

# STEM/ENGINEERING & CONSTRUCTION CAMPS

## Mission: Possible! Start Your STEM Future Now

### EXPLORE. BUILD. LEAD.

Looking for hands-on learning and unforgettable summer fun? **SAME's STEM/Engineering & Construction Camps** offer high school students immersive experiences supported by the SAME Foundation and led by professionals from the military and engineering community and other volunteers.

### Activities include:

- Building concrete beams
- Using survey equipment
- Constructing & racing cardboard boats
- ...and much more!

### CAMP HIGHLIGHTS:

- Camps last one week and range from \$100 - \$800.
- Camps are held in June and July; all are overnight camps.
- Hosted at 6 locations/bases nationwide
- Lodging & meals included

*(Must be at least 15 years of age to apply: rising sophomore, junior, or senior.)*

SAME camps help students chart a course toward future education, leadership, and career opportunities in STEM—while building confidence, friendships, and unforgettable memories.

**READY TO LAUNCH YOUR STEM JOURNEY?  
MISSION POSSIBLE STARTS NOW!**

**Apply Today! Application Deadline is March 11, 2026.**

# STEM/ENGINEERING & CONSTRUCTION CAMPS

**Mission: Possible! Start Your STEM Future Now**

## SAME SAME STEM ENGINEERING & CONSTRUCTION CAMP June 7-13, 2026 • Honolulu, Hawaii

### Looking to engage in hands-on learning and fun?

The SAME / STEM HAWAII Camp is seeking 40 qualified high school students interested in attending the SAME STEM Engineering & Construction Camp in June 2026. Students will engage in hands-on engineering and construction activities under the mentorship and supervision of SAME professionals and other volunteers from the local engineering community. The week-long program includes interaction with architecture/engineering firms, construction companies, military leaders, and volunteers. Campers will stay in cabins at Camp Paumalu on Oahu's North Shore.

### CAMP HIGHLIGHTS:

- Camp lasts one week and costs \$800.
- Camp is overnight; all food, lodging, and supervision is provided.
- SAME Camps feature many dynamic activities, including building concrete beams, using survey equipment, constructing, and testing cardboard boats, and more.
- Field trip to Pearl Harbor

*(Must be at least 15 years of age to apply; rising junior, or senior.)*

**Application Deadline: March 11, 2026**

#### TEAMWORK

#### LEADERSHIP

#### PROJECT MANAGEMENT

#### PROBLEM-SOLVING

## SAME/STEM ENGINEERING & CONSTRUCTION CAMP

### APPLICATION CRITERIA:

- Must be at least 15 years of age before the first day of camp to apply; rising junior, or senior.
- SAME Camps feature many dynamic activities, including building concrete beams, construction, and testing cardboard boats, hands-on engineering and team-oriented problem-solving exercises, and more.
- On a track that will provide a basis for attending an accredited engineering college or university (such as taking appropriate STEM courses)
- Minimum GPA of 3.2
- Demonstrated leadership characteristics through participation in extracurricular activities, sports, and/or community activities.
- Physically fit.
- U.S. Citizen and able to provide proof of medical insurance.

### COSTS & REGISTRATION:

- Registration fee for the camp is \$800. This includes lodging, meals, materials, instruction, and mentoring. Campers are supported by SAME Posts from around the country, which often provide offsetting financial support toward camp tuition.
- Once selected, campers must submit half the registration fee to hold their spot.
- Sponsorships for the other half of the amount (or more) may be available from the Posts.
- No additional application is needed for these scholarships. Posts with funding available will review the accepted camper list and we will contact campers if a scholarship is available.

## SAME/U.S. MARINE CORPS STEM, ENGINEERING & CONSTRUCTION CAMP

**June 21-27, 2026 • Camp Lejeune, NC**

### Looking to engage in hands-on learning and fun?

The SAME/Marine Corps Camp is geared toward students interested in pursuing engineering-related studies in college or a service academy and is built on the steps that professionals encounter when working with a client to deliver sound installation and facilities related products.

Campers live, eat, and complete activities as a squad of 10, under the guidance of a uniformed servicemember and two STEM-related working professionals. Berthing is provided in Marine Corps barracks; meals are taken at galleys or in the field; and instruction is conducted at various sites aboard MCB Camp Lejeune, N.C.

### CAMP HIGHLIGHTS:

- Camp lasts one week and costs \$800.
- Camp is overnight; all food, lodging, supervision is provided.
- SAME Camps feature many dynamic activities, including building concrete beams, constructing and testing cardboard boats, and more!

*(Must be at least 15 years of age to apply; rising sophomore, junior, or senior.)*
