MISSION: POSSIBLE!
STEM Futures Start Here.
STEM/Engineering & Construction Camps

Looking for a summer experience that's more than just camp? Join students from across the country for a week of hands-on STEM challenges, engineering projects, leadership development, and unforgettable memories.

You'll Get to:

- Build and create hands-on engineering and construction projects
- Learn to use professional surveying equipment
- Design, build, and race your own cardboard boat
- Tackle real-world engineering challenges as part of a team
- Connect with military, engineering, and industry professionals
- Develop leadership skills and gain confidence for your future

Why Attend?

- One-week overnight camps
- Six locations nationwide
- Lodging and meals included
- Affordable tuition
- Open to students age 15+ by the start of camp
