

USA Environmental, Inc.

USAE Overview

David D. Troxell, PE, PMP
Program Manager

5 December 2024

SAME Blue Ridge Post

Corporate Overview

USAE provide services to locate, identify, remove, and dispose of MEC using the latest technologies available to achieve the highest levels of safety, cost effectiveness, and quality.

USAE's capabilities are applied at former military sites as part of the characterization and remediation process, within active military ranges that require operational clearances and maintenance, or at private locations where MEC has lain dormant until encountered during intrusive activities.
