Educational Program:

“Crossroads Development”

*Sam Howe and Josh Gorczynski
MCL Construction Business Development*

The Crossroads Development is located at 72nd and Dodge Streets in Omaha on the site of the former Crossroads Shopping Center. Average daily traffic through the intersection is approximately 76,000 vehicles. Changing consumer preferences and demographics provides a challenge to the developer. Mr. Howe and Mr. Gorczynski discussed the challenges, and solutions needed to meet the challenges and described how the development will fit into the re-imagined use of the property.
