

Cape Fear Post Monthly Meeting

I-ATLAS & the National Coastal Mapping Program (NCMP) Toolbox

Presented by Woolpert

Quin Robertson, PhD – Research & Development, NCMP Toolbox

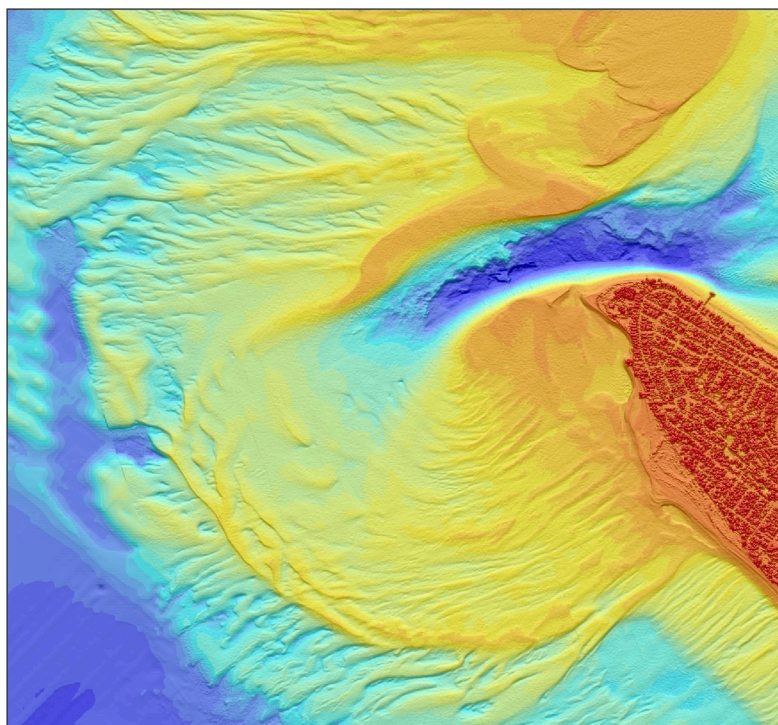

Thursday, May 28, 2026

11:30AM - 1:00PM

Hieronymus Seafood and Oyster Bar

5035 Market St, Wilmington, NC 28405

*Please join the SAME Cape Fear Post on Thursday, May 28th as we welcome Quin Robertson, PhD to discuss the **Interagency Airborne Technologies for Lidar, Analysis, and Survey (I-ATLAS, formally JALBTCX) Program** and the **National Coastal Mapping Program (NCMP) Toolbox**. Dr. Robertson has been part of the NCMP Toolbox team from the beginning and leads research and development of tools for extracting metrics from topobathy lidar data. He will be sharing his insights and experience leveraging high-resolution digital elevation models for coastal mitigation and flood risk management.*

MENU CHOICES

Fried Shrimp, Fried Flounder, Grilled Chicken Salad, Shrimp Caesar Salad, Clam Strips, Shrimp-n-Grits All above are **served with a beverage** and, with the exception of Salad Plates, a **side salad and one side**.

Scholarship Raffle **\$1.00/ticket** at meeting.
