WHAT PEOPLE ARE SAYING

- *"Best I've worked with. Ben listened careful to my requirements and only brought me qualified candidates. He also kept me posted on progress/status better than anyone — he always called me before I called him. Finally, and most importantly, his candidates have all been super hires & every one of them is still with us. I'm not calling anyone else."*
Client
- *"If you need a top performing engineering talent, do not hesitate to reach out to Ben Wham and his colleagues at Global Recruiters of Charlottesville. "* Client
- *"I give Ben tremendous amount of credit for his efforts and his role as Advisor during this process and I recommend Ben to anyone who may be looking for a solid Advisor and Recruiter to make the right decisions along the way."*
Candidate
- *"Ben's background as an Engineer (PE) allows him to understand the intricate details of various jobs in the development and construction industry. Due to this, he is able to match ideal candidates to open positions in this industry."* Candidate
- *"Ben's assistance to me was limitless. I will admit that I was at first hesitant about working with a "headhunter." I am so very glad and gratified that I decided to work with Ben and I cannot imagine where I would be without his assistance. I'm certain of one thing: I would NOT have been able to find myself in a great position with a great company doing what I want to do had it not been for Ben Wham and the Global Recruiters of Charlottesville. "*
