BASICS

- Register in the System for Award Management (SAM) https://www.sam.gov
  - To be eligible to make an offer/bid/proposal
  - Registration is FREE
  - Ensure your registration stays active

- Registration information populates the Small Business Administration's Small Business Search (SBA SBS)
  - Include keywords and narrative information reflected in SAM
  - Use North American Industry Classification System (NAICS) codes that align with your competencies (not manufacturing or retail codes)
  - Verify your business profile is in the SBA SBS: https://search.certifications.sba.gov/
  - Update annually to avoid inactive status

- Your local APEX Accelerator
  - Guidance on what information to include in your registration
  - Find your nearest APEX Accelerator here: https://www.apexaccelerators.us/#/

- Failure to include a company profile, relevant keywords, or bonding capacity in SBA SBS may reduce your chance of being identified, or considered during market research

TIPS FOR BEING SUCCESSFUL

- Read the entire solicitation, including amendments, and follow the instructions in the solicitation. Make sure your proposal/offer follows all the proposal preparation instructions.

- Ask questions early in the solicitation period. The Louisville District utilizes ProjNet. If you have a question, please submit it via ProjNet to ensure a timely response.

- For negotiated procurements, submit your best technical and price proposal during your initial submission. Don’t assume that discussions will be opened and that you will have the opportunity to submit a revised proposal.
