# OASIS+

2026 SAME Omaha-GKC Post  
Missouri River JETS  
*(Joint Engineer Training Symposium)*

May 27, 2026

# Overview

- Introduction to OASIS+
- Value Proposition
- Program Operations and Usage
- Becoming an OASIS+ Vendor
- Where to Get Help
- Questions
- OASIS+ Resources

One Acquisition Solution  
for Integrated Services +

A suite of governmentwide, multi-award IDIQ contracts designed to support Federal agency procurement requirements for a full range of non-IT, services-based requirements.

The scope of each contract vehicle is categorized into “functional groupings” known as **DOMAINs**.

## Six Solicitation Categories (IDIQ Contracts)

*Five contracts for Small Businesses*

How is **OASIS<sup>+</sup>** structured?

# OASIS<sup>+</sup> Unique Features

- Vetted **highly-qualified** contractors
- Flexible, expandable **domain-based** structure
- **10-year order period** (base of five-year and one five-year option period)
- Maximizes **small business** participation
- **NO** contract dollar ceiling & **NO** cap on awards
- All contract types for **commercial** and **non-commercial** services acquisitions
- Open contract with **continuous on-ramping**
- FAR Subpart 16.5 **streamlined acquisition procedure**

# OASIS<sup>+</sup> Category Management

- OASIS<sup>+</sup> has been designated as a Tier III, Best-in-Class (BIC) contract by the Office of Management and Budget (OMB)
- The term BIC is a contracting and acquisition designation used to denote contracts that meet rigorous category management performance criteria as defined by OMB.
- It is a preferred governmentwide solution
- Key BIC evaluation criteria include demonstrated use of category and performance management strategies and third-party validation

# OASIS+ Tier 3 Best-in-Class

*In support of OMB's Spend Under Management*

Tier 0	Tier 1	Tier 2	Tier 3
<ul style="list-style-type: none"><li>• Spend not aligned to CM Principals</li><li>• Contract dollars not fitting into any other Tier</li><li>• OMB encourages Agencies to shift to higher tier solutions</li></ul> <p><b>Example:</b> Open Market Acquisitions</p>	<ul style="list-style-type: none"><li>• Agency-Wide Mandatory Solutions</li><li>• Agency-Wide contract dollars with mandatory use or mandatory consideration policies &amp; data sharing standards</li></ul> <p><b>Example:</b> Air Force NETCENTS IDIQ</p>	<ul style="list-style-type: none"><li>• Multi-Agency Solutions</li><li>• Obligated dollars on agency-wide contracts satisfying rigorous standards for strategy, data, tools &amp; metrics</li></ul> <p><b>Example:</b> Multiple Award Schedules</p>	<ul style="list-style-type: none"><li>• Government-Wide Best-in-Class (BIC) solutions</li><li>• Contract dollars obligated on Best-in-Class contracts</li></ul> <p><b>Example:</b> OASIS+, Alliant</p>

# OASIS<sup>+</sup> Domains

# OASIS+ Domains

- OASIS+ contract scope is organized by **Domains** (*functional groupings of related services*)
- Each Domain contains multiple contract line items (**CLINS**) aligned to North American Industry Classification System (**NAICS**) codes
- OASIS+ contractors may qualify for award of **some or all NAICS** included in a specific Domain (provided they meet all qualifications for award)

-  Management and Advisory
-  Technical and Engineering
-  Research and Development
-  Logistics
-  Facilities
-  Intelligence Services
-  Environmental
-  Enterprise Solutions
-  Financial Services
-  Human Capital Services
-  Social Services
-  Business Administration
-  Marketing and Public Relations

# OASIS<sup>+</sup> Value Proposition

# OASIS+ Value Proposition

- By using OASIS+, federal agencies can focus on their expertise & mission while GSA delivers program management & contract administration at the master contract level
- OASIS+ provides complete control to structure, award & administer task orders
- Reduces lead time & administrative effort to acquire complex professional service-based requirements
- Designed for a long period of use; task orders can be awarded through 2029 (2034 after OASIS+ Option Exercise) with performance extending up to five years and six months beyond the end of the ordering period.

