TULSA POST
SOCIETY OF AMERICAN MILITARY ENGINEERS

The Tulsa Post of the Society of American Military Engineers (SAME) is pleased to announce plans to award a minimum of three $2,000 scholarships to Junior or Senior students in Engineering, Biological Sciences and Physical Sciences programs. Our annual scholarships are named in honor of Mr. J.D. Metcalfe who was instrumental in accomplishing unprecedented and nationally recognized flood risk reduction initiatives in Tulsa, Oklahoma and was a loyal and respected member of the SAME. During his career as Tulsa Street Commissioner, Mr. Metcalfe's vision and leadership improved the quality of life of countless Tulsans. These scholarships will recognize students whose accomplishments; associated with scholastic abilities, leadership and love of country; are honored by SAME and mirror the achievements of Mr. Metcalfe.

Students from Langston University, Northeastern State University, Oklahoma Baptist University, University of Central Oklahoma, Oral Roberts University, Oklahoma State University, Oklahoma University, Langston University and Tulsa University; who meet the following minimum qualifications; will be considered for the scholarship awards (**Tulsa Post members can nominate students who attend any university**).

- Junior or Senior Level Engineering, Biological Science or Physical Science Student
- 2.5 Grade Point Average
- United States Citizen

These scholarships are not limited to students interested in military careers. All applicants in Engineering, Biological Science, or Physical Science programs that meet the above eligibility requirements will be considered.

Applications must be postmarked by December 31, 2026, and mailed or emailed to:
