

LDG

WORKSHOP

LDG'S "WORKSHOP"

LDG provides high-quality "one-stop-shop" convenience to clients in the Federal market space by personnel whose careers have been dedicated to projects that support the Department of Defense and Federal Civilian Agencies.

WORLDWIDE REACH, LOCAL EXPERTISE

With over 500 personnel, LDG is licensed in all 50 states and Canada, and provides services both CONUS and OCONUS.

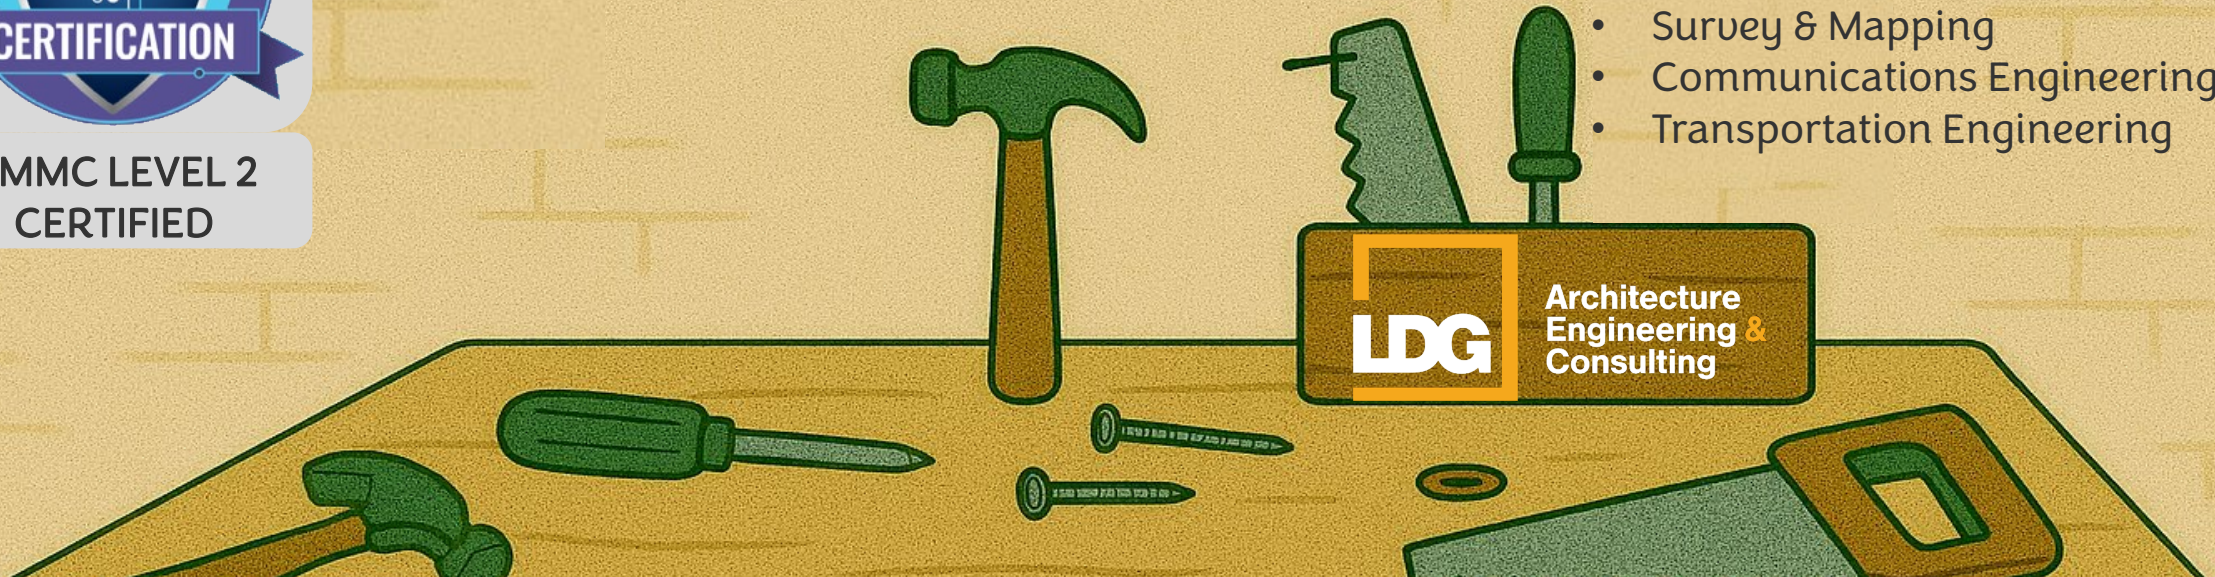

We go where our clients need us.

FROM “WORKSHOP FLOOR” TO “DELIVERY”

LDG maintains an unparalleled record of success in helping to deliver on mission critical assignments over a span of 30+ years of continuous service to our federal customers. As an award-winning, employee-owned Architecture, Engineering, and Consulting firm, our comprehensive qualifications and national reach enable us to serve our public and private clients across a diverse range of industries.

LDG has served as the design lead on various IDIQs, as well as the Designer-of-Record on multiple MACCs, MATOCs, SATOCs, and stand-alone projects across the globe.

DELIVERING SUCCESS TOGETHER

With a proven history of successfully engaging both large and small partners in workshare and portfolio development, LDG is looking to expand our client base through the diversification of **complimentary** and **supplementary** industry partners.

Looking for technical partners such as Architects, Civil, MEP, Environmental, Geotechnical, Structural, Cybersecurity, Cost Estimating, Survey, Master Planning, Fire Protection, Communications, and more!