# OASIS+ Value Proposition

- No maximum order or ceiling limitations
- Allows for ancillary support components, commonly referred to as Other Direct Costs (ODCs), at the task order level
- Supports a significant IT component with no cap, as long as the primary NAICs is not IT
- Allows for wide-ranging, non-standard Labor Categories
- Under the Revolutionary FAR Overhaul, now permits the establishment of Blanket Purchase Agreements

# Strategic Environment Overview

- Procurement consolidation accelerating
- Category Management and Spend Under Management goals
- **OASIS+** positioned as a Best-in-Class solution
- Alignment with agency mission outcomes
- Modernization and efficiency initiatives
- Growth in fixed-price contracting
- Increased pricing transparency
- BPAs permitted under **OASIS+**
- Expanded use of scope reviews and advisory services

# Program Metrics and Growth

**NEW**  
**OASIS+ awards**  
issued weekly

**\$595M**  
**TOTAL PROGRAM**  
obligations to date

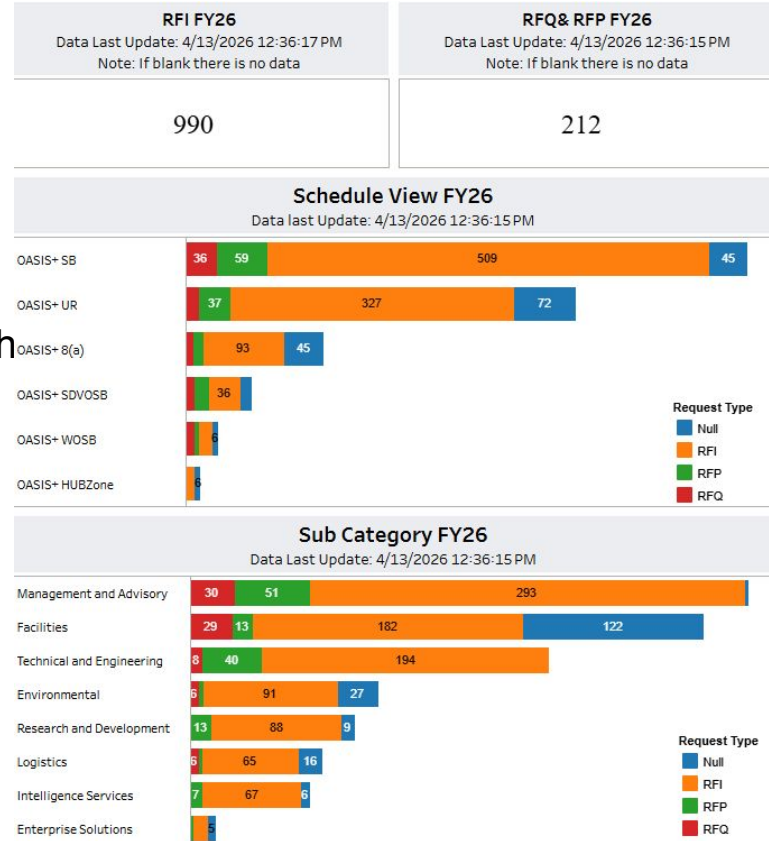

**\$2.98B**  
**Total Estimated Value**  
all task orders

**Increased  
Order Volume**  
aligned with governmentwide  
procurement consolidation

**Agency  
reliance**  
on **OASIS+** for complex  
requirements

# Market Activity Snapshot (FY26)

- ~**1000 RFIs** issued in eBuy
- Management & Advisory and Facilities leading RFI activity
- Technical & Engineering close behind
- Over **400 RFIs** driven by GSA Market Research as a Service support
- Small Business and Unrestricted pools generating the highest RFI volume
- USAF and DHS issuing the highest number of RFPs
- Small Business and Unrestricted pools accounting for the majority of RFPs

# Competition and Participation

- Average of **7** offers per task order
- Competitive task order environment driving innovation and value
- Approximately **80%** of awarded task orders to Small Businesses totaling **\$1.68B** in Total Estimated Value
- **\$590M** Total Estimated Value for Unrestricted awards
- Strong 8(a) and small business engagement across domains
- **~1,100** DPA holders - Largely DoD, followed by DHS.

# What Success Looks Like

- Sustained adoption across DoD, DHS, and civilian agencies
- Active pipeline development across domains
- Strong competition reinforcing vehicle credibility
- Small business participation remaining central to performance
- **OASIS+** increasingly embedded in agency acquisition strategy

## Take Action

- **Evaluate** Phase II expansion opportunities
- **Leverage** the Awards Exploration Tool
- **Plan** around HCaTS transition milestones
- **Stay informed** on policy changes
- **Engage** in working groups and OSIG

# Thinking of becoming an OASIS+ Vendor?

- Does your business operate within one or more of the OASIS+ Domains?
  - Ex. Facilities, Technical & Engineering, Environmental
- Do your professional services fall within the OASIS+ scope?
  - Do our offerings meet the definition of Services as defined in FAR Part 37?
    - Meaning: “a contract that directly engages the time and effort of a contractor whose primary purpose is to perform an identifiable task rather than to furnish an end item of supply.”

