2025-2026 STEM SCHOLARSHIP APPLICATION

APPLICANT ELIGIBILITY CRITERIA

1. The nominee is to be a **Legal Resident of the United States**, living in New England, who is currently enrolled in an accepted Science, Technology, Engineering, or Math (STEM) curriculum at an accredited institution; preferably in a STEM discipline related to National Security, or other construction related program.
2. The nominee will have successfully completed at least one academic year at an accredited College or University and will have at least one year remaining. Students with a freshman year standing are not eligible for application.
3. Nominees **must be available to interview virtually** with the SAME Scholarship Committee, unless such a requirement is waived by the Committee Chair. Interviews will be conducted virtually on April 7, 2025. Nominees will be notified by March 28. The Scholarship Committee will notify winners within two weeks following the interview. The Committee will coordinate separately with the institution.
4. Nominees will be considered on the following weighted basis:
 - a) Financial need (documented by letter from Financial Aid Office and Form A3 completed by the student)
 - b) Academic achievement (transcripts to be provided by institution)
 - c) Extracurricular and community activities (included on resume)
 - d) Candidate's personal letter and the interview
 - e) Voluntary or paid Work Study or other employment during or between semesters; and
 - f) Interest in ROTC or Military Service, including family history
5. Although not a requirement for award, the SAME Scholarship Committee gives preference to students enrolled in ROTC (preferably not a recipient of a ROTC scholarship), having current or prior service in the US Armed Forces, interest in the US Public Health Service, and/or interest in other public service (i.e., federal, state or local government).
6. **Scholarship winners must attend the SAME Boston Post 2025 Annual Spring Meeting dinner, which is tentatively scheduled for May 6, 2025**, to accept the scholarship personally, unless attendance is waived by the Committee Chair. Winners will be provided with one guest ticket to the award dinner.

2025-2026 APPLICATION CRITERIA

1. By March 25, 2025, forward electronic copies of the following for each nominee:
 - ☐ Resume, home and school address, and personal data characterizing the student's:
 - a) academic and career objectives
 - b) extracurricular and community activities
 - c) work experience
 - d) special interests or hobbies
 - ☐ Current transcripts (Unofficial Transcripts is acceptable)
 - ☐ Summary of financial need information – completion of Form A3
 - ☐ Summary of current financial aid
 - ☐ *Nominee's personal cover letter* to the Scholarship Committee.
2. Students applying for scholarships should provide the items listed in Item 1 (above) and forwarding to the Point of Contact of the Scholarship Committee listed below. Items from the financial aid office or Bursar's office can be forwarded to the Point of Contact.
3. The nominee's letter should help the Committee's understanding of the applicant prior to the interview and could be used to bring to the Committee's attention items not suitable for or apparent from the resumes and transcripts. At a minimum, the nominee should include a brief sentence or two citing the reason(s) why they should be selected for an award.
4. Students are encouraged to complete their own Summary of Cost and Financial Support form, Form A3. The student will be subject to questions about information entered on Form A3 from the Scholarship Committee during the interview if selected.
5. Interviews will tentatively be conducted virtually by the Scholarship Committee on April 7, 2025 (Individual interview time will be verified by April 3, 2025). Disbursement of scholarship awards will be coordinated with the institution by follow-up correspondence in May/June 2025. Scholarship funds will be issued for the 2025/2026 academic year.
6. The full amount of the SAME scholarship award must be assigned to the designated student winner. The SAME Boston Post will submit the monetary award directly to the student's institution. The institution shall not deduct this scholarship from the overall financial aid to the recipient. This scholarship is in addition to Financial Aid being provided to the student.
7. All communication for the 2025 SAME Boston Post Scholarship Program should be directed to:
