Nov 2026~ Vol 26 Issue 11

NOV 19 POST MEETING

Our next Post meeting will be on **Nov 19, 11:30 am – 1:00 pm**, at the Old San Francisco Steakhouse. The meeting will feature a **presentation by the UTSA's award winning robotics team**. The team of first-year University of Texas San Antonio students from the Klesse College of Engineering and Integrated Design and the Honors College won first place in the **global 2026 Siemens Immersive Design Challenge**, Team 210 Robotics competed against more than 1,900 initial participants. The team became the first and only U.S. university team to reach the final round and win the competition, defeating finalist teams from the United Kingdom and Mexico. The team's "RoboRowdy" robot is a autonomous free-roaming robotic system built to automate post-processing and maintenance for mid- to large-scale 3D print farms.

RSVP at https://261119samesatx.eventbrite.com by Monday, Nov 16, 10 am.

POST ELECTION CANDIDATE CALL

Our **candidate call** for this year's Post elections has been **extended to Nov 6**. There are five (5) elected positions on the Post Board available in this year's elections: 2027 Vice President/2028 President-elect; 2027 Treasurer, 2027 Secretary, 2027-2028 Programs Director; and 2027-2028 STEM & College Outreach Director. Individuals elected to these positions will join the previously elected and appointed Board members to be the 2027 Post Board. See **pages 2-3** for details about these positions and the eligibility criteria. All Post members are encouraged to join the Post leadership team. Go to **https://www.same.org/wp-content/uploads/2026/10/2026electioncandidateapp.docx** for the application.

The **DEADLINE to email your application to samesatx@gmail.com is Friday, Nov 6, 5 pm**.

Election Candidate Details

The Post Board is organized as shown above to support the 3 Goals of the **2030 SAME Strategic Plan**: (1) Drive Partnerships; (2) Deliver Solutions; and (3) Develop People. The positions available in this year's elections are as follows:

1. **2027 Vice President/2028 President-elect**: This is a 2-year position. The individual elected will first serve as Vice President under Cathy Bond, our previously elected 2027 President, then assumes the role of Post President for 2028. Following the individual's year as President, he/she will be asked to continue to serve as Past Post President on the 2029 Board.

2. **2027 Treasurer**: This is a 1-year position (elected/re-elected each year). This individual is the Chief Financial Officer for the Post and overall responsible for all financial matters and accounts.

3. **2027 Secretary**: This is a 1-year position (elected/re-elected each year). This individual is overall responsible for all administrative matters related to Post operations.

4. **2027-2028 Director, Programs**: This is a 2-year position. There are 4 elected Directors (2 elected/re-elected each year) responsible for the 3 Goals in the 2030 SAME Strategic Plan. This Director with the help of other applicable Board/Committee members is overall responsible for:

- Strategic Plan Goal 2 "Deliver Solutions", and its associated objectives and suggested Post tasks - see the **2030 Streamers Program**.
- Working with the Partnership Director to arrange for speaker (s) for Post meetings and other events to help the Post achieve the Goal 1 and Goal 2 Strategic Plan Post Tasks.
- Assisting STEM & College Outreach and Member Development Directors with related objectives/tasks within Goal 3 Strategic Plan Post Tasks.
- Working with other elected Directors to ensure the Post accomplishes enough of the suggested Post tasks related to the Strategic Plan to earn the Post Streamer annually.

(continued on next page)

Election Candidate Details

5. **2027-2028 Director, STEM & College Outreach**: This is a 2-year position. It is another one of the 4 elected Directors (2 elected/re-elected each year) responsible for the STEM & College Outreach related tasks of the 3 Goals in the **2030 SAME Strategic Plan**. This Director in conjunction with the Member Development Director and the help of other applicable Board/Committee members is overall responsible for:

- Strategic Plan Goal 3, "Develop People", and its associated objectives and suggested Post tasks - see the **2030 Streamers Program**.
- Assisting other elected Directors with STEM & College Outreach related objectives/tasks within their assigned Goals.
- Working with other elected Directors to ensure the Post accomplishes enough of the suggested Post tasks related to the Strategic Plan to earn the Post Streamer annually.:

The two elected Directors mentioned above will join **previously elected Directors Steven Holt, F.SAME, our current 2026-2027 Partnership Director, and our current 2026-2027 Member Development Director, James Kisiel**, and be responsible for the Post's support of the 2030 Strategic Plan's Goal 1 “Develop Partnerships”, Goal 2 "Deliver Solutions and Goal 3 “Develop People” - see organization chart on previous page.

Additional information about Post Leadership includes:

- **SAME San Antonio Post Bylaws and Other Governance**
- **SAME San Antonio Post Board Meeting Minutes**
- **SAME Post Leader Quick Reference Guide**
- **SAME Post Operations Manual**
- **SAME Post Leaders Workshop Web Page**

ELIGIBILITY

To be eligible to be a candidate for our elections, you MUST:

- Be a current SAME AND San Antonio Post individual member AND
- Not be a candidate for or an elected/appointed member of another Post's Board of Direction AND
- If elected, keep your SAME and San Antonio Post membership current during your term(

These positions do involve a commitment of time. There are Board meetings, Post meetings and work related to your specific activities/areas of responsibilities, which all together involve several hours each month. If you travel frequently as part of your job, it may hinder you from effectively filling a Board position.

President's Corner

A Season of Gratitude!

As we enter November, a month traditionally centered around gratitude and giving thanks, I find myself reflecting on the many people, partnerships, and opportunities that make our organization so meaningful. This is a time to pause, recognize our accomplishments, and express appreciation for the individuals who continue to make a difference in our military engineering and government contracting communities.

Our organization is built on the strength of relationships between industry and government. Bringing these communities together creates opportunities for collaboration, encourages the exchange of ideas, the creation of solutions, and strengthens our collective ability to support our shared mission. These partnerships are not only professional connections, but relationships built on trust, shared purpose, and a commitment to serving something greater than ourselves.

I am especially thankful for our government partners who work tirelessly to navigate ever evolving priorities, complex requirements and challenging situations while keeping the end goal and mission their priority. I am equally grateful to our industry members who bring innovation, expertise, dedication, and a willingness to find solutions to the challenges facing our military community and clients. It is through this collaboration that we turn obstacles into opportunities and ideas into meaningful results.

I also want to recognize our members, committee chairs, and leadership team, all of whom are volunteers that serve and support our SAME SA Post. Everyone's time, energy, and commitment are what keeps this organization moving forward and I am eternally grateful for all of you. Our success is not measured solely by the events we host or members we gain, but by the relationships we build and the positive impact we make together.

As we look forward to the remainder of the year and begin preparing for what 2027 will bring, I encourage everyone to take a moment to recognize the value of being part of this community. In a world where priorities shift and challenges are constant, we should never lose sight of the importance of connection, collaboration, and a shared commitment to our mission.

Thanksgiving reminds us that gratitude is more than simply saying thank you. It is demonstrated through our actions, our willingness to support one another, and our commitment to giving back. I encourage each of you to find opportunities to express appreciation, recognize contributions of others, and continue investing in the relationships that make our organization strong. I hope everyone has a wonderful Thanksgiving month filled with gratitude, happiness, and time spent with those who matter most.

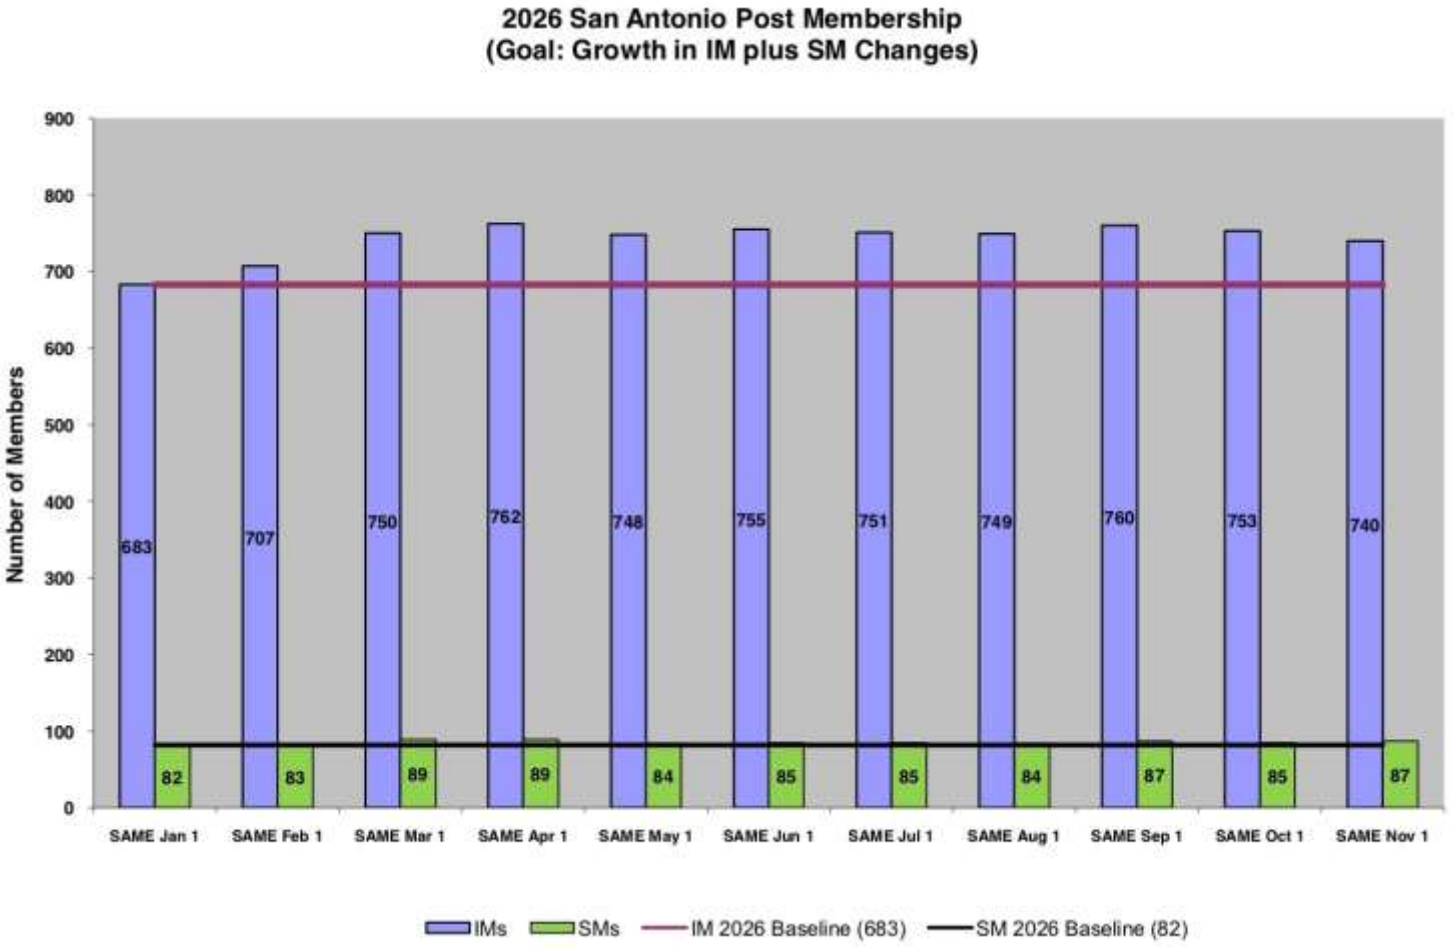

Cheers, Prost, and Salut!

Sarah Fowlkes

RELOCATING???

Did you get a new job or assignment? Or maybe there's some other reason you are or soon will be relocating away from the San Antonio area? There are many important things to think or be concerned about when moving - home, utilities, school for the kids, changing of mail address, vehicle registration and more.

Those, of course, are everybody's focus areas as they prepare for the next big step in their career or personal lives.

As you work those things in your move, it's easy to forget about your SAME membership. Things like what happens to my membership or is there a Post/Field Chapter where I'm relocating to may not be on the top of your list to think about and rightfully so.

So we are here to help you with your SAME membership transition. Just email us where you are moving at **samesatx@gmail.com** and we will help getting your membership record changed and notifying the Post/Field Chapter in the area you are moving to.

We value you as a SAME member and even though you may be moving away from the San Antonio area we want you to continue to receive all the benefits of membership with our great Society.

MAKING A DIFFERENCE AS A MEMBER - SUPPORT OUR SAME FOUNDATION

The SAME Foundation supports programs that introduce youth to STEM, develop emerging leaders within our membership, and increase the number of veterans transitioning into the engineering and construction workforce. The Foundation also provides a secure and beneficial repository for charitable and other bequeaths from members of the Society and the public at large. See **https://www.same.org/foundation/** for details.

Our nation must have a continuous pipeline of quality engineering and STEM leaders to address the complex national security and infrastructure challenges. The SAME Foundation was specifically created to attack this need by leveraging the charitable capacity of our Society and of engineering and related professions.

Contributing to our SAME foundation is your opportunity to make a difference as a SAME professional!!

We hope you will consider donating or encouraging your company/organization to donate to the SAME Foundation at https://my.same.org/donate.

.

SAME LEADER DEVEPMENT PROGRAM

The **SAME Leader Development Program (LDP)** develops emerging leaders from across the Society who are ready to strengthen their leadership skills, expand their influence, and contribute to the future of SAME and the A/E/C profession.

