area.

We are proud to announce that this is the twenty-sixth year that the Rock Island Post is awarding scholarships to local high school seniors. If you have questions or would like further information please contact me at (309) 794-5227.

Sincerely,

Roger A. Perk, P.E.
Scholarship Chair, Rock Island Post SAME
