

SOCIETY OF AMERICAN MILITARY ENGINEERS MINIMUM EXPECTATIONS OF NATIONAL LEADERS

Character

- Adhere to SAME's values; Integrity means doing what is right when nobody is watching
- Set the example for our members; individually and collectively
- Comply with Conflict of Interest standard

Participation

- Actively participate in NLA activities (prep, meetings, follow up) to include Group and Role meetings
- Come prepared for all meetings - review materials prior to meetings when provided
- Participate in the deliberations but realize that all meetings are limited in duration
- Actively participate in succession planning (recruiting) for the National Leadership Assembly

Competence

- Translate the Strategic Plan and National Direction for Posts
- Internalize the role of all National Entities: SAME Foundation, Academy of Fellows, Executive Committee, Ranking & Review Committee, Board of Direction, National Leadership Assembly
- Understand the SAME Industry-Government Engagement Plan
- Be able to apply Roberts Rules of Order
- Take fiduciary responsibility seriously

Teamwork

- Represent the best interests of SAME as a whole, not your particular Post, Region or Community
- Solicit feedback from Posts and members to inform the National Leadership Assembly

Governance

- Understand and comply with Constitution
- Understand and comply with Bylaws
- Understand the Travel & Lodging policies for SAME Leaders