Financially supported by the SAME Foundation and facilitated by the Leader Development COI, the LDP is a signature investment in developing SAME's next generation of leaders.

The program brings together a diverse cohort of SAME members for an immersive, hands-on leadership experience designed to strengthen strategic thinking, collaboration, and mission-driven leadership.

A Transformational Leadership Experience

The program emphasizes real-world application - ensuring participants translate learning into lasting impact.

Participants engage in:

- A year-long curriculum running from JETC to the following year's JETC
- Approximately 120 hours of leadership Development through workshops, reading , cohort experiences, and other learning activities
- An independent or collaborative Utilization Project Implementation Capstone (UPIC) addressing a key need or priority of SAME or the A/E/C profession
- Opportunities to apply their leadership through expanded service at the Post, Regional, and National levels

Program Commitment & Eligibility

The Leader Development Program is a year-long commitment, running from JETC in May through the following year's JETC, and is designed for SAME members ready to take the next step in their leadership journey.

Applicants must:

- Be a SAME member with at least one year of membership by the application deadline
- Have a minimum of five years of progressive professional experience
- Demonstrate a commitment to leadership growth and active SAME participation

A complete **SAME LDP Program Description** is available **at https://www.same.org/wp-content/uploads/2026/09/same-ldp-program-application-instructions-2027-2028.pdf**.

Applying for the SAME LDP

SAME is accepting applications for the 2027-2028 Class until Dec 1, 2026.

To apply, go to https://www.same.org/career-leadership/ldp/ and click on the "LDP Application Form" Button (you will need to log in as a SAME member).

College Outreach (Scholarships)

2026 Scholarship Program

The Post Scholarship Committee completed the evaluation of the applications for the 2026 Scholarship Program. We are now onto the fun portion of the program – the presentation of the scholarships to the students.

The Committee met on October 16 to discuss the results of the on-line judging of the applications, and to select the winners, the type of scholarship each awardee would receive, and scholarship amount. Though the Post received 27 applications, the committee only evaluated 26 applications. We had to disqualify one application from a student pursuing his Master's degree. Our program only awards scholarships to students in undergraduate programs.

The Committee recommended 12 awards for a total of $46,000. The Committee also requested and received approval to move $1,000 in the budget from the High School Scholarship line item to the College Scholarship program. Both requests were approved by the Board.

The table below provides information on each of our scholarship winners.

Name	Texas College or University	Major	Scholarship	Amount
Divan Begemann	Texas A&M University	Mechanical Engi-neering	General*	$3,000
Emerie McCann	University of Texas at Austin	Environmental Engineering	John Hill Carruth	$5,000
Joshua Takere	Texas Tech University	Computer Science	General*	$3,000
Natan Atherton	Texas A&M University	Industrial Distribution	Col William A. "Bill" Myers	$5,000
Benjamin Jones	Texas A&M University	Industrial Distribution (IDIS)	Col Richard "Dick" Kochanek	$5,000
Eric Camacho	University of Texas at San Antonio	Mechanical Engineering	Gen Edgar Jadwin	$5,000
Kyan Sanchez	Texas A&M University	Industrial Distribution	John L. German, PE	$5,000
Adebanjo Oluwalayomi	Texas Tech University	Mechanical Engineering	General*	$2,000
Dylan Soontornviwath	Texas A&M University	Chemical Engineering	Brigadier Gen Hubert O. "Hub" Johnson	$5,000
Yukari Roskamp	Trinity University	Political Science and Communication	Larry Martin Small Business	$5,000
Israel Elizondo	University of Texas at San Antonio	Mechanical Engineering	General	$1,500
Bohdan Hlavatskyi	University of Texas at San Antonio	Mechanical Engineering	General	$1,500

* Won a Named Scholarship last year and is only eligible for a General Scholarship

(Continued on next page)

2026 Scholarship Program (cont'd)

Cathy Bond went up to Lubbock to present the awards to the two Texas Tech winners. John Baker, John German, Dick Kochanek, and Bill Myers will travel to College Station to present the checks, certificates, and letters to the Texas A&M students. The students at TAMU won the scholarships named for John German, Dick Kochenak, and Bill Myers. Danielle Genzer is organizing a group to go to Austin to present the award to the student at UT. Bonnie Hopke is organizing the presentation to the Trinity student and Terry Watkins is leading the presentation for the awardees at UTSA.

Big THANK YOUs go to following:

Emily Forsythe, from Freese & Nichols, for continuing to provide administrative support, including preparing the letters and certificates.