# Do I qualify to be an OASIS+ Vendor?

- Essential terms to know:
  - Qualifying Projects - Federal, Subcontracts and Commercial Projects permitted
  - Federal Experience Projects
  - Average Annual Value (varies by domain)
- Systems, Certifications, Qualifications
  - Not required but earns more points
- Subcontracting, Partnering and Teaming Arrangements permitted
- **Bottom line:** Meet or Exceed Domain Qualification Thresholds

# Sample Scorecard

## Technical & Engineering Domain - Small Business & Socioeconomic Set-Asides

The minimum average annual value for a QP is \$500K for this Domain and socioeconomic RFPs.

#	RFP Section	Capability	Qualification	Max # of Credits
1	L.5.2.3.1	QP - Relevance	Relevant QP: Each Relevant QP receives 4 evaluation credits; each non-Relevant QP receives 0 credits for this item, but can receive credit for items 2, 3, and 4.	20
2	L.5.2.3.2	QP - Scale  1st Tier 2nd Tier	Offeror receives 1 credit for each QP that demonstrates any one of the following: ___Average annual value $\geq$ \$1M or 5 FTEs ___Average annual value $\geq$ \$4M or 20 FTEs (this credit is in addition to the credit for \$1M / 5 FTEs) Note that credit is provided for total annual project value and/or FTEs, not just the portion relevant to this Domain. <b><i>*Under this category, a QP can achieve more than one credit if it meets more than one of the criteria.</i></b>	6
3	L.5.2.3.3	QP - Integrated Experience	Offeror receives 1 credit for each QP that demonstrates one of the following: ___Performance spanned 5 or more different Labor Categories OR ___Performance spanned 3 or more distinct functional areas within Attachment J.P-5, Functional Areas and Subareas <b><i>*Under this category, each QP can only achieve 1 credit max</i></b>	5
4	L.5.2.3.4	QP - Management & Staffing	Offeror receives credit for QPs demonstrating any of the following: ___Surge Capability: providing surge support with $\leq$ 45 days lead time ___Managing 3 or more first-tier subcontractors/teaming partners ___Providing services that involve 5 or more personnel with individual security clearances: Secret, Top Secret, Q (DOE) <b><i>*Under this category, a QP can achieve more than one credit if it meets more than one of the criteria</i></b>	7
5	L.5.6	Past Performance	Offeror receives 1 credit for 3 Relevant QPs with a Positive Past Performance Rating (e.g., $>3.0$ on a 5 point scale). Offeror receives 2 credits under this criterion if 4 QPs are Relevant with a Positive Past Performance Rating, and 3 credits if all 5 are Relevant with a Positive Past Performance Rating. Offeror does not receive credit for a QP with a satisfactory rating, a neutral rating (i.e., lack of past performance information), or a non-relevant QP, but they can still use those QPs to claim other QP-based credit IAW criteria 1 through 4.	3

# Sample Scorecard

6	L.5.3.1	FEP - Competition in Multiple Award Environments	Offeror receives credit for competitive task orders awarded in MA-IDIQ, MA-BOA, MAS, or MA-BPA environment (1 for each award). To be considered competitive, the task order solicitation must have been issued using competitive procedures. Offeror may include up to 4 additional projects for this factor.	4
7	L.5.3.2	FEP - Federal Agencies	Offeror receives 1 credit for providing services in support of 3 or more distinct Federal Agencies. Offeror may include up to 3 additional projects for this factor.	1
8	L.5.4.1	Accounting System	Offeror receives 2 credits for having an adequate accounting system supported by documentation described in the RFP.	2
9	L.5.4.8	Government Facility Clearance	Offeror receives 1 credit for having one of any of the following Facility Clearance Levels: __ Top Secret __ Secret FCL	1
10	L.5.5	Other Certifications	Offeror receives 1 credit for having one of any of the following certifications: __ Capability Maturity Model Integration (CMMI) - Level 2 or higher __ ISO 27001:2022 (Information Security) __ ISO 9001:2015 (Quality Management) __ ISO 22301 (Business Continuity) __ Cybersecurity Maturity Model Certification (CMMC) - Level 2 or higher	1
			<b>TOTAL CREDITS AVAILABLE</b>	<b>50</b>
			OASIS+ SB Qualification Threshold	<b>36</b>

## Where to Get Help

- Apex Accelerators: The [APEX Accelerators](#) program, formerly known as Procurement Technical Assistance Program, or PTAP, under management of the Department of Defense Office of Small Business Programs, or OSBP, plays a critical role in the department's efforts to identify and helps a wide range of businesses enter and participate in the defense supply-chain. The program provides the education and training to ensure that all businesses become capable of participating in federal, state, and local government contracts.
