For convenience, and as a reminder, the SAME mission is:

“SAME leads collaborative efforts to identify and resolve national security infrastructure-related challenges.”

And our values are:

Integrity: Unwavering commitment to always do what is right, regardless of consequences.

Patriotism: Support our national ideals and take pride in our country.

Public Service: Recognize the critical contribution that public servants make in supporting the economic and environmental needs of the nation.

National Security: Recognize the dedication of our national security team, comprised of the uniformed services, civil service and contractors, in defending freedom.

Technical Competence: Deliver high-quality solutions.

Excellence: Strive for the highest standards of performance in all actions, both personal and professional.

Environmental Stewardship: Preserve, protect, conserve and restore our national resources through sustainable practices.