Our judges – Cathy Bond, Steve Holt, Dick Kochanek, Michael Gund, Danielle Genzer, Anthony Figiera, Joe Martinez, Ed von Dran, and Terry Watkins.

Our presenters - for taking the time to meet the scholarship winners and present their checks in person.

ALL OF YOU for supporting the Post's activities (e.g., Golf Tournament & Small Business Market Research Fair) throughout the year which allow us to award scholarships to deserving students.

I wish that each of you could talk to the scholarship winners to hear how grateful they are for the support we provide!

New Resident Portal Streamlines Housing Maintenance Process

(AF CE Weekly Email Oct 27 , Story by Vanessa R. Adame, AFIMSC Public Affairs)

JOINT BASE SAN ANTONIO-LACKLAND, Texas – The Air Force Installation and Mission Support Center is deploying a new Resident Maintenance Portal to better manage maintenance requests across installations.

The modernized portal, fielded by the Air Force Civil Engineer Center's Divisions for Business Information Systems Mission Support and Housing Management, accelerates maintenance response times for residents living in government-owned family housing and unaccompanied dormitories.

The rollout began this month across select installations. Using a phased implementation schedule, the capability will be available to the enterprise by Oct 16.

Residents can submit a maintenance request by scanning designated QR code using a mobile phone or tablet. The QR code links directly to an online maintenance request form that sends that request to RMP. The request can then be sent to NexGen IT, the Air Force's centralized maintenance management system for the civil engineering community. Once received, the portal sends automated email status notifications throughout the lifecycle of the maintenance request.

The digital transition directly addresses mandates in the 2024 and 2025 National Defense Authorization Acts, which directed the Department of War to establish an accessible digital maintenance portal for residents in unaccompanied and government-owned military housing.

The unified platform also eliminates repetitive administrative tasks for Airmen dormitory leaders and housing managers who manage unaccompanied housing facilities and government owned military family housing.

"We visited about 13 installations and found staff relying on standalone SharePoint sites to track requests," said Rebecca Gutierrez, NexGen IT functional lead and technical advisor. "ADLs had to additionally access NexGen IT and re-enter every ticket by hand and send it to AFCEC."

Linking the new portal directly to NexGen IT removes the duplicate effort for maintenance requests that need CE intervention and creates a more consistent process across installations.

"The goal is to provide total visibility and transparency," Gutierrez said. " Whether a technician is scheduling an appointment or waiting on replacement parts, residents will know exactly where their repair stands."

New Commons, Lodging Facilities Boost Quality of Life, Readiness at Tyndall

(AF CE Weekly Email Nov 3 , Story by 325th Fighter Wing Public Affairs Office)

The 325th Fighter Wing cut the ribbon on the new Community Commons and Sand Dollar Lodging facilities Oct 23, 2026, marking another major milestone in Tyndall's rebuild into the "Installation of the Future."

Engineered to withstand 165-mph winds, the facilities anchor the walkable South Side campus design, connecting Airmen and families directly from base dormitories and lodging to essential daily services that strengthen quality of life and mission readiness.

The $68.4 million, 60,000-square-foot Community Commons consolidates key amenities destroyed by Hurricane Michael in 2018. Commons 1 houses a 12-lane bowling center, post office, BurgerFi, and P.F. Chang's To Go, while Commons 2 features the base library, an arts and crafts center, a 25-seat mini-theater, and recreation spaces.

Next door, the $106 million, five-story Sand Dollar Lodging facility and Rickenbacker's Cafe provide 360 modern rooms—replacing 13 legacy buildings—to support mission-essential temporary duty personnel attending Checkered Flag, the Weapons System Evaluation Program, and the Noncommissioned Officer Academy.

Following the ceremony, Team Tyndall members and community partners toured the new campus and celebrated with food, bowling, and family activities.

Thanks to Post from Post College Scholarship Winner

From: Bohdan Hlavatskyi
Sent: Thursday, October 29, 2026 5:23 PM
Subject: SAME San Antonio Post, Hlavatskyi: letter of gratitude for the scholarship

Dear Mr. Kochanek, Ms. Fawlkes, Ms. Hoppke, Mr. Eberbach, Mr. Watkins,

Thank you very much for awarding me a general scholarship this season. I am sincerely grateful for your support and belief in my mechanical engineering studies at UT San Antonio.

I would love to get more involved in the SAME San Antonio Post volunteering and give back to this wonderful community of dedicated professionals.

Very respectfully,

Mr. Hlavatskyi
Klesse College of Engineering, UT San Antonio
