EXP FEDERAL Services & Capabilities

Exp Federal, part of the EXP family of companies, offers the advantages of a 50-year history and the support of more than 5,000 professionals in over 120 offices. We offer a wide range of services in architecture, engineering, technical consulting, and facilities management. As our name suggests, exp Federal is fully focused on the US Federal Government.

We have delivered over 250 USACE Task Orders as Prime A/E, with 75% rated "Very Good" or "Exceptional".

Our headquarters is located in **Chicago, IL**, with a local office in **Chantilly, VA**, and our regional support hub for the Middle East is in **Riyad, Saudi Arabia**.

● Work locations

Exp Federal is a new Prime A/E on the USACE TAM A/E IDIQ (2023-2028) Contract Number: W912ER25D0003

Although we are currently supported by our key teaming member KCCT and very capable Middle Eastern subconsultants, we are always looking to connect with capable firms for our current contracts in support of twelve USACE Districts.

EXP FEDERAL TEAM Regional Experience

SITE 20117 - Israel

- **exp** Federal provided architectural, civil, structural, mechanical, electrical, interior, fire protection, telecommunications design services for the DBB construction of munitions storage facilities, sheds, a transformer building, equipment integration plant, road system, and supporting utilities on Site 20117 on an Israeli Air Force (IAF) Base.
- Construction Value: \$300M

Task Force SAFE & Task Force POWER

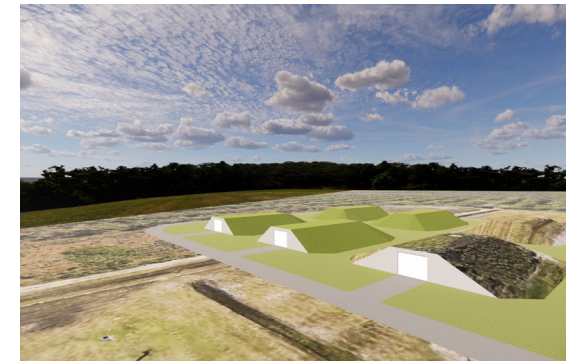

- **exp** Federal provided on-site inspections, design for improvements, minor repairs, and oversight for electrical and fire protection equipment throughout the CENTCOM AOR (Task Force SAFE) and Afghanistan (POWER)
- Between the two projects, we had over 200 in-country staff concurrently.
- Task Force SAFE - \$14M/yearly, completed 2018.
- Task Force POWER – up to \$32M/yearly, completed 2021

Environmental Final Governing Standards

Jordan, Kuwait, Saudi Arabia, Oman, Qatar

- **exp** Federal provided updated Environmental Final Governing Standards (EFGS) IAW DODI 4715.05, SOFA for each noted country.
- Utilized a hybrid **exp** Federal and Host Nation (HN) teams.
- Analysis of applicability and impact of local laws on DOD installations within each country.
- Completed as separate TOs under the previous USACE Transatlantic SB IDIQ.

EXP FEDERAL Partnering

Teaming Opportunities:

- Local Host Nation Subconsultants
- Both A/E services and Construction services

Our Markets:
